VEGETABLE LIFE PILLS AND PHŒNIX BITTERS.

THESE superlative Family Medicines have long since acquired an established reputation for direct and invariable efficacy in all the prevalent and ordinary diseases, as well as in many others of a peculiar and aggravated character. Their virtues are proved by the voluntary testimonials of the persons they have cured, and who accompany their certificates with their names and places of residence These certificates now amount to thousands, being hundreds to each particular kind of disease. They embrace the most frightful and inveterate cases of *Scrofula, Piles, Dyspepsia, Jaundice, Bilious and Liver affections, acute and chronic Rheumatism, Asthma, Bronchitis, Scrofulus as well as Mucous Consumption, habitual Costiveness, Worms, Stomach and Bowel complaints* of all kinds, headache, giddiness and *nervous debility, eruptive diseases,* and the clouded, sallow, unhealthy appearance of the skin, arising from various causes of ill health, *Fever and Ague* of every variety, settled pains in the side, back, organs and limbs, humors, ulcers, *foul breath and inward fever,* night sweats, and general weakness and loss of *appetite,* the *mumps, swollen face and gums,* affections of the *bladder, kidney, spleen* and pleura, and the *sickness incidental to females,* together with very many other maladies which cannot be here enumerated. THE FAMILY LIFE MEDICINES.

THE celebrated *Life Pills* and *Phœnix Bitters*, prepared and sold by Dr. Wm. B. Moffat, 375, Broadway, New York, may now be said to be the most respectably established and extensively adopted family medicines in the United States. They have not only won the sanction and recommendation of all the candid and philanthropic portion of the medical profession, who have observed their invariable efficacy in general derangements of the stomach and bowels, and their astonishing effects in many varieties of acute and chronic disease, but what is far better, these medicines have recommended themselves, and fully and fairly achieved the distinguished and now certainly pre-eminent position which they now occupy in public and domestic estimation. They are proved by their works, and make no appeals to vulgar credulity. If the proprietor were disposed to make an invidious comparison between these self-established mdicines and any others, he might confidently assert and challenge contradiction that there is no medicine known to the medical profession, or named in their books, concerning which so many clear, unquestionable and conclusive evidences of usefulness and remarkable cures are recorded as those which he can adduce concerning the Life Pills and Phœnix Bitters. If it be admitted that sufferers are the best judges as to whether a remedy has relieved them and restored them to health and strength, then is the evidence in behalf of these medicines decisive and irresistible. Dr. Moffat is in possession of an immense accumulation of voluntary testimonials from respectable persons and families in all parts of the Union, far and near, who give their names and residence to the unsolicited statement that they have been completely and speedily cured of the following diseases, and of many others not here enumerated, by these Life Medicines alone, when other medicines had been long employed in vain, viz: Scrofula, in its most dreadfully advanced and destructive stages, when large portions of the flesh and bones of the face had been destroyed; Piles of five, ten, twenty, thirty and even thirty-five years standing; Rheumatism, both acute and chronic, of the most hopeless character; Turgescence of the Liver, and various other liver complaints; Bilious Cholic, and every conceivable variety of bilious affections; Marasmus Tabes, or Decline, and Marasmus Phthisic, or Consumption, in more advanced stages than any on record; Dyspepsia, in all its chronic and acute varieties, with its frightful train of distressing symptoms; Worms of all kinds, both in children and grown persons. Dirrhœa, both serious and bilious; Costiveness, both habitual and occasional; Fever and Ague, in its three principal varieties, and intermittent and remittent fevers, of all kinds; Hypochondriosis, and other extremely complicated nervous affections, with nervous debility in general; Salt Rheum, Running Scald, and eruptive diseases generally, including Enanthesis, Erysipelas or St. Anthony's fire, and sallow, unhealthy complexion; Palpitation of the heart, and Determination of blood to the head, settled pains in the organs, limbs, back, head and side; affections of the bladder, kidnies, spleen, throat, and pleura; jaundice, dropsy and gout; together with those general affections of the system which arise from complicated causes.

The certificates of these cures are in the proprietor's possession, and will readily be shown to all who desire to see them. A small selection from them have been published in Moffat's Medical Manual, of which a new and enlarged edition is preparing for the press. The reason why these medicines, which in ordinary family use operate merely as mild and effectual laxatives, cure so great a variety of formidable diseases is, that while as cathartics, cleansing the alimentary canal, and relieving the liver and the absorbent vessels of all impurities, they lay the foundation for the cure of all specific diseases, they are compounded of unique and unprecedented variety of choice and exquisite ingredients, some of which are almost unknown to the profession, which exert a specific action upon many complaints, without in the slightest degree affecting the general system, otherwise than as simple purifiers, when those complaints are not present. Both the Pills and the Bitters are mild and agreeable in their operations, causing neither prostrations nor nausea, and requiring neither confinement nor peculiar diet. Their effects are uniformly to produce an immediate sense of renovated health, and new life and vigour to both body and mind. They cannot be taken without benefit, and they should be procured both by individuals and heads of families, and constantly kept on hand not only as remedies but as preventatives of disease. They are prepared and sold wholesale and retail, by Dr. William B. Moffat, 375 Broadway, N. Y., and also by the AGENTS.—NEW YORK, May 30.
