

**St. Anthony's Credit Union
Holds 20th Annual Meeting**

The annual meeting of St. Anthony's Credit Union Limited, was held in the Parish Hall on Tuesday night, October 2nd. A well-attended gathering of members and visitors were present.

The meeting opened with the singing of O Canada. Mr. Gilbert Gaudet, President of the Credit Union presided. The first on the agenda was the roll call, which followed by the minutes of the last annual meeting. The report of the directors was read by the President, Mr. Gilbert Gaudet. Mr. Gaudet welcomed the members to their twentieth annual meeting.

"We have been providing saving and lending service to the community for one fifth of a century. I am sure," said Mr. Gaudet, "that you all agree with me when I say that our community has progressed on the basis of the savings we have accomplished as much as might have but what we have done has been worth while. I regret to report that during the past year death has taken away five of our valued members. To their families and relatives, goes our sincere sympathy. I would ask you now to observe a one-minute silence in remembrance of them."

INSURANCE

"The passing of these members has given us an opportunity to observe one of the fine features of credit union work in action, namely its insurance on loans and shares. During the year dependants of the deceased members have benefited to the extent of nine hundred dollars. I realize that this does not alleviate their sorrow, but it does help them out to some degree. This is one proof that the credit union movement has for its prime object the welfare of each member in time of distress." Mr. Gaudet moved the adoption of his report, seconded by Joseph M. Wodje.

Mr. C. J. Gallant Treasurer, read the financial report, which showed total assets of \$41,274.88. "Being the Twentieth Anniversary," Mr. Gallant gave an outline of what was accomplished. It was in August 1907, that fourteen joined together to form this credit union, the Charter was granted and the credit union opened for business with Mr. William Shields as the first Treasurer. There was progress, but it was slow, the next five years the shares were up to \$2,160.10 with loans \$1,060.11.

"In 1947 ten years later, the shares were \$15,978.39 and loans \$3,818.97 and today ten years later the shares are \$33,618.30 and loans \$3,367.50. What could we accomplish in our community if we had double this amount, we should be determined this coming year to make a special effort to get more members and increase our shares."

EMERGENCIES

"In our credit union we have means of helping each other during those personal emergencies that can hit any of us at any time without warning. Your credit union is a good place to save

**Great Seaman
Ends Career**

SOUTHAMPTON, England (AP)—One of the world's great seamen ended his last voyage today when he brought the world's largest liner, the \$3,000,000 Queen Elizabeth, into port here.

Fuzo headed a farewell to Sir Ivan Thompson, commodore of the Queen Elizabeth and master of the Queen fleet. Thompson is a man the torpedoes always missed. He made scores of voyages through sub-infested waters in two world wars and saw ships go down all about him.

He went to sea at 16-47 years ago. "They didn't nurse people then," he says. "I got all the dirty jobs. I even swept out the sheeps' pen on Sunday mornings."

He joined the Cunard line in 1918 and in 1944 became its commodore.

CHEF BOY-AR-DEE * complete Spaghetti Dinners

QUICK! Everything you need to make a spicy Italian-style Spaghetti Dinner is right in the package, sauce and all. And it takes just minutes to get ready.

There's lots of fine Spaghetti made from choicest quick-cooking Durum wheat (that's the best kind.) And plenty of zippy grated cheese, ready to use, mellowed and egged to the Chef's exacting taste.

CHOICE OF TWO DINNERS

Spaghetti Dinner with Meat Sauce . . . right in the package you'll find double-rich tomato sauce, crowded with tender morsels of prime beef.

Spaghetti Dinner with Mushroom Sauce . . . that same zippy-rich sauce is enlivened with tender brown mushrooms.

Both have that special secret that's strictly Italian—more strictly Chef Boy-Ar-Dee Italian.

Good? Don't ask us—ask your family after the first bite!
