

Banks' Home Runs Flatten Bucs; Nears Own Record

By THE CANADIAN PRESS
Ernie Banks clouted two home runs and a double to account for all Chicago Cubs runs in a 5-3 victory over Pittsburgh Pirates Thursday.

In the only other daytime game in the major leagues, also in the National circuit, big Don Newcombe went the distance to give Cincinnati Redlegs an 8-1 victory over San Francisco.

At Chicago, Banks ran his home run total to 40 and boosted his runs-batted-in tally to 106, both tops in the National League. Banks now is only four short of his 1955 mark of 44 home runs, the major league record for a shortstop. He also is closer to Babe Ruth's pace of 60 homers in 1927. Ruth slammed his 40th on Aug. 22 in his 120th game. This was Banks' 122nd game.

Moe Drabowsky picked up the victory on a three-hitter. At San Francisco, the burly Newcombe won his first game in a month and his third of the season. The San Francisco starter, lefty Mike McCormick, failed to get the side out in the first inning.

Senators 7-4 Thursday night.
Jack Urban got the win his fifth of the season.
BALTIMORE (AP)—Gus Triandos clouted his 24th home run of the season Thursday night with two runners on base to highlight a four-run rally that gave Baltimore Orioles a 7-6 victory over Detroit Tigers.
The Triandos drive wound up the scoring. Preceding singles by Bob Boyd and Bob Nieman coupled with a walk set the stage for his winning clout off loser George Susce.
Charley Beamon, third of four Oriole pitchers, was the winner.
NEW YORK (AP)—New York Yankees junked Chicago's winning streak at seven games Thursday night, defeating the White Sox 6-3 behind the six-hit pitching of Bob Turley. The big righthander won his 18th with the help of a three-run seventh inning.
It was only the fourth victory in 12 games for the Yankees, who pushed their American League lead to 11½ games over the second-place White Sox.
Losing pitcher Ray Moore, now 0-4 after winning four in a row, allowed only three hits for five innings.
BOSTON (AP)—Boston Red Sox came through with enough timely hits to offset a display of futility in the clutch Thursday night for an 8-6 victory over Cleveland Indians.
The Red Sox combined for four Cleveland pitchers for 15 hits and eight walks, but left 16 runners stranded in the sloppily played contest interrupted by rain for 24 minutes in the seventh inning.
ST. LOUIS (AP)—Larry Jackson pitched St. Louis Cardinals to a 2-1 victory over Philadelphia Phillies Thursday night.
Jackson yielded 10 hits, five in the last two innings but held on to get his 10th victory against 10 defeats.
Lefthander Curt Simmons, now 6-12, made the Cardinals scratch hard to uncover the few runs Jackson needed.

Harteringer's 3-Hitter Tames Lions As Aces Win, 4-1

Rollaway Aces moved into the lead in the City Softball League semifinals last night by tripping a snarling group of Barry's Lions, 4-1 in one of the fastest games on record at the Old Diamond.
The victory moved the Aces into a 1-0 lead in the best-of-five series, when following the game, the league executive announced that the Aces' protest on Tuesday's encounter had been upheld. The tilt has been wiped off the record books and will have to be replayed.
It took only 44 minutes to complete the encounter which is believed to be a record hereabouts for a softball game.
The Aces, determined to get into the win column, moved in front with a single tally in the first inning. The Lions never caught up. In fact, but for a brief flurry in the fifth they never threatened the fifth tamer Henry Hartinger held them at bay on three hits.
Lions' hurler Art Ballem deserved a far better fate. He, too, allowed but three hits—albeit singles—but errors by his teammates at the most inopportune times spelled defeat.
The Aces moved in front in the first inning when lead off batter Irv MacKinnon walked and moved to third on an error and a fielder's choice. He came in on Darcy Lowe's line single to left. Willis Hennessey's nine took a 4-0 spread in the fourth. Three consecutive errors filled the sacks. One run scored on Buck Whitlock's high pop fly that fell in for a single. Ralph Pineau walked to force in another marker and Paddy Shepherd drove in the final tally with a long sacrifice fly to right.
For the last three innings the Aces couldn't touch Ballem. The sturdy built righthander set down 12 of the last 13 batters he faced.
RETIREES II
The Lions couldn't solve the mystery of Hartinger's offerings. Barry's boys got two runners on with one out in the first, but big Henry managed Duke MacCallum and got Dick Carroll to ground out.
He then proceeded to retire 11 batters in a row before he finally gave up a run. Sammy Gregory started the rally with a double into right and moved to third on an error. Mike Connolly's bunt brought him home.
Forbie Kennedy, Gregory and pitcher Ballem were the Lions' hitters. Lowe, Whitlock and Joey LeClair managed safeties for the Aces.
The next game between the two clubs is slated Saturday afternoon.

