Frustration ends men's soccer season, 6 red cards and 4 yellows for Panthers and none for Dal

By Billy McQueen

We can start with the soccer boys for this week's edition of sports briefs. The newspapers from Halifax can say anything they want about our soccer Panthers: frustration just got the better of them in the semis. It's too bad that the best UPEI soccer team in years finished the season with a brawl. One-sided officiating can really hurt a team. "Riddle me this...": how can the Panthers get six red cards and 4 yellows, while the Dal Tigers not get a single infraction called against them? Although I was not at the game, I find it hard to believe that any of the Dal players did not retaliate. I can hear the ref's call on an offence against a Dal player, "If you don't stop that I'm going give you a meal card." On a lighter note, Glenn Miller received AUAA all-star status for his play for the Panthers this year. Congrats Glenn!

The Hockey Panthers spilt games in STU last weekend. The boys lost their first game and won the second game in overtime.

The men's basketball Panthers lost two games in the SFX "Tip-off tournament" last weekend. The women's basketball team had an excellent finish at the Laval invitational tourney, winning the whole thing. Adding to that, Jenn Johnson was the tourney MVP and Eireign Rigby was a tourney all-star.

There are a couple of home games this weekend in volleyball and hockey, so go out and support your Panthers!

Soccer action; men's soccer team ends season in frustration

SPORTS CENTRE NOTICES

*Pick up your Hockey Panther tickets at the Fieldhouse starting Nov. 13th-- free with presentation of student I.D.
