More Blood Donors Are Needed At Borden Clinic

Prince Edward Island's week of Red Cross Blood Donor Clinics got off to a good start at Borden last night when 55 residents of Borden, Albany, Cape Traverse, Carleton, North Tryon and Kinkora registered. Last night's clinic was held especially for those working on the ferry who would otherwise not have been able to attend. At least 45 more donors will be required when the clinic continues this morning between 10 and 12 noon in order to make up Borden's quota of 100. It is hoped that this objective may be exceeded.

Through the kindness of the School Board this clinic was again held in the school with its splendid facilities. Arrangements for the clinic were made by the Borden Women's Institute which also provided helpers for the team and refreshments for the donors. The Carleton W. L. also assisted with the latter. Members of the Borden Boy Scouts lent a hand as did several other young men of the town who helped in many ways.

The Mobile Blood Donor Team from Halifax, N. S. which arrived in Borden at 5:30 last evening will go on for another clinic at Tignish this evening at the completion of the Borden clinic at noon today.

Let's Talk It Over

by "d"

So now they're raising objections to the triumphant song of the motor horns that signal another happy couple have taken vows to love, honor, and oh, boy! The delirium natural to such a happy occasion attempts to find an outlet through the jubilant, though sometimes raucous, blast of the car horn, and some killjoy objects. What if someone, the happy groom himself with his blushing bride beside him goes down our main street "blowing his own horn"? Would you take away from him this privilege, when it may be the last time he will have of exercising it?

Nobody objects to the commercial wall of the fellow with the loud speaker when he goes down main street telling us that neckties or handkerchiefs are selling at half price. Then why object to newlyweds? When we see those highly decorated cars go by with their happy people and exulting horns, we get a brief feeling of happiness, and involuntarily exclaim "God bless them!" resolutely keeping in the background of our thoughts the other natural ejaculation: "Heaven help them!"

If the police decide to stop this practice, they may precipitate themselves into a delicate situation. What, if the groom in his exultation, which ebbs out even the strongest arm of the law, refuses to stop "blowing his horn"? And what if his bride supports and defends him? Brides have been known to support and defend their husbands, you know — for the first couple of months, anyway. It's your move now, Mr. Policeman. Surely you can't ask those happy people to spend the first night of their honeymoon in jail! In the annals of history, Bluebeard would be Little Boy Blue compared to you if you did that. And if you did, you'd have to keep doing it. After a while, we can imagine the jailer saying to a cop: "Don't put that drunk in there. That's the bridal suite."

Objecting to newly weds blowing motor horns! The idea! Soon some fuddy duddy will ask the police to have Santa Claus make less noise with those confounded bells as he prepares to go down the chimney!

L. series game in Saint John and the matter was brought up Saturday afternoon by Jimmy MacDonaldd of Halifax. The League still holds the \$1,000 bond which the Beavers put up last year and they will deduct the amount owed to Halifax from the bond unless the Halifax debt is paid off.

Quebec Slater, President of the Quebec League, in a letter to Judge Hudson, expressed a fear that it would be difficult to enforce a salary limit. He stated that a salary ceiling had been tried in the Quebec League and that it had been abandoned because there were too many ways in which the matter could be overcome. He divulged that all Clubs in last year's Q. S. H. L. would be ready to operate again and that each one was required to post a bond of \$10,000 to make certain that they finished the league.

With regard to the questions of referees it is interesting to note that Clarence Campbell in a letter to Judge Hudson, stated there were only two men (exclusive of the N. H. L.) in Canada last year who showed enough promise for the N. H. L. officials to take an interest in them. He deplored the fact that there was such a shortage of capable referees and that he was unable to recommend one man for the position of refereeing in the M. M. H. L.

When the Junior Abbies move into Summerside Wednesday afternoon they will be faced with the toughest proposition they have met this season. Down one game in the Island League final as the result of yesterday's 11-3 defeat at the hands of the Curran and Briggs baseballers the Abbies must win in order to stay in the running and to do it they must beat their former team-mate Benny Carson.

Yesterday's game, which was witnessed by the largest crowd of the year, was not one of the most crowd pleasing. The Abbies infield, weakened by the use of "Duck" MacLeod on the pitchers mound and Cliff Ready with an injured hand on first base, was not up to par. Cliff, who was not supposed to play, did so with his fingers strapped and most of his catching efforts around the first sack caused him considerable pain.

