YES, MARITIME BLUE CROSS IS MORE VALUABLE THAN EVER BEFORE! FIRST REASON: Maritime Blue Cross pays hospitals on the basis that when hospital costs of operation go up so do Blue Cross rates of payment to the hospitals. This is only fair to them and to our subscribers who certainly want as broad benefits as possible with the present high standards of services.

YES, MARITIME BLUE CROSS IS MORE VALUABLE THAN EVER BEFORE! OVER 300,000 BELONG to Maritime Blue Cross - Blue Shield. Every ten minutes, around the clock - (the time it takes to read this advertisement) - a Blue Cross subscriber enters a hospital in the Maritimes and Newfoundland and presents his Blue Cross certificate, and goes to bed. There is no red tape - no question of a deposit. If you are not now a member write TODAY for details on how to join, to the Plan headquarters in Moncton, N. B., or to one of the Branch Offices listed below.

FOR THE PAST three years Blue Cross Claims and operating expenses were greater than income from subscribers' membership fees. Too, in 1943, one in 12 was hospitalized, while today we are hospitalizing one in 6. More members, in other words, are enjoying more benefits. To pay last year's 49,065 claims - (a record high figure) - at this year's hospital charges, we will need \$3,875,000 or \$500,000 more than last year.
