More than Double

The last season's sales of ready-to-wear clothing of our own manufacture. More than double that of any previous year. This is gratifying to us and encouraged us to make greater efforts to meet the demand for clothing of better make than can be had in imported clothing.

We are adding every few days to our stock—Ulsters, Overcoats, Reefers, Suits, etc., made on the premises, of solid workmanship, that cannot fail to give satisfaction, and as cheap as imported clothing of similar quality. Don't fail to see us when you want anything in clothing.

A Wise Answer.
It takes but an ordinary man to return an angry answer to an insult. The extraordinary man is he who, under such circumstances, holds himself so well under control that he controls his adversary also.

Persia once possessed such a man and was clear sighted enough to make him a judge. He was the chief judge of Bagdad in the reign of Caliph Hadee, and his name was Abou Yusuph. He was a very wise man, for he knew his own deficiencies and was actually sometimes in doubt as to whether he possessed sufficient wisdom to give a just decision in cases peculiarly shrouded in mystery.

It is related of him that on one occasion, after patient investigation of facts, he decided that he had not sufficient knowledge to pronounce on the case before him. There was in his presence a pert courtier, one of those men who take long to learn that wisdom and impudence are not closely related.

"Pray, do you expect that the caliph is to pay you for ignorance?" he asked, hoping to place the judge at a disadvantage.

"I do not," was the mild reply. "The caliph pays me—and pays me well—for what I do know. Were he to attempt to pay me for what I do not know the treasures of his empire would not suffice."—Youth's Companion.

Grand Trunk Engineer Swear by Dr. Chase's Kidney Liver Pills

Mr Geo Cummings for over 20 years engineer on Grand Trunk running between Toronto and Alsandale, says:—"The constant duty with my work gave me excessive pains in my back, racking my kidneys. I tried several remedies until I was recommended by my friend, Mr Dave Lonley, to try Dr Chase's Kidney-Liver Pills. Two boxes have completely cured me and I feel today a better man than ever. I recommend them to all my friends."

A Fascinating Stranger.

"A Worcester man," says the Worcester Gazette, "who makes frequent trips to Europe fell in with a fascinating stranger the last time he was across. The stranger, who may be designated as Ferguson because that does not sound at all like his real name, was an American, his manners were those of a gentleman, and he seemed to be well supplied with money and to know a great many people worth knowing. In conversation with the Worcester man one day Ferguson said: 'Worcester is a charming city, and I have some very dear friends there. I presume you know Colonel E. J. Russell? He is an old and highly esteemed friend, to whom I am deeply indebted for many favors.'

"When the Worcester man returned home, he met Colonel Russell one day and in course of conversation remarked that he had met a man in Europe who said that he was an old friend. Colonel Russell thought for a moment, and then he replied: 'Oh, yes, I remember Ferguson very well! I ought to, for he lived with me for seven years once. It was when I was warden of the state prison at Charlestown, and I will say that Ferguson was one of the quietest and best behaved prisoners that I ever had.'"
