Among The

(Continued from page 2)

(1) Improve the educational opportunities in the rural area.

(2) Promote the development of industry and commerce especially in rural areas...

(3) Adopt a program supported by Federal and Provincial governments designed to promote employment in agriculture...

(4) Gear our farm credit agencies towards the creation of economic sized farm units.

(5) Recognize that the problem of low income is largely one of unseasoned areas rather than areas of agriculture.

The articles suggest that there is some feeling of dissatisfaction with the present farm income...

(2) The age of the labour force actually is increasing...

(3) The fact that many people go into farming without intending to make a lot of money...

Without committing ourselves to the acceptance or otherwise of any of the ideas advanced...

meride: Mark Gaudet, Dr. Alan Stewart, Reg Thompson, Yvonne Baker, Miss Maxine Clav...