SPORTS FRONT

By PIUS CALLAGHAN

Ev Beagan president of the Benevolent Irish Society and manager of the Shamrocks softball team is all smiles as his team is set to meet Junior Basillea Youth Club this evening in the second game of their best-of-five semi-final series.
Beagan's boys who just managed to squeeze into the playoffs did just what their followers said they'd do on Wednesday night. They trounced the strong B.Y.C. outfit and looked plenty in doing so.
The Irish are a much better club than their standing in regular season play indicated. For a while they just couldn't seem to do anything right and that long period of indifferent play almost cost them a chance to participate in the playoffs. But they finally righted themselves and here they are threatening to win the club that topped all others in regular season activity.
Wednesday night the Irish played like real champions. They gave a superb pitching job out of reliable Joe Thistle and all players gave it everything they had. When it looked as though the Shamrocks were about to pull the game out of the fire in the final infield fly, three runners were left stranded, enough to tie the ball game, could the Juniors have pushed them across the plate.
Naturally the Juniors are smarting under this defeat. They had expected to run upon against such a determined bunch of boys. They know now just what to expect and will take every precaution that such things don't happen again. It's true that the Shamrocks have beaten one of the Juniors' top hurlers in Mike O'Brien but they still have to deal with John Hughes and Father Clarence Roche. Both these moundmen have quite a variety of stuff and will give the ambitious Irish plenty of trouble.
Manager Beagan believes however that his boys got the big win when they stopped O'Brien in the opener. That win, he insists, will only serve to drive his club all the harder. And perhaps he's right.
There are many who will agree with Ev but not one member of the Youth Club is included in this group. They maintain the Irish had their fun but that it's all over now.
This evening's battle is a big one. Should the Irish again come through they would take a stranglehold on the best of five series and back the Juniors right to the wall. A B.Y.C. win would get the series even at 1-1 and give the regular schedule winners a new lease on life.
It should be quite a bitter struggle.

Barry's Lions won a ball game handily on Tuesday night and then had the win taken away from them by the league executive on Thursday night when Rollaway Aces protest of the game was upheld. The protest committee ruled that the Aces were right in their claim that umpire Spy Ready had erred in his interpretation of a rule. It was a tough blow for the Island's defending champions but the executive felt that they had no alternative but to order a replay of the game.

One of the best pepper pots in the entire City Softball League is Shamrocks' third baseman, Coker Pineau. He does a pretty good job of annoying the opposition batsmen and he plays a whole lot of good game at the hot corner.
Mighty handy guy to have around.

King's County baseball fans have their big day this coming Sunday when Morell and Peakes clash in the first of a best of three series for the County crown.
The two clubs were scheduled to go at it last Sunday but heavy rains forced everyone to stay indoors. They're hoping for a better break this coming Sunday.
The two clubs had previously intended waging a best of five struggle but they haven't the time left with the provincial finals looming up soon.
The folks in Kings County really take their baseball seriously and go all out to back their favorites. You can bet that more than 2,000 persons will take in this affair Sunday. When that number of fans attend you are certain that King's County is the base-ball county of this province.
Morell and Peakes will not disappoint these ardent fans either. The coming series is expected to be a really rugged one and that's what the folks want.

Detroit's general manager, John McHale, isn't quite in agreement with some of the opinions expressed that claim all teams in the American League except the Yankees are pretty poor calibre. McHale puts it this way. "There's a lot of talk about how bad the other clubs in this league are. But maybe this is one of the great Yankee teams. Look at their bench. When you've got fellows like Skowron, Carey and Richardson and that kind sitting there waiting, it must be comfortable."
Yes, a pretty fair bench, Mr. McHale.

The Colchester branch of the Canadian Legion is staging an open Maritime track and field meet at Truro, N.S. on Labor Day, Monday September 1.
The sponsors are hoping that the staging of this meet will revive interest in track and field and put Truro back in the limelight as far as this town's concerned.
The Colchester boys are hoping that Prince Edward Island will send over quite a number of entrants to help insure the success of this venture.
How about it, boys.

