POLICY OF THE MINISTRY.

"We have in this country at the present moment no IDEA of having a system of Free Trade."—Hon. A. McKenzie at Toronto.
"The policy of the Government is determined opposition to the Opposition."—Premier's Speech at the Drill Shed.
In other words, the policy of the Government is to slander their opponents and do nothing for the good of the country.

THE OPPOSITION PLATFORM.

A RE-ADJUSTMENT OF THE TARIFF.
To make the duties fall more equitably.
To make it the interest of the United States to accord Reciprocity.
To revive the languishing West India Trade.
To remove the present barriers to the development of our Agricultural, Mining and other Natural resources; and generally
To encourage Home Industries with Home Markets for Home Produce.
To promote our Fishing interests and protect the rights of our Fishermen.
ECONOMY IN DEPARTMENTAL ADMINISTRATION.
A REPRESENTATIVE OF PRINCE EDWARD ISLAND IN THE CABINET.

THE PLANK ON WHICH SIR JOHN McDONALD STANDS.

"NEITHER AT LONDON OR ELSEWHERE HAVE I GONE BEYOND MY MOTION IN PARLIAMENT, AND HAVE NEVER PROPOSED AN INCREASE, BUT ONLY A RE-ADJUSTMENT OF TARIFF."
"JOHN A. McDONALD."
"We can well understand that we may raise the duty on woollen, cotton and other goods, but lower the duty on articles of general consumption which we cannot produce, and the volume of taxation may be LESS IN FACT, although it may be raised, at any given time, higher than it was before. If a man were obliged to pay a cent more for his cotton, and had a cent taken off his tea, it would be found, by calculation, that he was a gainer by the operation."—Sir John in Parliament.

MR. TILLEY'S PLANK.

MR. TILLEY then took up the public expenditure, showing that an average expenditure of \$22,500,000 was all that was necessary, and the expenditure ought to have been kept within that, instead of an average, as it has been, of \$24,000,000. The policy of the Opposition was NOT INCREASED TAXATION, as it had been stated by their opponents, but a readjustment of the tariff and REDUCED EXPENDITURES. These were the planks in their platform, together with encouragement to our manufacturing industries; ship's materials, raw materials, machinery not made in the country, free; 15 PER CENT. on non-enumerated articles; and an increase of the tariff on such articles as we can produce in the country, giving employment to our people and a HOME MARKET FOR OUR AGRICULTURAL PRODUCE.

DR. TUPPER'S PLANK.

"I trust I have satisfied the House that IT IS NOT a question of high or low taxation, any further than this, that, inasmuch as we governed the country with a small taxation, and inasmuch as we are prepared to govern the country again without those extravagant expenditures made by the present Government since they have been entrusted with power, all we ask is, NOT THAT THE TAXATION OF THE PEOPLE SHALL BE INCREASED, because we do not require so much money as the hon. gentlemen opposite, as we have shown by our economy in the past, and which we are prepared to practice in the future, but that the money shall be levied in such a way as TO FURNISH EMPLOYMENT FOR THE PEOPLE AND PROVIDE THE MEANS OF PAYING THE TAXATION THAT IS LEVIED UPON THEM."

THE OPPOSITION CANDIDATES.

Sir John McDonald to His Followers.

Tune: "Hold the Fort."

Ho! my comrades, see the signal
Waving in the sky!
Mighty men around us rising—
Saudy's power will fly.
Hold the fort, for I am coming.
More is on the way;
P. E. Island sends to help us
Six in full array.
Hold it fast, for Pope is coming,
Brecken won't delay;
Poor McGill is beaten hollow,
Sinclair's forced to stay.
Hold the fort, &c.
McDonald will be sure to conquer,
Muttart comes again;
McFadyen's sent to cure his lobsters—
McIntyre all pains.
Hold the fort, &c.
Hackett's sure from Prince County,
Howatt too will gain;
Yeo must cease to swap his oxen;
Perry now can rail.
Hold the fort, &c.
Henry, do now stop your clatter,
Don your monkey tail;
Stephen G. will get some printing—
He deserves a share.
Hold the fort, &c.
Highlanders, put on your armor,
Deal your honest blows;
Show the sland'rer, Cartwright, duly
We're not thieves nor rogues.
Hold the fort, &c.
See the mighty host advancing—
Cartwright will slay;
Tupper wields a mighty weapon,
Tilley does the same.
Hold the fort, &c.
Fierce and long the struggle rages,
But the day is near
When success will crown our efforts—
Cheer, my comrades, cheer!
Hold the fort, &c.
No more shall Yankee traders cheat us—
We will match their wiles;
Our aim shall be a re-adjustment
In the tariff line.
Hold the fort, &c.
Believe me now, we'll ease your taxes—
Burdened ones, hope on;
Shout aloud in joyous accents:
Saudy's power is gone.
Hold the fort, &c.
Politically.

