## Psych club news!!

Welcome back everyone! I hope your holidays were great and everyone is ready for another semester of fun, games, and drunks with the infamous Psychology Club. Some events we're planning are skating, bowling, Outburst party, and those volleyball games are continuing on through the semester.

A game is being planned on Friday afternoon January 22, against the Math and Compu-

ter Society! Anyone who wants to come and play just bring a t-shirt and shorts! It's a blast!

there is going to be another t-shirt order so if anyone wants a t-shirt contact Sheryll at 892-5165. We need 24 or the order won't be placed.

THE PSYCH LOUNGE IS GETTING A POP MACHINE! This machine will also contain juice. But... we have one problem, we don't know where to put it. If anyone has any ideas bring them with you to the next meeting...

Wednesday, January 27 at 11:30 Psych lounge. We want to see you there!!

Howdy!!!! Another semester is starting and the Biology Club is about to enjoy another year. Many activities have already been planned and hopefully you can participate in these.

UNDER CONSTRUCTION - Due to the work on the fish tanks upstairs, the Biology club is looking a little worse for wear (sorry for the inconvenience but we are hoping to serve you better with the improvements).