Former hatting champion, the great Ty Cobb has a few thoughts on this matter of players getting out of the lineup at the slightest injury.
Says Ty: "I learned early that the worst thing you could do was to take yourself out of the lineup. They put somebody in there and gets a hot streak. They won't take you out. You upset your hitting and it hurts your hitting. Anybody who worries about an injury isn't worth anything."

Juniors Face Irish In 2nd Tilt Tonight

League champion B.Y.C. Juniors, down one game, will be out to even up their semi-final series in the City Softball League when they face B.L.S. Shamrocks at the Old Diamond tonight.
Game time is 5:45.
The surprising Shamrocks continued along their late season upset trail in the opening game Wednesday night, setting down the Juniors, 5-2 and Coach Ev Beagan is confident of continuing in the same vein this evening.
But Danny McCormack, boss man of the juniors has other ideas.
Likely starting hurlers tonight will be Keith Dalziel for the Irishmen and John Hughes for the youth clubbers.
Red MacFadyen will be behind the plate with Jack Ready and Len Arsenault on the bases.

The title was declared vacant last week.
It will be the first 12-round match for both fighters. Kerwin has fought several 10-round events against U.S. boxers.

Little Leaguers Take Three Wins In Four Games

The kids eked out victories over their sponsoring older brothers at Queen Elizabeth park Thursday night in three games out of four played.
Y's kids beat the Y's men 10-8. Legion Juniors took the adult Legionaires 14-13, and the Kinkids triumphed over the Kinsmen 9-8.
Only Rotary held its own with the Little League club, the game knotted at an 11-11 count.
After the games Johnny Carroll invited all the little leaguers, the older players and their wives, members of the Town Council and their wives, and the sports writers to one of Johnny's famous cook-outs where hot dogs and pop took the worst licking of the evening.

Par Shattered As Goetz, Sanders Set Open Pace

By JACK SULLIVAN
Canadian Press Staff Writer
EDMONTON (CP)—A crushing onslaught of par-wrecking rounds, including a double-eagle two, by Don Fairfield of Casey, Ill., and three five-under-par 65 highlighted the second day's play of the Canadian open golf championship Thursday.
At the finish of the scorching 18 holes, half-way mark of the 72-hole, \$25,000 tournament, Doug Sanders of Miami Beach, Fla., and Bob Goetz of Tulsa, Okla., paced the 106-entry list with 36-hole scores of 132.
Both fired 65 Thursday along with Toronto's Al Balding, a late finisher whose birdie-sprinkled round gave him a 134-total, just two strokes away from the co-leaders.
The 6,657-yard Mayfair Club course took a fearful beating for the second straight day as the pros and amateurs revelled in the lightning-fast fairways and well-maintained greens. Thirty-five whipped par figures Wednesday and nearly 30 continued the shattering Thursday.
Vancouver's Stan Leonard, a pre-tournament favorite and at 44 one of the oldest pros on the golf trail, fashioned a four-under-par

66 to go with his first-round 67 for a total of 133. He was in a four-way tie with 30-year-old Lionel Hebert of Lafayette, La., and Tony Loma of Napa, Calif., and Tom Jacobs of Whittier, Calif., all with 87s after opening-round 66s.
Don January of Eastland, Tex., and Mike Petchik of Yonkers, N.Y., first-round leaders with 65 each, couldn't continue their hot game and dropped behind. January carded a one-under-par 69 for a 134 total and the 36-year-old Petchik hit even-par 70 for 135 over the two rounds.
SEVEN EAGLES
The fifth hole, a 498-yarder that yielded seven eagles on opening day, took a fancy beating from the threesome of Fairfield, Jay Hebert of Sanford, Fla., and Petchik. Their aggregate score on the hole was six under par.
Fairfield got off a 280-yard drive and drilled a 200-yard third wood to the green. The ball bounced once and rolled into the cup. "It went dead straight for the pin," Fairfield said. "I guess it just hit and rolled up. I didn't see it." The green is set in a slight valley.
Hebert, who posted a two-under par 68 for a 134 two-round

