Trade Board Seeks Site For Trailer, Camp Area

ALBERTON BUREAU OF THE GUARDIAN

Keen discussion on a number of projects of importance to Western Prince County was carried out at the regular meeting of the Alberton and West Prince Board of Trade at O'Leary last night.

Among items given approval was a request for a survey of O'Leary with the view of having a dial telephone system installed. A second matter of interest was a suitable location for a trailer park and camping site which would be developed by the government if the land is provided.

A farm in the vicinity of the Board of Trade picnic site was suggested and a committee was appointed to investigate and report at the next regular meeting. Committee members are Dr. George Dewar, Ed Turner and Frank Bryan.

The cold storage committee, headed by Harvey Hutt, led off a lively debate as to wether a fish processing plant would be able to obtain a sufficient volume of ground fish.

12 COD NETS

Mr. Hutt advised that 12 cod nets will be used this summer by an Alberton fisherman in an experiment to determine if there is the required volume in the area to make cod fishing profitable.

He also stated that the work at Alberton wharf is expected to be completed in June and, after dredging at the bar, any ship able to dock at Summerside should be able to call at Alberton.

Frank Bryan, chairman of the public affairs committee, brought forward a publicity program in the form of a panel discussion to be held in co operation with the Summerside radio station. The program would include a history of the area and such matters as educational system, tourist accommodation, fisheries, religinous life of the community and other items of interest.

A motion was approved extending congratulations and best wishes to Jack Wright on his appointment to attend the Atlantic Congress in London marking the 10th anniversary of NATO.

Errol Stetson, Claude Jelley and Upton Seaman were appointed to investigate the possibility of improving the parking situation in O'Leary.

PURPOSE OF BOARD

A provocative and stimulating address was delivered by William Reddin on the subject "What is the Board of Trade and what is its program?"

A number of ways in which a Board of Trade helps small districts were dealt with by the speaker in a most interesting and imaginative manner. A vote of thanks was extended the speaker by the president Earle Atkinson.

The secretary-treasurer, C.R. Leard is to attend a meeting in Moncton of the Maritime Provinces Board of Trade.

Members were also invited to attend a Board of Trade sponsored seminar in Summerside next week.

Prior to the business meeting trophies were presented to Tignish and O'Leary minor hockey teams by the vice-president J.W. Coughlan. The Midget Juvenile Thophy was won by Tignish and accepted by team captian John McInnis.

The O'Leary Bantam trophy was accepted by Forrest Dumville. A vote of thanks was extended to all who assisted with the minor hockey program. Chairman is Ralph Gaudet.

Housing Work Nears Finish

SUMMERSIDE — Work is progressing favorably on all fronts of the 24-unit housing development at the Hillcrest site and work is expected to be completed by the end of May, the date set fo its completion.

The appearance of spring mud is the only problem facing workmen. This has interfered with the laying of water and sewerage lines. This work, started before the fall freezeup, will be completed when the ground hardens.

Young People Hold Service

The New London young people of the Presbyterian Church held a service in St. John's Church Sunday evening.

Wendel Murray was in charge and opened the service with the call to worship. The Scripture was read by Anne MacLeod and prayer was given by Mable Montgomery. Jean MacKay was heard in a solo.

The offering was presented by Dean MacEwen and David MacKay and dedicated by Carol Anne MacKay. Linda Bernard and Isabel Cambpbell sang a duet. Ruth MacEwen and David Morrison each gave a message on Easter.

The choir sang three selections and was assisted by other young people of the congregation.

Little Loot Is Reported

SUMMERSIDE — Two Summerside business firms were broken into during the past few days, but the thieves got little for their efforts.

A break Tuesday night at James MacLean's Service Station netted the thieves two new car batteries. But these were later recovered on the harbour ice, apparently dropped after they became to heavy burden for the burglars.

Morrison Bros. beverage plant, was broken into on three consecutive nights, but nothing was taken except possibly a few bottles of pop.

Entry in all cases was made by breaking windows in the rear of the buildings.

Parish Council Holds Meeting

ALBERTON — The regular meeting of the Sacred Heart Parish Council was held at the home of Mrs. Everett Shea on Monday. Mrs. Joseph Callaghan, president, presided and opened the meeting with the league prayer.

Members reported 40 visits made to sick and shut ins since last meeting. It was decided to send a box of used clothing to the Prince County Welfare in Summerside.

A nominating committee was appointed to bring in a slate of officers for the annual meeting. Members of the committee are Mrs. Everett Shea, Mrs. Leona Smith and Mrs. Alton O'Brien.
