NO MORE SCIATICA.

Valentine Fisher is Cured of His Troubles to have no return—He is doing a flourishing Fruit Tree Business.

COLLINGWOOD, Sept. 10.—About a year ago, a telegraphic despatch from here told how Valentine Fisher, who had suffered for years from sciatica, and who was so crippled with the disease as to be unable to work and was generally thought at death's door, was cured by Dodd's Kidney Pills. That the story was no fiction was known by all citizens of this place. That the cure is a permanent one is now just as generally known, for since his recovery, Mr. Fisher has been hard at work selling fruit trees for Chase Bros., of Rochester, N. Y., and has travelled the whole of this section for this firm with most gratifying success.

Why spend $1 for a bottle of medicine for a complaint when one box of Beecham's pills, costing only 25 cents, will cure nearly all known diseases? This is because constipation is the cause of nearly all ailments and Beecham's pills cure constipation. A valuable book of knowledge mailed free, on request, by B. F. The United States steamer Adams ran aground in Behring Sea not long ago during a dense fog, but was hauled off before she had sustained serious damage. At the time of her accident Commander J. J. The matter will be officially investigated in order to establish the responsibility for the accident.

"Costly thy dress as thy purse can be," is a favorite adage, but very otten the cost will not realize all the desire. Ladies are often dissappointed in the make up of the costliest fabrics they can procure. Such however have never purchased Priestley's dress fabrics which have justly earned the reputation of being the best black dress goods in existence in respect of durability, flexibility, and a fitting quality,—that is to say an easy yieldieg to nice contours—which always produces the lovliest effects.

More Victims Than Any Other.

There are more victims of nervous prostration in this country than any other physical or mental disability. It is the Nemesis of the man who overworks himself. But more and more of the victims are learning that Hawker's nerve and stomach tonic, sold by all druggists, is a certain cure for nervous prostration in its many forms.

New York State has passed a law to the effect that no barb wire shall be used in the construction of any division fence, constructed or built after September 1st, 1894, unless the person, association or corporation desiring to use such material shall first obtain the written consent of the owner of the property adjoining that it may be used. MONTREAL, Jan. 16th.

Last summer my little girl was weak, delicate and nervous, and did not rest well at night. I gave her less than two bottles of your EMULSION, according to directions, and soon after she began to take it, she improved very fast in strength, slept well at night and lost much of that nervousness with which she had been troubled, and gained in flesh as well as strength, and has never been so well as since she took a course of your EMULSION.

Yours truly,

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE, Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
