United States Team Sure Of Meeting Stiff Competition In Coming Olympic Games

This is the first of two stories on United States Olympic track and field prospects, written by the Associated Press sports editor, who has covered the last three Olympiads and will accompany the U.S. team to Berlin this week. It deals with the outlook in track competition. Tomorrow the field events will be discussed.

Olympic Stadium Completed

(By Guenther Beukert, Associated Press Sports Writer)

BERLIN, July 13—(AP)—The Reich sport field, 325 acres of playground built at a cost of many millions of dollars, today formally was declared completed and ready for the Olympic Games, Aug. 1-16.

With all technical equipment in operation, a dress rehearsal for the international games was held this afternoon.

Located about 10 miles west of the center of Berlin, the Reichsportfeld is a collection of stadia for track and field, swimming, tennis, hockey, polo, equestrian sports, a huge rally field, an outdoor theatre, and numerous tennis courts. It includes also the buildings of a high school for physical culture, its two cinder tracks which will be the training centre for olympic participants, and six big lawns for field games.

Jesse Owens should outprint the world. Japan's Yoshio, a fast starter who has several times equalled the world record of 103 for the 100, may challenge Owens.

Canada's Howie McPhie, star of the D-minion tryouts, does not at present appear likely to spring any such surprise as Percy Williams did in 1928.

CHALLENGER IN GREAT CONDITION

When Stan Biggar hurled his deft at the Island heavyweight champion George Leslie about two months ago many boxing fans throughout the Island took the local boy's challenge as just another of those things, but just eight short weeks later one finds those so-called critics in a much different frame of mind.

Biggar, never more serious in his life has surprised his critics with his strenuous training campaign and the manner in which he has stuck to the grind. Now with the bout just four days away the challenger is rapidly rounding into the pink of condition and those who first were wont to laugh at the bout are hastening to predict a tough, rugged battle for the champion.

But the fans aren't the only ones that have been given a surprise. Trainer Pat Adair who is looking after Biggar has been pleasantly surprised by Biggar's attitude and the manner in which he has come along of late. Pat declared yesterday to the writer that his charge is plenty "hot" these days and punching with plenty of steam behind the blows. "He has had a hard training period," says Adair, "and right now is just about ready for the fight. He has been giving his sparring mates a merry session of it with his short, jarring punches and although I won't make a prediction as to the outcome I will say that if Leslie is to retain his crown he will have to be better than on his last appearance."

That is quite a speech from Biggar's trainer and shows he has plenty confidence in his fighter. Biggar has been going five miles of roadwork daily mixed up with two boxing sessions and continues to look better and better. Adair isn't enthused over his charge's boxing ability which is hardly to be expected, but his punching has Pat delighted. That is where he sees the margin of victory lying in the challenger's favor and although he (Adair) won't make any definite statement one can glean from his attitude that he fully expects the title to change hands. Biggar himself has little to say. He is attending strictly to work and is willing to let his actions on the night of July 17th, the date when the two big boys clash, speak for themselves. If Leslie is in the same frame of mind then the customers are going to see plenty of action that will likely speak for itself.

The leaders: Gehrig, Yankees 24; Fox, Red Sox 23; Tronky, Yankees 22; Dickey, Yankees 17; Ott, Giants 15; Averill, Indians 14; Klein, Phillies 14.

Tigers Moving Steadily Ahead Gain Another Full Game On Yanks

NEW YORK, July 13—(AP)—Held in check by Johnny Whitehead's five-hit pitching, New York Yankees fell before Chicago White Sox 6-3 today. The defeat, coupled with Detroit's victory at Philadelphia, reduced the Yanks' lead to 1-2 games over the world champions.

The Sox got away in front with a run in the first inning, drove Monte Pearson to the showers with a three-run rally in the third and then picked up another tally in each of the seventh and ninth frames off Johnny Murphy and Pat Malone, respectively. The seventh inning run was a homer by Jimmy Dykes.

Lou Gehrig personally accounted for two New York runs in the sixth, slamming out his 24th homer of the season with Rolfe on base. The circuit blow gave Gehrig the major league leadership.

Indians Scalp Sox Again
At Boston Cleveland Indians continued their heavy slugging as they pounded out 17 hits, five of them for extra bases, and defeated Red Sox 11-3 for their third straight victory.

The Indians, with George Bla-

holder hurling effective eight-hit ball, pounded Fred Ostermueller, Jim Henry, Jack Russa and Rube Walberg almost at will. Ostermueller, knocked out of the box in the second, was charged with the defeat.

Tigers Climbing
At Philadelphia, Detroit Tigers again beat the Athletics for their 10th triumph in 12 games with the A's. The score was 5-2.

