"SUMMER-SPECIAL" TIME SAVERS

Summer calls for quick meals, easy meals. But summer or winter, you want to serve main-courses and desserts that look and taste good, and provide sound nourishment. Such a dish is Ham Francisco — tender pieces of ham and mushroom, combined with a tangy sauce made smooth and nourishing with Carnation Evaporated Milk. The secret of the creamy sauce is double-rich Carnation. Carnation — but only Carnation — guarantees outstanding results in this recipe. Ordinary milk won't do.

- HAM FRANCISCO** (Makes 6 servings)
- 1 large can undiluted CARNATION EVAPORATED MILK
  - 2 tablespoons lemon juice or vinegar
  - 1 1/2 to 2 cups 1 1/2" x 1/2" pieces cooked ham
  - 1/2 cup chopped onion
  - 3 tablespoons butter
  - 3 tablespoons flour
  - 1 cup broiled mushrooms
  - Salt and pepper as desired

Combine Carnation and lemon juice or vinegar. Cook ham and onion in butter until onion is tender but not browned. Sprinkle in flour. Slowly stir in Carnation-lemon juice mixture. Add mushrooms. Stir while heating slowly until mixture reaches boiling point. Season. Serve on toast or hot cooked rice, with a green salad.

**CRUNCH TOPPING**  
Combine 1/2 cup finely crushed corn flake crumbs, 2 tablespoons melted butter, 2 tablespoons sugar.

Chill Carnation in freezing tray until soft crystals form throughout milk. Whip until stiff. Add lemon juice; whip very stiff. Beat eggs, sugar, and salt until thick and creamy. Fold in whipped Carnation and lemon fluff. Turn into freezing trays. Cover with Crunch Topping. Freeze.

Combine 1/2 cup finely crushed corn flake crumbs, 2 tablespoons melted butter, 2 tablespoons sugar.
