Montague Authorizes \$5,000 For Fire Engine

MONTAGUE BUREAU OF THE GUARDIAN

The chairman of the fire committee, Coun. John Hughes, was authorized to spend up to \$5,000 for a chassis, to be ordered at once, for a new fire engine for the Town of Montague. This decision was reached at the regular monthly meeting of the town.

The new engine will be of 640 e.p.m. capacity, will carry a 500-gallon tank for water, 3,000 feet of regular hose and 1,500 feet of light hose, ladders and equipment. The new machine is expected for use in the next few months.

Present for the meeting were Councillors Frank Greene, Dr. A.E. Ings, John Hughes, Cyril Johnston, C.J. Fraser.

Following the regular business routine committee reports were given. In his report on finance, Coun. Fraser advised that tax collections were perhaps a bit better than at this time last year, however following considerable discussion it was decided that interest at the rate of 7 per cent would be charged on arrears of taxes that extend over six months.

It was pointed out that the town has to pay interest on borrowed money and this decision was felt to be fairest for all.

Chairman of the police committee, Frank Greene reported that \$105 had been collected in taxes and fines during the month. Cst. Ed. Downe was present and made a brief report on the training school recently held by the RCMP in Charlottetown.

Cst. Hughes, following considerable pressure, agreed to carry on as chairman of the rink committee. The opinion of all councillors was that he was doing an excellent job and it would be too bad to have to

someone take over at this time. In his report to the council on the rink he advised that \$64 had been taken in at the gate and it was his opinion that this could be a paying proposition if the weather would co-operate.

EXPRESS REGETS

Coun. Hughes also expressed his regrets in the death of Ben. C. MacLure who assisted him at the rink. All councillors expressed their regrets at this great loss to the community. The late Mr. MacLure has always been very active in assisting in sports. He passed away early Sunday morning.

Coun. Ings in his report on industrial promotion stated that he had very little to report on at present but hoped to have something before the end of the week but that he was not in a position to divulge what it was at present.

Coun. Johnston, chairman of the sanitation committee and who is also a member of the streets committee, asked for some discussion on street lights which resulted in the committee being instructed to look into the matter and if necessary report back to the council.

He also brought up the matter of the sewage problem touching briefly on the disposal into the Montague river. Some discussion followed but the problem was left over for further discussion following the winter ice.

Mayor B.H. Yeo, presided over the meeting.

AIMS FOR RECORD

MONTREAL (CP) — Lauritzen Line, Netherlands shipping company, said Thursday its freighter Helga Dan will aim to set a record for over-seas arrivals in Montreal harbor. It said the Helga Dan is scheduled to arrive March 16 from Antwerp, Hamburg.

CENSORED
Dr. Louis Dudek, assistant professor of English at McGill University, and co-ed Rachel Kizell of Ottawa, examine a defaced copy of D.H. Lawrence's "Lady Chatterley's Lover" she borrowed from McGill's Royal Victoria College library for a course assignment. Two pages had been ripped out and a printed note saying the book was the "complete and unexpurgated edition" had been rubbed out. (CP Wirephoto)

Grain Storage Payments Cut

OTTAWA (CP) — Prairie drought and expanded grain exports have trimmed \$19,000,000 in storage payments from the agriculture department's spending forecast for the next fiscal year.

This was the largest single reduction in the \$168,000,000 farm program tabled Monday in the Commons with the spending

estimates for the fiscal year starting April 1. This compares with \$223,000,000 spent so far in the current year by the agriculture department. Chief reason for the higher amount this year is the \$42,000,000 acreage payment to Prairie grain growers authorized at this session of Parliament.

Carrying charges on temporary wheat reserves cost an estimated \$49,000,000 for the current year but only \$30,000,000 is set aside after April 1 since

the Prairie crop was halved last year and export sales continue brisk. Biggest spending increase by the department for 1962-63 will be \$10,661,703 more—or a total of \$28,984,000—for western Canada irrigation and water storage projects including the South Saskatchewan dam. There has been a steady rise in this field the last three years.

Spending under the Maritime Marshland Reclamation Act is calculated at \$714,000 compared with \$1,034,800.

