The Panthers stormed into second place in league standings after their two runaway victories over Mt. A. and Moncton this past weekend. UPEI now rest 3 points behind league leading St. Mary's, and have yet to play the leaders.

The Mt.A. and Moncton games saw the emergence of the line of Claude Lambert, Allan MacAdam, and Hedges MacDonald as a line to compete with the top trios in the league. Lambert picked up 5 goals on the weekend, and MacAdam had a quick hat-trick in the first period of the Moncton contest.

Special mention must go to MacDonald for his pugilistic prowess as shown in the penalty box during the Mt.A. game. The Gross Move Award of the week goes to the Moncton player who was ejected from the game for spitting on a fan.

The team is playing its best hockey of the year in every respect. Bill Adams' return seems to have given the team a lift, and Bill Weatherbie's switch to defence has tightened that area up. Combining three well working lines with the goaltending of Steve Van Diest and Guy DesAulnier, the Panthers appear to be in position to make a good run at the title.

HOOP SCOOP

The UPEI basketball team hits the road this weekend for the first of four away weekends in a row. The opponents this week are St. F.X. and St. Mary's. The Panthers have played them both in previous action this season. X squeaked out a 104-101 overtime victory in pre-season activity, and St. Mary's beat UPEI 76-58 in the Panthers' only league game.

In action over the Christmas break, Ed Hilton's crew took second place in the New Brunswick Holiday Classic. After demolishing Mt. Allison in the opening round, 75-55, the Panthers offense stalled against UNB, and the Red Raiders beat the Panthers 60-57 to take the tourney.

Andy Packard, the Panthers' mini-center, was named the Most Valuable Player in the tournament. The tourney also saw the first appearance of J.C., the Panthers' secret weapon, and he responded by slashing through the Mt.A. press for a first down. Panther Scoring