Detroit took an early 4-0 lead and held it while Roxie Leevan scattered the A's nine hits. Charley Gehringer's double and Goose Goslin's single in the third accounted for the winning tally.

Senators Move Up
Washington moved into third place in the American League, whipping St. Louis 9-3, as Earl Whitehill entered his seventh victory of the year.

The Senators playing at home, pushed ahead when Cleveland defeated Boston.

Although the Browns hit Whitehill for a dozen safe blows the Senators turned loose a heavy barrage that kept seven runs in the first and sixth innings to overcome a St. Louis lead.

Ross Wilson Wins Men's Singles

(C. P. By Guardian's Special Wire)
OTTAWA, July 13—A sudden electrical storm reduced play tonight in the Eastern Canadian tennis championships and only a few first round matches were finished before dark.

Favorites had little difficulty in advancing to the second round which will probably be played later tomorrow after the unfinished first rounds are completed.

Ross Wilson of Toronto took the measure of A. T. Cheeseman of Ottawa, 6-4, 6-3 in the men's singles. Blond Bruce Hall of Toronto won his first and second rounds in the junior men's singles. He defeated Don Finlayson of Ottawa 6-1, 6-0 in the first and had no opposition in C. Smith, Ottawa mite, whom he trounced 6-1, 6-0.

MONTAGUE RACES ON WEDNESDAY

To-morrow afternoon sharp, an indoor Montague mid-summer race meet will get under way with an entry list that is bound to give one of the best afternoon's sport in many years. George McIntyre has been using telegraph and telephone to good purpose and by these means has secured an entry list of exceptional horses.

In the 215 Trot and Pace Plucky Scott 2:06 will make her first appearance this season driven by Tyndal Semple. Last Saturday she worked his Kensington track in 2:11 with the best heat in 1:04. Star G. 2:06, arrived at Charlottetown on Friday night and worked on Saturday in 2:13 very simply over a heavy track. McElwain the Great 2:09 1/2, made a new track record at Alberton last evening, beating Johnny Couderc, 2:09, who beat several of the Maine and New Brunswick stars at Woodstock last Wednesday. He has won two races and is up to his record, in fact will probably be the best horse in the class. Heats will be in a hot spot. Then there is Mac Volo, 2:12 1/2, Ross K. 2:08 1/2 and several others.

2:15 Trot, Hackfast 2:09 1/2 w. owner-driver Myron McArthur up will show the boys how an Ohio trotter can perform. Pitted against the 2:11 of Erico 2:07 1/2 that Fred Cameron has in the pink. Helen D. 2:14, winner at Summerside and timed in 2:11 1/2 at Alberton, Calumet Bee 2:11, Captain Cope 2:14, On Boy Fischer 2:11, pupil of Johnny Conroy, and lat but not least, Hughie 2:11 that Billy Cummings has beaten only a head in 2:11 recently. This will positively be one of the best trotting races seen here for some time.

2:24 Trot and Pace. There are seventeen entries but of course some of them will withdraw, but those left are a classy lot. Take for instance Soviet, record 2:12 1/2 at Alberton, Baronet that worked a mile Saturday at Charlottetown in 2:13 on the outside of Star G., Paddy Aubrey 2:17, Peter Onward 2:13 1/2, a winner at Alberton and said to be good for 2:10, Bud Cope 2:18 1/2, Bob O'Boy 2:14, Star Dillon, Leona 2:17 1/2, Leta Kalmuck 2:21 1/2, Rosebud 2:19, etc.

George McIntyre, manager of the track, has improved his grounds year after year and this year will have everything in A-order for his great game. The Grand Stand is a good comfortable one, capable of seating 2,000 people, and the centre-traffic and other parts give good parking space for automobiles. The track is being harrowed and watered daily so as to make the footing easy for the horses, and it is Mr. McIntyre's intent to keep it watered between heats so that his patrons will not suffer from the dust nuisance.

The Montague Women's Institute will serve first class meals on the grounds and those who have partaken of them for several years know what that means. Mr. McIntyre will have a good staff of ticket sellers and ushers to make things easy for those going in. No detail will be overlooked that will provide for making the afternoon a most enjoyable one. LONDON—A New Zealand banker has left \$150,000 to the Provost of Forres, Elginshire, to buy for the town sole rights of all classes of fishing on a part of the River Findhorn.

Two Jewish members of the 400 metre relay team, Sam Stoller of Cincinnati and Marty Glickman of New York, said they have no scruples about competing in Germany in view of racial discrimination there.

CANADIAN RIFLEMAN WINS CUP

(By Thomas T. Champion, Canadian Press Staff Writer)

BISLEY CAMP, Surrey, July 13—(CP Cable)—A Canadian entered the ranks of the first prize winners today at the National Rifle Association's annual meeting on the Bisley ranges.

