

Flake Out '81
by Jackie MacNeill

Somewhere in history it will be recorded that UPEI went crazy from Feb. 2nd to 7th 1981. Flake-Out '81 is now in the past but the memories, good times, and aches and pains will last for a long time to come.

Winter Carnival began slowly but by the end of the week had gained momentum enough to fill the Barn to capacity.

On Monday Nite, under the capable supervision of Peter "The Sailor" Wilson and Patti "Thicke" Bradley, Campus Cabaret was revived and is once again alive and well. Steele Recital Hall was filled to capacity and aided by the wit of our beloved President Meincke and Suzanne DeJong everyone enjoyed themselves

immensely.

Tuesday nite saw the UPEI Panthers meet Mt.A. at the Charlottetown forum. Our Panthers proved themselves victorious and so a party was in the makings. The dating game pub surely was a party. Over 300 people joined in the fun of watching 3 eligible bachelors and 3 bachelorettes find the person of their dreams. Afterwards the Barn boogied to the sound of CIMN.

Wednesday was Greaser Day at UPEI. Peter Wilson and Nellie Mackenzie, MCed the

Residence Awards and at 6:00 the Lady Panthers (basketball) played MUN. Needless to say, our girls were winners.

Later Wednesday evening the sounds of the 50's and 60's could be heard at the Barn. 303 people showed up at Jive Ducktail

Duffy for the rest of the year.

Thursday afternoon saw the first of our afternoon pubs. The Games Pub was handled by JoAnne Baglole and the winners were as follows

and the Dukes and from 9:30 to the end of the night the Wilson dance floor was packed. It was during this event that our King and Queen were announced. Congratulations go out to Miss Senior, Sharon Douglas and Mr. Sophomore, Eddie Bernard who were named Mr. and Miss Winter Carnival '81.

Afterwards things moved to Duffy Amp. where we were amused by "The Evils of Frankenstein". Special thanks go out to the C.P.s who managed to seize enough toilet paper to supply

As for the winners of our snow sculpture, the Engineers again reigned supreme. With their masterpiece of "An Island Mushroom Two Island Stones surrounded in Bushed", they took top place. By the way, rumor

hath it that someone walked into the structure and is now in the hospital suffering from compound fractures.

For those of you who find it hard to remember, Ryan's Fancy played Thursday night at the Gym. A full house was on hand to hear the foot-stomping music of the rollicking four. It was good to see that some professors decided to come and party as well.

The suicide skate which was to follow proved to be an experience for those of us who could stand up. The