MR. AND MRS. Gerard Burge are among the couples who registered for the course for married couples in the fundamentals of marriage at St. Dunstan's Basilica last night. Here they discuss the course with Rev. Walter Reid, guest speaker for last night's session, and Rev. Preston Hammill.

Fundamentals Of Marriage To Be Discussed In Course

A course for married couples in the fundamentals of marriage got underway last night at St. Dunstan's Basilica.

Rev. Walter Reid of the staff of the Charlottetown Hospital was guest speaker for the meeting. His topic was "Marriage in the Modern World", in which he pointed out some of the false notions of marriage, and elaborated on the true Christian ideal of marriage.

The course consists of 10 lessons dealing with such subjects as marriage as a vocation, money in marriage, love and happiness in marriage and how to understand your partner in marriage.

A total of 80 couples registered last night. Some more are expected to register next week, which will be the last opportunity to register. It was said. On that occasion Rev. Preston Hammill will speak on "Adjustment in Marriage". The next meeting will be held on Monday, Feb. 19 at 8:30 p.m.

Breakdown Is Given Of Main Estimates

OTTAWA (CP)—Following is a breakdown of the 1962-63 main spending estimates of the federal government, with 1961-62 planned expenditures to date in brackets:

Agriculture \$167,969,300 (\$222,997,846); Atomic Energy \$39,966,400 (\$39,723,415); Auditor-General \$1,316,000 (\$1,135,400); CBC \$364,100 (\$331,170); CBC electoral officer \$127,900 (\$125,685); citizenship and immigration \$70,409,420 (\$67,114,692); Civil Service Commission \$4,815,500 (\$4,696,136); defence production \$18,999,000 (\$19,562,386); Crown companies \$7,245,900 (\$7,644,622); External Affairs \$94,953,967 (\$93,937,158); International Joint Comm. \$158,300 (\$160,885); finance \$1,304,834,800 (\$1,455,804,441); fisheries (\$26,471,700 (\$25,051,531)); forestry \$17,080,000 (\$16,404,427); Gov-Gen, H-govs \$497,367 (\$489,300); insurance \$601,400 (\$763,123); justice \$9,990,900 (\$9,446,830); penitentiaries \$31,592,400 (\$25,285,019); labor \$113,070,700 (\$122,425,123); unemployment insurance \$106,613,300 (\$102,617,980); legislation \$8,538,500 (\$8,285,200); mines and tech. surveys \$32,726,700 (\$40,590,583); Dominion Coal Board \$17,728,000 (\$20,171,245); national defence \$1,675,792,175 (\$1,681,637,153); National Film Board \$5,575,600 (\$5,160,492); National Gallery \$1,251,500 (\$1,175,116); health and welfare \$1,106,388,450 (\$985,883,565); National Research Council \$42,406,400 (\$38,363,514); national revenue \$79,843,900 (\$78,736,292); northern affairs (\$93,652,700 (\$91,527,359)); post office \$192,091,300 (\$190,791,178); Privy Council \$12,418,000 (\$4,942,373); public archives \$759,200 (\$716,268); National Library \$966,700 (\$909,281); public printing \$4,189,300 (\$3,715,998); public works \$217,451,000 (\$223,734,344); RCMP \$65,526,079 (\$61,023,810); secretary of state \$5,196,800 (\$5,168,839); trade \$26,842,100 (\$41,510,345); transport \$283,461,600 (\$255,672,604); Air Transport Board \$596,600 (\$850,469); transport commissioners \$18,371,100 (\$68,338,433); Canadian Maritime Commission \$17,873,636 (\$17,325,578); National Harbors Board \$5,598,400 (\$7,239,532); St. Lawrence Seaway Auth. \$2,076,100 (\$2,780,756); veterans affairs \$335,577,500 (\$337,386,470).

Totals: \$6,276,211,894 (\$6,479,646,294).

U.S. Military Secrets Said Available To Enemies For \$1

WASHINGTON (AP) — Senator Howard W. Cannon (Dem. Nev.) said Monday United States enemies can purchase for \$1 military secrets given to senators behind locked doors.

Cannon, a member of the Senate armed services committee, accused the Pentagon of "political fakery" in the hush-hush disclosure of military plans he said are barred for all to read in a House of Representatives document detailing armed services purchase plans and strength.

"Regardless of classification, this information is a valuable aid to our enemies in determining their own military needs vis-a-vis our strengths and weaknesses," he said.