THE Manchester *Guardian* of the 12th inst., says:—"The Marquis of Lorne and Princess Louisa will start for Canada in the third week in October."

THE Police Magistrate at Montreal has committed that notorious Grit Standard Bearer, E. H. Goff, to prison for "feloniously forging and uttering counterfeit minutes of a Board Meeting." He will not be able to help Mr. McKenzie this election.

MR. DALTON McCARTHY has begun the campaign in North Simcoe, in a brilliant manner. Mr. McCarthy, our readers may remember, abandons a safe constituency in order to redeem North Simcoe from Mr. Cook—who spent \$28,000 in "Missionary Expenses."

MR. Gladstone says in a recent letter that he is "in favor of the abolition of restrictions and limitations on land, and to having holdings of all sizes, with abundance of small holdings. On my son's property and my own we have this abundance; they form the vast majority, and we would on no account disturb them."

STARVING INDIANS WANTING FOOD.—A Montana letter says that 200 starving Banocks came to Bozeman, and the chief informed the commanding officer that his people must be fed or permitted to hunt. They were then permitted under escort to move down the Yellowstone to join the Crows in a buffalo hunt.

At Goodwood, on the opening day, the Princess of Wales wore a cream-colored costume, with narrow black trimmings, a waistcoat of rose-colored silk, and a straw-colored bonnet to match. On leaving the ground the Princess put on a novel dust coat, which was shaped to the figure, and had a crimson collar and crimson cuffs. Every tint of ivory was worn, and as lace seems too costly for the trimming of dresses, one lady wore a dark blue velvet dress and bonnet to match, both ornamented with lace and pearls. Mrs. Langtry's dress was pale pink and a drawn silk hat to match. A great many ladies wore black, profusely ornamented with gold fringe or braid, and there were numberless white dresses, richly decorated with lace.

WANTED, A GEOGRAPHY.—A noble earl, who is wont to be much heard at Exeter Hall, where he goes to "make a grand speech, and to preach, and to teach people that they can't brew their malt liquor too small," had occasion to send a letter to a gentleman in this city, and it came to hand by yesterday's mail, though its address might have carried it to Massachusetts, with no violation of postal regulation, for the words after the name were, "Halifax, United States of America." The Mayor of Cork could be excused, perhaps, for making, as he did make, the very same mistake some weeks ago, but an Earl, with K. G. after his name! Oh, it is too much, entirely.

NEWS BY TELEGRAPH.

NEW YORK, Aug. 3.

Yellow fever fatalities in New Orleans yesterday were the largest since the outbreak of the pestilence, the deaths reaching 108, and new cases 208. An effort has been made, in consequence of the great destitution in the city, for the distribution of rations by the Federal Government and relief from this source will be afforded at once.

At Memphis there was a slight diminution in the death-rate, 53 fatal cases being reported.
Out 550 persons remaining at Port Gibson, Mississippi, 400 have been attacked with the malady and 55 died.
The epidemic is still on the increase at Vicksburg.

At Baton Rouge, La., four deaths occurred during the past twenty-four hours—many persons are sick and business is almost suspended.
The disease at other points in Mississippi Valley is also spreading with unprecedented rapidity.

Specials report that, in view of the inability of undertakers to bury people as fast as they die in Memphis, the Citizens Committee have organized a burial force of 40 men, with wagons.

At Thiers' funeral ceremonial to-day a delegation of ten Americans from the Conference on the proposed Treaty of Commerce, presented large wreaths of flowers and were assigned a prominent place in the centre of the Church. Noyes and other prominent Americans were present.
LONDON, Sept. 3.

It is stated that Commander Cameron will start for Cyprus soon; thence will cross to Asia Minor to survey the route for the construction of the railway to the Persian Gulf through Narashaintab, Diarbekir, Marden Moul, Bagdad and Bussorah. The survey will probably occupy ten months.

Enjoy Life.

What a truly beautiful world we live in. Nature gives us grandeur of mountains, plains and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up, disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint are the direct cause of seventy-five per cent. of such maladies as Bilio-ness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

A man can board for \$2 a month in China, but the thing is to get the \$2. This is the trouble in all countries that are "cheap countries to live in." Under the McKenzie Government you can get 2 lbs. of tea for 88 cents; but it requires a good deal of work to get the 88 cents—unless you are an official or an aristocrat or a political friend of a prominent Grit, or some such character.
ANOTHER SUPPLY OF THE CELEBRATED WALTHAM WATCHES, in 2, 2 1/2 and 3 oz. Silver Cases—warranted as usual, at J. F. MCKAY'S, North Side Queen Square.