Injuries Hobble Argos, Als For Tonights Game

By THE CANADIAN PRESS
The Big Four season is barely four days old and already Toronto Argonauts and Montreal Alouettes are in trouble.
Montreal, with injuries to several key players, are matched against the Argos, also hampered by injuries and defensive troubles, in Toronto tonight.
Both teams ran up against solid opposition against Ottawa and Hamilton in last Tuesday's season openers and came out second best.
The power-packed Ottawa and Hamilton teams—rated tops in the East—tackle each other in tiger-toned Saturday night.
Ontario Rugby Football Union action gets under way on two fronts Saturday night with London Lords playing Kitchener-Waterloo Dutchmen in Kitchener, and Detroit Raiders playing the

Golden Bears in Sarnia.
Both the Argos and Als apparently have shown one common characteristic in losing their first games—inability to make quick defensive shifts when the opposing team is on the move.
Tackle Sam Deluca of Argos with sprained ankle tendons, and defensive halfback Phil Muntz, with strained leg muscles, will not play tonight and centre Norm Stoneburgh and tackle Danny Nykoluk are doubtful starters.
Montreal, with Joel Wells and Hal Patterson already on the limp, reported that Billy Albright, 245-pound guard, will miss the game with a back injury.
Frank Clair apparently is so pleased with quarterback Hal Ledyard's work that he has given him back his job as first-string pivot that Tom Dimitroff, out with a swollen hand, took away from him last season.
LIKELY STARTER
Bernie Faloney undoubtedly will be Hamilton's starting quarterback Saturday night.
Faloney's showing gave him a big edge in the battle for the first-string quarterback job with Mickey Trimarki, signed by the Cats because of his passing ability.
The ORFU's new Detroit entry can make or break the league by its showing in six four-point games this season. Other American cities will be watching Detroit's showing and may apply for a franchise in the league.

Ann's Dream, driven by George Callbeck, trailed Rosecroft to the wire in the first dash in a time of 2:07 3/5. Time of the second mile was 2:07 3/5.

FREDERICTON (CP)—Double Dash wins by Ginny Forbes, from St. Stephen, Abbe Brewer, Moncton, and Vic-Hi-Lee, Houlton, Me., were recorded in a harness racing program here Thursday night. Cardinal's Ace and Mighty Grand won the other two events.
Vic-Hi-Lee's 2:09 4/5 and 2:11 were the best times.
ST. STEPHEN, N. B. (CP)—Performances by Hanover Dimes from Holland, Me., featured harness racing at the St. Stephen exhibition Thursday when he won two dashes, including the second half of the daily double, in 2:13 and 2:16.
The other daily double winner was Spencer Hal. The double paid \$48.80.
Other dashes went to Widow's Jessie, Attorney Tood, Hero's Child Honey's Rascol and Stephen W.

PEI Golf Open Starts Saturday

A huge field of some 175 golfers from three Maritime Provinces will tee off at Belvedere Golf Club Saturday in the fifth annual P. E. I. Open Golf Tournament. The field, already 165 strong, could possibly set an all-time record for this popular tournament when final entries are compiled Friday evening.
Clarence (Gabby) O'Hearn and Rocky Jollimore will head a corps of some 20 golfers from Dartmouth and Halifax. Another dozen will be representing the Moncton area, including M. J. (Moussie) Dowling, Ben Isner, Ralph Harley and Roy Morrison. Dowling, a member of this year's N. B.-P. E. I. Willingdon Cup team, is a well known figure at Belvedere; Isner won the Maritime Amateur title in 1957; Harley recently lost to Dowling in the final for the City of Moncton title; and Morrison is a former N. B.-P. E. I. amateur champ who has been away from Moncton for two or three years. The Fredericton delegation will be led by Dave Irving, present N. B.-P. E. I. junior champ, and popular Pete Kelly will lead a delegation from the N. B. North Shore district.
Pete Kelly, the old redhead now playing out of Bathurst, is the defending Open Champion. In last year's tournament Kelly shaded local professional Cecil Dowling to take the pro and open titles by a two-stroke margin. Top Amateur honors a year ago went to Art MacKenzie of Charlottetown.
In addition to the long list of prizes for the amateurs and the professionals, the winner of the Open title will be awarded the G. G.

Curling Club President Named

The resignation of Hugh H. Simpson as President of the Charlottetown Curling Club was accepted at a recent meeting of the executive. The vice-president, Gordon Bennett was named as the new president.

Building committee chairman Dr. Wendall MacDonald reported demolition was completed of the old curling rink and work on the new rink is proceeding.