As an example, he said the budget document discloses that the funds President Kennedy requested "will support an operations force of almost 1,200 bombers at the end of 1965, about half of which will be maintained on a 15-minute alert."

SWORN TO SECRECY

He said armed services committee members were sworn to secrecy when given this information "in guarded executive (closed) hearings."

He cited these other examples of budget disclosures: "In addition, the army will purchase nearly 40,000 tactical trucks, a large variety of supporting vehicles, and about 600 aircraft, including the Caribou transport and several types of helicopters."

He said this had been given to senators as classified information. "On page 58 of the budget any potential enemy may read that the budget provides for continuing the capability of maintaining one-eighth of the heavy bomber fleet on continuous airborne alert." He said this was secret when senators were told about it.

Cannon said that, on another

City Orchestra To Play At Mt. Allison Carnival

A local dance band, The Mariners, has been invited to play for the feature Winter Carnival Ball on Saturday night at the wind up for Mount Allison University's annual big show.

The Winter Carnival this year will be headlined by the invitational basketball tournament, involving four teams from the United States and four from Canada. The latter will include the local Saint Dunstan's University squad and the University of Manitoba team.

Other top drawing cards on the three-day program which starts Thursday will be a "Snow Bowl" football game, swimming meet, and contests involving snow sculpture, beard growing and the twist with one of the big events being the crowning of the Carnival Queen.

ON PROGRAM

Entertainment during the carnival will include an appearance of the Four Saints, a widely known instrumental and vocal quartet from Washington, D.C. All members play at least five instruments while one of them can perform on 16.

Also to be heard is Tennessee folk singer Guy Carawan who will make a second appearance with The Mariners at the huge dance at which 1,400 people are expected Saturday night.

The local orchestra, known for their versatility because of their "music of many moods" the situation in which all the Council members had also been re-elected by acclamation but said "it is not for us to comment on it". However, he said he wished to assure the public of the best administration possible of its affairs.

His Worship also said he and Recorder Martin were doubtful of the advisability of conducting any new business until after election day—which would have been tomorrow had an election been necessary—had passed.

For this reason he suggested that committee reports be held over till the regular March meeting, but thought it might be wise for committee chairmen to start work on their budgets in order to give the finance committee time to study the estimates before preparing the city budget.

He said the need for a new assessment of property values in the city was becoming more apparent and recommendations concerning it would be presented at the next Council meeting.

COMMITTEES FORMED

Council committees formed included: Finance, H. E. Hyndman, chairman, J. E. Arsenault, W. J. Cox, and W. R. MacNeill; streets, E. M. MacRae, chairman, J. A. Gormley, M. D. Corrigan, A. L. Wright, J. P. Nicholson, and A. M. Gillis; town planning, W. J. Cox, chairman, J. A. Gormley, J. E. Arsenault, and E. M. MacRae; public property, J. A. Gormley, chairman, J. E. Arsenault and A. M. Gillis;

Police, W. R. MacNeill, chairman, J. E. Arsenault, and J. P. Nicholson; fire, A. L. Wright, chairman, E. M. MacRae, and J. P. Nicholson; water and sewerage, J. E. Arsenault, chairman, A. L. Wright, and M. D. Corrigan; industrial development, W. R. MacNeill, chairman, H. E. Hyndman and E. M. MacRae; light, A. M. Gillis, chairman, A. L. Wright and M. D. Corrigan; welfare, M. D. Corrigan, chairman, A. M. Gillis and J. A. Gormley;

Tender, J. P. Nicholson, chairman, E. M. MacRae and A. L. Wright; public relations, Mayor A. W. Gaudet, chairman, H. E. Hyndman and W. J. Cox.

City council representative on the Charlottetown playgrounds commission, is M. D. Corrigan; city council representatives on the Metropolitan Committee are W. J. Cox and J. E. Arsenault.

ENCOURAGED BY CANADA

WINNIPEG (CP) — British philosopher Lord Bertrand Russell says in a letter made public here Monday that he is encouraged by Canadian support for his nuclear disarmament campaign. He wrote that it "has been encouraging to me that we have received such widespread support from Canadians and that the Canadian movement for nuclear disarmament is so vigorous and effective."
