U.S. Money Market Closed Temporarily To Canadians

By JAMES NELSON
OTTAWA (CP)—Provincial
government commissions and
municipal councils may bear
the brunt of new U.S.-Canadian
moves to defer further big bond
borrowings from the U.S. money
market until after the new year
starts.

A source here said it was ex-
pected that about \$200,000,000 in
Canadian bonds would be offered
in New York in the final
months of this year.

The squeeze announced Tues-
day night by Finance Minister
Gordon first affected a pro-
posed \$50,000,000 bond borrow-
ing sought in New York by
Hydro-Quebec.

The offering was to have been
made Tuesday for general bid-
ding, and Hydro-Quebec ex-
pected to pick up the cash next
Monday as part of its expansion
financing. Instead, after Ottawa-
Washington talks, the bids
weren't opened and the issue
was withdrawn.

Within the past few days, the
Manitoba Hydro Electric Board
borrowed \$15,000,000 in U.S.
funds on 25-year bonds, and

MONTVILLE ASS. (AP)—
Police said one of five men who
robbed a service station attend-
ant Thursday of \$100 decided to
crack open what he thought
was a safe and began beating
it with a stick.
