### TERRIBLE STORM

### Along the Atlantic Seaboard.

### SHIPPING DISASTERS.

POINT LEPREAUX, Jan. 9.

Schooner Champion, 100 tons, for St. John, went ashore this morning and became a total wreck. All hands were saved but badly bruised.

At Eastport, Me., twelve vessels were more or less damaged. Six small schooners were sunk; no lives lost.

Nothing is yet heard from Grand Manan, where it is feared the loss must be heavy.

EASTPORT, Me., Jan. 10.

At West Quoddy Lubec, during Saturday's gale, the schooners Conclia, of Addeson, Billow, of St. Andrew's, Myrtle Purdy and Frederick D., of St. John, dragged ashore and will be badly damaged. Captain Ellsworth, of Myrtle Purdy, was injured in getting ashore, and has since died.

BOSTON, Jan. 10.

The northeast gales and snowstorm that prevailed on Friday night and Saturday, were the most severe in their effect that have occurred for many years on the coast. Great damage was done to shipping and many wrecks are reported with some loss of life. In this harbor, the schooner Juliet went down with three men, the remainder of the crew being rescued by a brig. Other vessels suffered more or less damage.

At Provincetown the schooners B. L Eaton, Nimble, Lavanter and Lookout are ashore, the crews being rescued.

An unknown schooner of 250 tons sunk near Charles Island, off New Haven, Friday night, and all hands are supposed to be lost.

In Newport Bay the schooner Mattie D. struck the reef and will be a total loss. The schooner Mary G. Wirr of Philadelphia, caught fire Friday night off the New Jersey coast, struck on the bar in the height of the storm, and every soul on board was lost. At daybreak, yesterday, the wreck drifted to the beach and went to pieces. A hundred yards from the wreck is Life Saving Station No. 8 The keeper and his seven assistants were powerless to save the lives of the poor wretches, whose shouts they could hear in the darkness. Female apparel washed ashore indicates that the captain's wife or some other woman was on board.

### The Northwest Again—More Trouble Brewing.

ST. PAUL, MINN., Jan. 9.

Despatches from Fargo says that parties who have just reached here from the Northwest Territory, says that all the Indian tribes are making arrangements for an outbreak in the spring, to avenge the death of Riel. Traders on the United States' side of the line are reported to be furnishing the reds with large quantities of ammunition.

### Danger by Flood.

FULTON, N. Y., Jan. 10.

The most disastrous flood that ever visited this place is now doing incalculable damage between Oswego River and the canal. The upper part is occupied by large flouring mills, and the lower portion by the homes of hundreds of workingmen. The people were rescued from the dwellings by row-boats. At least seventy-five families are rendered homeless.

AT the request of Councillor Curtis we insert the following copy of resolutions passed at a meeting of the Board of Health on 23rd November last, as certified by the Clerk:—

"On motion of Mr. Crabbe, seconded by Mr. Davy, and carried:—

*Ordered*, By this Board that for the future no patient shall be admitted to the smallpox hospital except on the order of the Mayor as Chairman of the Board of Health;

*Further Ordered*, That one or more of the Health Officers of this city remain in the Hospital, making full reports daily to the Health Officer, Dr. Johnston, at the Board of Health Office, who shall duly make all necessary reports to the Board of Health;

*Further Ordered*, That all Health Officers doing duty in the city make their reports to Dr. Johnson at the Board of Health Office."

BREAKWATER DESTROYED.—The two most exposed breakwaters in the Dominion were considered to be the one at Souris and the one at Cow Bay, C. B. This opinion has proved to be well founded, for the former has suffered considerable damage this fall, while the latter in the recent Saturday and Sunday storm has been completely destroyed. These breakwaters cost the Dominion Government a large sum of money, and to the interests in the localities where they were built, they have proved of immense value. The fact of the one being badly injured and the other entirely carried away is anything but welcome news.

M. LEMIEUX, who was one of Riel's lawyers, intends taking charge of the latter's son and having him educated at the Laval University.

## LETTERS TO THE EDITOR.

### Reply to "Citizen."

SIR,—Your issue of the 9th inst. contains a malignant attack upon an honest mechanic for erecting a workshop upon premises which were heretofore unused. But the spirit which prompted its erection is much more commendable than that which causes a crank to meddle with matters which concern him not.

There are buildings, used for other purposes, which reflect deep disgrace upon the city; but of these your critic takes no note. All men are not born heir to fortunes, and the working classes are those upon whom the welfare of town and country alike depend. Any effort made to injure one of their number is, therefore, contemptible and mean to the last degree. I trust "Citizen" will never find "on Queen Square" anything more detrimental to the public welfare thank the clink of Mr. Fraser's anvil.

ANOTHER CITIZEN.

THE brigt. Arthur, of Charlottetown, P. E. Island, Gardner, at New York from Jacmel 8 days, reports: Dec. 24, 10 miles off Anegalague, had a hurricane from N. E. veering to N. W., blowing with terrific force for four days, during which drifted down to Hatteras; lost deckload, stove bulwarks, had decks swept and cabin flooded; Jan. 3 (a. m.), ran ashore on Old Orchard Shoals, Princess Bay, and remained until the morning of the 5th, when we were assisted off, supposed without damage, by tug E. H. Coffin.

THE OLDEST HORSE IN NEW BRUNSWICK.—Says the Albert *Maple Leaf*: Jordan Steeves, of Hillsboro, lost an old horse Dec. 29, by the animal getting on a sled stake. The horse was 34 years old, and had been in his possession since it was a colt. It was probably the oldest horse in the province.

THE Great Western Marine Insurance Company, of New York, has decided to retire from business. The winding up is voluntary, and their Agent here, Mr F. W. Hyndman, has authority to say all claims against the Company will be promptly paid.

THE Ladies of the Methodist Brick Church beg to acknowledge a handsome Driving Sleigh, a donation from Philip Large, Esq., to the Methodist Bazaar Committee. The above Sleigh can be purchased at any time previous to the Bazaar. 2i

### A Day of Thanksgiving.

THE following Resolution, passed by the City Protestant clergymen, who met yesterday in St. Paul's Schoolroom, has been received by His Worship the Mayor:

"Inasmuch as it hath pleased Almighty God to take away from our city the pestilence which so suddenly came upon us.

*Therefore Resolved*, that a day of Thanksgiving be appointed, when our people may assemble to render thanks to Almighty God for the preservation of our lives; and further

*Resolved*, that we ask His Worship the Mayor and the City Council to appoint Wednesday, the 13th inst., a public holiday for such purpose."

In accordance with the above Resolution, we, the undersigned would respectfully ask your Worship and the Council to set apart Wednesday, the 13th inst., to be observed as a day of Thanksgiving.

(Signed) S. Smythe, Jas. Carruthers, J. M. McLeod, J. Shenton, C. O'Meara, S. H. Rice.

In accordance with above request, the Mayor and City Council desire their fellow citizens to observe WENESDAY, the 13th inst., as a day of Public Thanksgiving to Almighty God for the preservation of their lives during the smallpox epidemic, and also for the disappearance of the disease from our midst.

By order,
A. H. MACPHERSON,
City Clerk