Serg. J. W. A. Sharpe of the Victoria Rifles of Montreal won the Alexandra Challenge Cup, a service rifle event, with a perfect score of 50. Scores in the Alexandra count in both the grand aggregate and the all comers aggregate.

The Alexandra is a challenge cup valued at 50 guineas (about \$275), presented in 1907 by the late Capt. A. Cortis. The contest calls for 10 shots at 600 yards.

Lieut. R. Storrar of Toronto, who had a 48, finished 12th and won 60 shillings (about \$15).

Major R. S. Harrison of Toronto, who shot a possible 50 last Friday in competition for the Conan Doyle statuette, finished second in the tie shoot with five others who had perfect scores of 50 Friday.

The N.R.A. meet—always a mecca for marksmen from all over the empire—entered its second and final week in the wettest weather in nearly 25 years. Rain fell all day Sunday and some of today's competitors fired in pools of water.

Major C. E. Etches, secretary of the Association, said the weather had considerably reduced the number of regular entrants.

Lee Wins Hurling Duel With Hubbell And Gabler To Send Cubs Into Lead

NEW YORK, July 13—(AP)—With Bill Lee outpunching Carl Hubbell and Frank Gabler in a pitching duel, Chicago Cubs today defeated New York Giants 1-0 at Chicago to gain first place in the National League with a margin of three percentage points over the idle St. Louis Cardinals.

The Cubs made only two hits off the combined hurling of Hubbell and Gabler while Lee was yielding four, but the National League champions took advantage of one of their blows to score the only run of the game in the fourth inning. Bill Herman led off by drawing a pass; Augie Galan sacrificed and when Burgess Whitehead threw wild past second, Herman went on to third.

Then Ken O'Dea, who had taken over the catching job when Gabby Hartnett hurt his finger in the second

inning, came through with a timely single.

Bees Sting Pirates 4-1
At Pittsburgh, Jim Chaplin pitched Boston Bees to their fifth straight victory, allowing Pittsburgh only six hits as the Bees won 4-1.

Bill Switt, first of three Pirate hurlers, gave up two runs in the fourth. The Bees added two more in the eighth, chasing Swift in favor of Jim Weaver.

Reds Down Phillies
Cincinnati Reds playing at home, were blanked for four innings, then bunched hits in the two succeeding frames to score a 6-4 victory over Philadelphia and make it two out of three for the series.

Frey distributed eight hits in seven innings, while Peaches Davis, doing his first relief duty since joining the Reds, permitted only one.

Superiors softball team took a hard-fought 11-7 victory from the luckless Shamrocks at the Park Diamond last night in a City League encounter. Leading 6-5 entering the sixth frame the Shamrocks once more saw an early lead slip from their grasp when the Superiors batted across four runs before being retired. Continuing their rally the winners scored twice more in the next frame to account for their total while holding the losers to one run in their final five times at bat.

Vic Williams provided the fielding highlight of the encounter when he made a spectacular one-handed stab of Rockwell's line drive for the third out with two Shamrock players on the paths.

Two homers were hit during the game—Phillips of the losers and Jay of the winners knocking out the round trippers. Rockwell and Rice were the moundsmen.

Nels Whitlock umpired in his usual efficient manner.

Lineups:
Superiors—Rice, p.; Jay, c.; Mahan, i.f.; Ernie, 2b.; Williams, ss.; E. Diamond, cf.; Weeks, cf.; Warren, 3b.
Shamrocks—Phillips, 2b.; Birt-

whistle, 1f.; McKenzie, 1b.; Cudmore, 3b.; Rockwell, p.; McNeill, r.f.; Somerville, c.f.; D. Diamond, c.; Campbell, ss.
Score by innings:
Shamrocks 121 200 100—7
Superiors 032 074 200—11

Mar. Boxers Fail To Break Even
MONTREAL, July 13—(CP)—Fighters from the Maritimes failed to break even tonight in Olympic tryouts, losing three bouts and winning two as the trials for places on Canada's Olympic boxing team got underway.

A Nova Scotian trio who fought tonight lost two and won one.

Two Saint John scrappers got through with a win and a loss.

Min Holm, New Waterford welterweight, was the sole Bluecross to win his bout. Khattar, Khattar, 118-pounder from Sydney, and Gus Vandenburg, 147, of Joggins, N. S., lost their fights.

After outboxing Gordon Schmalz of Kitchener, Ont., for two rounds, Vandenburg faded badly and lost the decision. Schmalz had him groggy in the third and final round.

Gerald Parren of Saint John, won his flyweight fight, but his fellow townsman, Adam Dupuis, was outpointed in his match.

Starting the two days and nights of endurance driving at 7:29 a.m. P.M.T. yesterday, Eyston hoped to survive tonight's test and surpass the 48-hour record tomorrow shortly after dawn.