The game, too had its good features. That perfectly executed double play by the Curran and Briggs twin killing combination Whalen, Coke Grady and Cannon provided the crowd with a thrill as the boys reeled through it in lightning-like fashion. In our mind Grady was the best man on the field. He turned in a terrific game at short and his triple in the third inning sent the Abbies on the road to defeat.

Brian Lewis' home run over the right field fence was the first legal round tripper on a ball hit out of the park this season. Two other homers were scored as the result of the ball bouncing over the fence one Sunday afternoon when the Junior Abbies and Lewis' hit the long ball yesterday following an argument with the umpire over a called strike. This is the second time this has happened. The last time following a vicious debate he hit a triple.

The rocky island of Lamday at the entrance to the Bristol Channel is a sanctuary for many types of sea birds.

St. Paul's Church, Summerside, was the scene of one of the prettiest weddings of the season on Saturday morning at 8 o'clock when Joan Catherine, daughter of Lieut.-Col. J. A. MacPhee, M.D., E.D., and Mrs. MacPhee, and Robert John Baxter, son of Mr. and Mrs. Allen Baxter of Ottawa, were united in holy matrimony by Msgr. G. J. MacLellan. The groom's brother, Master Dennis, served at the altar.

The church was attractively decorated with summer flowers. The wedding music was under the direction of P-O Joe Foote, who accompanied Mrs. Roy Ahearn as she sang "Ave Marie" during the signing of the register.

The bride was given in marriage by her father and attended by her sister, Miss Dorothy MacPhee as maid of honor and by her twin sister, Miss Janet MacPhee, and Miss Zita Siliphant, as bridesmaids.

Baxter-MacPhee Wedding

The bride was lovely in her wedding gown designed by Mariagodin, a captivating wedding dress of hand-clipped chantilly lace over nylon net and colama satin. The lace redingote with long sleeves fitted snugly through the bodice curves and slightly over the bouffant net skirt.

The neekline was of Elizabethan period design, and dozens of tiny lace covered buttons fastened the redingote down the front.

Her shoulder-length veil of tulle illusion fell gracefully from a seed pearl tiara and she carried a cascade bouquet of Pink Delight roses and stephanotis. Her only ornament was a gold wrist watch, a gift of the groom.

The maid of honor was attired in a Nile green strapless lace bodice with bouffant nylon net over taffeta skirt and cape of lace. The bridesmaids were similarly gowned in orchid and lemon yellow respectively. Each wore a matching picture hat and mitts and carried a nosegay of mixed flowers and variegated ribbon.

Mrs. MacPhee chose for her daughter's wedding a gown of rose-wood triple sheer and lace over taffeta with black accessories and the groom's mother was attired in dusty rose triple sheer over taffeta with black accessories. Each wore a corsage of Johanna Hill roses.

Following the ceremony a reception for seventy-five guests was held at Mulberry Lodge where the bride's table with its artistic arrangement of white sweet peas and tapers was centred with a three tier wedding cake topped with a miniature bride and groom which had been used at the wedding of the bride's mother.

F.L.T. J. P. E. O'Hanley proposed the toast to the bride to which the groom responded.

The bride and groom prior to their leaving on the noon plane for Montreal to board the S.S. Richelieu for the Saguenay cruise, were greeted at the airport by many friends who gathered to wish them "bon voyage". For travelling the bride donned a suit of powder blue linen with black accessories and a corsage of Tallman roses.

They will reside in Goose Bay, Labrador, where the groom is a flying officer with the R. C. A. F.

The bride previous to her marriage did secretarial work at the local airport.

Among the out-of-town guests were Mr. and Mrs. Allen Baxter and Master Dennis of Ottawa; Mr. Barry Carson of Montreal; Mr. and Mrs. J. O. Hornby of Charlottetown; Miss Dorothy MacPhee of Toronto; Miss Helen MacPhee, R. N., of Montreal.

chores in the seventh and in the eighth the Abbies "Ace", Donnie MacLean came on to finish the game.

Coke Grady, well built Summerside shortstop to victory. The Curran and Briggs team played in addition to his triple, Grady knocked out a single in the seventh. He played perfect ball in the field, making fine chances flawlessly, as well as pivoting one of the finest double plays seen here for some time.

