Messrs. Everett Gass and Leuman Purdy were recent visitors to their respective homes in Alberton.

Rev. H. R. and Mrs. Bell, accompanied by their daughter and son, Miss Marcella and Master Robert, were at present the guests of Mrs. Bell's mother, Mrs. Charles Stevenson. It is pleasing to report that Mrs. Stevenson, who has been confined to her bed for the past few months is able to be around again and gradually improving in health.

Master Oliver Parkman, the young son of Mr. and Mrs. Stewart Parkman, had the misfortune last week of having two small bones broken in his ankle. He was driving in the car with a large can of water on it when the can upset and struck his ankle. He was immediately taken to Charlottetown to the Prince Edward Island Hospital, where the broken bones were set. Master Oliver's many friends wish him a speedy recovery.

Mr. James Connolly of the Modern Paving Co. has returned from visiting his home in Toronto, Ontario.

Mr. Peter Sinclair, M.P., Charlottetown, was a visitor to New Glasgow Thursday.

The August meeting of the New Glasgow Women's Institute was held at the home of Mrs. Percy Dickieson on Monday evening, Aug. 3rd, with five members and five visitors present. Mrs. Brenton Dickieson presided and the meeting opened

with the Ode, followed by repeating the Creed in unison. The secretary's report was read and approved, and roll call was answered with Gems of Thought. A short discussion on the girls' sewing class then took place, and the directors of same reported the girls making good progress in the work. The different committees were then heard from and new ones named for the ensuing two months: school, Mrs. Rendle A. Houston and Mrs. Harland Hill; sick, Mrs. Brenton Dickieson, Miss Ella Semple. While blasting was in progress at the pit of the Modern Paving Co. a large stone measuring one inch through struck Mr. Hugh McIsaac on the cheek and lodged there. He at once was taken to a doctor where he received medical attention and after the stone was removed, which was only one half inch from the eye, it was necessary to put five stitches in his face. Much sympathy is felt for Mr. McIsaac as he is still confined to his boarding house, unable to work on account of the accident. His friends hope to see him around again in the course of a few days. His brother, Mr. George McIsaac, Souris, is working in his place at the pit.

Treaty Signing To Be Celebrated

SASKATOON, August 9—(C.P.)—An elaborate ceremony is being planned for the reception of His Excellency, Lord Tweedsmuir, Governor-General of Canada who will attend the Diamond Jubilee, Aug. 11-12, celebrating the signing of Indian Treaty No. 6 at Carlton, Sask. Carlton is 65 miles north of Saskatoon.

Lord Tweedsmuir in the eyes of the Indians is looked upon as a personal representative of the Great White Father—King of the British Empire. When Prince of Wales, King Edward VIII was made Chief Morning Star of the Blackfeet band. More than 2,500 Indians were expected to gather here for the jubilee.

The jubilee features a colorful pageant, enacting actual scenes from the treaty negotiations where 120,000 square miles of prairie soil was opened for colonization. During the first of the two-day program most of the time will be spent with Indian sports. Other highlights on the program include the marking of special anniversaries by the different tribes in attendance. The anniversary ceremonies take place with Indian warriors and squaws dressed in traditional style as they go through ancient dances. Some tribes will meet for the first time in years.

Mrs. J. E. Fleming entertained the members of Sterling Institute and their friends at the July meeting at which the president, Mrs. H. S. McEwen presided.
