By Thornton W. Burgess

MRS. RATTLES IS OBEDIENT. This is always well to count the cost, of what may follow temper lost.

Obdurate is a big word for small folks but when you know just what it means it doesn't seem so big. It means being stubborn. It means making up your mind to something, and not owing anything to change your mind.

"That is really too bad," said Mrs. Rattles.

Mrs. Rattles was obdurate. She really was. She had made up her mind that she and Rattles were to make their home in a big sand pit some distance from the Smiling Pool and the Big River.

"We did it once before, and I don't recall that our wings were any the worse for it," said Mrs. Rattles.

"Well, I'm not going to have anything to do with a nest over there, and you may as well make up your mind to that right now," declared Rattles.

"That really is too bad," said Mrs. Rattles. "It really is. You see that is where I want to have our home, and that is where we are going to have it, or we won't have any home. Just think it over."

"Just then she saw a small fish near the surface of the Smiling Pool. She shot down into the water with a splash. She came up out of the water with a little fish in her bill. She flew up in the big hickory tree near the bank of the Smiling Pool, and that little

HIS OWN FAULT

IT IS always annoying and frustrating to lose a trick to the singleton king of trumps, and of course it is much worse when that king is the only trump in the hands of the enemy.

West opened his partner's suit and East collected two tricks, then continued with a third high club—and South was in a quandary. If West had the blank king of trumps, he would be sure to make it, no matter how South maneuvered, but if East had it, South could ruff this third club lead and lay down the trump ace.

South dealer. East-West vulnerable. ♠ K J 5 ♠ J 10 9 8 6 ♠ A 10 ♠ 8 7 3 ♠ Q 6 3 ♠ 7 9 7 5 4 ♠ 3 2 ♠ 4 2

The bidding: South West North East 1♥ Pass 2♥ Pass 3♥ Pass 4♥ Pass

East, with 150 honors to "take the sting out of a set," gave long consideration to another club bid at the five-level, but he wisely concluded that such strong competition was not worth while.

South didn't analyze the hand very well. It was an absolute safety play to trump the third club with the ace. South could next cash the diamond ace and ruff away dummy's diamond ten, then concede the trick to the blank king of trumps.

FRENCH PULL OUT SAIGON (AP)—The bulk of the French Expeditionary Corps pulled out of Saigon Wednesday, leaving control of Indochina's largest city

to Vietnamese forces for the first time in nearly a century. The security of the city was turned over to the commander of the first Vietnamese military region.

DAILY CRYPTOQUOTE—Here's how to work it:

AXYDLBAAXR is LONG FELLOW

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved—without resort to surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!"

And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a famous scientific institute.

Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