The second game of the series will be played in Summerside Wednesday afternoon with Benny Carson and Donnie MacLean opposing one another on the mound. The third game if necessary will be played in Summerside Friday.

For two innings yesterday, it was a battle between the Abbies and MacLeod but in the third the Summerside players went ahead to stay. Maurice Cannon, efficient Summerside first sacker officiated second with a walk and went to the inning as the Abbies infield errant on a double play ball.

Grant Grady reached first on an error to fill the sacks and when Johnny Whalen walked Cannon trotted home with the opening run. The next batter, Grant Grady, walloped the first pitch into deep centerfield to unload the bases and give the Curranites a 4-0 lead. Grady then came home on an infield fly to put the visitors five counters ahead.

The winners added two more runs in the fourth and four in the seventh to account for their seven runs. The Abbies scored twice in the last of the seventh and once in the ninth.

At the end of the sixth it appeared that Simmons was on his way to a shut-out victory. Brian Lewis changed that in the seventh as he opened the inning with a single, stole second and came home on the Forbes. Kennedy's fielders chose. Kennedy later scored on a wild pitch.

Lewis blasted a Simmons pitch over the right field fence for a round-tripper to lead-off the ninth to account for the Abbies final run. Simmons struck out seven men, including the last batter Jackie Burke. He gave up four walks, two of them in the sixth inning when he loaded the bases. He was also in trouble in the first as he got out two batters singled but he got out of the hole by forcing both players at third. "Duck" MacLeod fanned four batters and walked three in his three inning stint. Squarebriggs, Ian Kennedy and MacLean each struck out two men.

Abbie catcher Forbie Kennedy led all batters with three hits in four official trips to the plate. He reached first base five times, scored one run and drove in another. Brian Lewis came up with two hits for the Abbies. Coke Grady with two hits was the leading Curran and Briggs batter.

Highlighting the fielding plays was the Whelan to Coke Grady to Cannon in the fourth inning. Donnie MacLean and Charlie Kennedy also executed a neat twin killing to retire the Summerside batters in the ninth.

Jackie Burke, Abbies left fielder made two nice catches in the outfield, one of them being made after a long run.

\$1,000 this season clubs will pay \$200 for League expenses. This money must be paid to the league by August 31.

The refereeing question was debated at length by M. A. H. A. President Walter Lawlor and Judge Hudson as the M. A. H. A. prexy urged the use of Maritime referees while Judge Hudson advocated the use of the best referees possible along with Maritime linemen.

The Hockey News for referees while advertising in the Maritime papers for linemen. In addition each club will submit the names of men whom they consider capable of acting as linemen from their own centres.

The next meeting of the Maritime Major Hockey League was set for Glace Bay on Sunday, September 14 at 2:30.

The schedule question was discussed but in view of the fact that Moncton and Saint John dropped out of the league the matter was deferred until the next meeting. Secretary-treasurer Chris MacAlden had a prepared seven-team schedule at the meeting.

ets, stressed that they were not dissociating themselves entirely from the league but only "getting their second wind."

A telegram from Ollie Stevenson, Saint John rink manager, stated that Saint John was not interested in a major league hockey but would like to revert to Allan Cup competition. Moncton is probably interested in joining them in a four team Maritime league.

The amateur players with both the Hawks and Beavers automatically became free agents with the decision of the clubs not to operate in major competition.

Dr. F. C. Dougan, Islanders Club President, urged the meeting to pass a resolution to this effect but the majority of those present felt that it was not within the power of the M. M. H. L. to do so.

The ruling on the status of the major club players was given by George Dudley, Secretary-manager of the C. A. H. L. in a letter to league president Judge J. Elliott Hudson of Halifax.

Saturday's meeting which was held in the Charlottetown Hotel, was presided over by Judge Hudson and attended by all league officers along with representatives from Charlottetown, Sydney, Glace Bay, Halifax, Moncton and New Glasgow. Walter Lawlor, President of the M. A. H. A. also attended.

Provide Waiver Clause

For the first time in history a waiver clause was inserted in the regulations of a Maritime league. The resolution, moved by Dr. Dougan makes it necessary to place a player on the waiver list before he can be sold to a club outside the league or before he is released without being sold.

The fourth, third and second place clubs in that order have the rights to secure the player for the waiver price of \$250.00. Sydney was against the establishing of a waiver price but was defeated three to one.
