Thanks to the curiosity of someone on campus, we received a taste of days gone by at CIMN. The author of this letter in question (A Resident Student) is hopefully not a reflection of the residents of today.

We at CIMN take great pride in our work. If you are listening sometimes and hear the dreaded sound of nothing at all (dead air), please remember that the first few weeks of broadcast at CIMN entail the training of new recruits. They are just beginning to work out the few minor

problems and phobias they had during the sometimes nightmarish "First Show".

I guess what I'm trying to say is that we are here for you. We are students playing music for students. If anyone has any grievances, please let us know. If you are pleased with our performance, tell us. WE LOVE THE FLATTERY.

Thank You,
Doris Murphy
Station Manager, CIMN
P.S. I can guarantee that "the same damn tape" is not being played. We only play records.

Backstage ... with Holly Good

Welcome once again to Backstage. This week, I want to focus in on our next performers on campus, as well as some Maritime happenings you should be aware of.

On Thursday, October 2nd, UPEI Student Union welcomes "The Web" back for another incredible Main Event. "The Web" has performed here for the last two years to sold out and enthusiastic crowds. Anyone who has seen them will tell you that this is not a band to miss. Their growing popularity has made them one of the hottest attractions on the University circuit this year.

Long overdue for recording, this summer the band took a break from their hectic touring schedule to do some serious writing and rehearsing for their first E.P. You should be able to give it a listen a little later on this fall. Knowing "The Web" it will be spectacular and should put them on the way to national recognition.

"The Web" is fronted by "he two gorgeous and multi-talented ladies, Holly Davidson and Kris Abbott. The interaction of play and good feelings between these two ladies is unique and contagious. Their main man, John Radul presides on keyboards, leads the band and represents this group's instrumental distinction and musical sophistication. Their repertoire includes cover material of "Simple Minds", "Mr. Mister", "Tears for Fears", and "The Smiths" to name a few. It's a night you won't want to miss. So be there Thursday, October 2nd. Tickets go on sale at the Student Union Office (at the Barn) on Friday, September 26th.

Also on October 2nd, Yuk Yuks Comedy Cabaret holds its Grand Opening in Halifax. The guest list for the evening includes VIP's from the University and Club circuits in the Maritimes, as well as Who's Who in the music scene. I will be there to catch "Mark Bristol

and Larry Horowitz" in the act and to check out some comic relief for later this year. It should be an incredible evening.

A better late than never STANDING OVATION for Charley Hennison and the Prince Edward CP Convention Centre. On Thursday, Sept. 18th they put on an incredible fundraiser for Rick Hansen and his "Man in Motion Tour" for spinal cord research. Over 700 people were entertained by the fabulous "Screaming Trees" and all proceeds went to Rick Hansen. Even the staff working for the evening donated their wages to the cause. Charley Hennison deserves special congratulations for organizing the whole event and raising much needed money for such a worthy cause.

Well, that's about it for this week. Next week tune in for the goods on "Mike Woods" who will be performing in the Panther Lounge, Thursday, October 16th and what's up for Fall Fest (Oct. 27-Nov. 1). Catch you on the flippers!
