

# Wednesday

## Events of the Day

4:00 - 5:00 Pub in the Panther Lounge. To start the Carnival off on a light note, there will be an informal affair featuring (probably) the Carmicheal sisters, a pair from the Montague area. Like us, they're just starting out but already they've made a great impression everywhere they go. Admission will be about one dollar

6:00 - 7:00 Torchlight Parade around the Campus. The parade, traditional for the first night of a Carnival, will start from Blanchard Hall. Torches will be provided for those who need them if you arrive at 5:45. Note to the wise: Please be careful with the torches

8:15-9:15 - UPEI Movie Club

will hopefully present the "The Producers"; a Mel Brooks spectacular. The night for this might be changed if arrangements with Father Bolger can be worked out.

9:00 - 1:00 Bash in the Gym with "Finnegan". This rousing Irish group has played to great reviews in Halifax where they are based. They have more than once had the audience dancing on the tables. While we don't recommend that on those rickety things they have in the gym, nevertheless, if you're ~~br~~ brave... Admission will be two dollars.

1:00 - 2:30 Skate on the ice (i won't dare say rink) between Blanchard and Berna-

dine. In a departure from tradition, there will be an outside skate. Many students have requested this and, while it's not up to Stanley Cup quality, that rink should do the trick nicely.
