Inventor Of Soccer Pool Dies

BROOKLEY, Eng., (AP)—The man who made millions—for other people—died Saturday.
John Jervis Bernard, inventor of the soccer pool betting system, died in this tiny Cotswold village all but forgotten. Bernard worked out the mail coupon system in Birmingham in 1921 after he was discharged from the Coldstream Guards.
For months he failed to take in enough money from English bettors to pay the mail bill, but Bernard never lost faith in his system. In 1939 he sold his interest to a large bookmaking company and retired through ill health.
The pool company grew. Now, almost weekly, lucky bettors hit tax-free huge jackpots up to £75,000.

S' side High Notes

At last the weather has favoured skating. Thursday, January 14, the Raceway Stadium was opened to skaters. Because of Mayor Wedge's being injured, the formal ceremony has been deferred. However, we are all thankful for having such a big sheet of good ice and many ice sports have been planned. Four hockey teams will be formed as a minor league for boys under sixteen. Both boys' and girls' teams are being contemplated and volunteers have been requested for the purpose of teaching younger children to skate.
About twelve will be needed, half of each sex. Every Saturday morning, the Summerside Athletic Association will supervise a free skating period from 9-10 o'clock for children under nine, only. The ice sports will be held in February. We expect to have a hockey game with Prince Street, and incidentally basketball matches with them here in Summerside.
Bowling will continue until the latter part of April when play-offs will begin. This week, Elizabeth Nicholson had high single of 211 and high three with 543. Paul Schurman also led in both instances with 307 and 623, while White Star Laundry was best team with 2818.
The contest for posters is on the contest slated to terminate December 4th has been postponed until February 4th. The subjects are: "Safety and accident prevention" and "benefits of first aid". Posters must be no smaller than "8 x 11" and no larger than "18 x 24", and may be in color or in black and white. There are three groupings, grades 7 and 8, 9, 10, and 11, 12. With a prize given for best in each group providing the posters are entered in the group.
No assembly program has been held since Christmas none will be held next Friday. On Friday, January 15, an individual photograph of each student was taken by Read Studio.

Drifts Block Many Roads in S' side Area

Highways were again blocked yesterday as swirling winds and drifting snow brought motor traffic to a standstill in many sections.
According to the meteorological office at R. C. A. F. Station, Summerside, almost 5 inches of snow fell during yesterday's storm. Winds last evening were 32 miles per hour with gusts to 40, and the temperature was falling steadily and expected to reach 5 below zero.
Snow stopped falling about 9:30 last evening and skies were clear again by midnight.
Highways were filling in as fast as plows could open them, and work was discontinued last evening until this morning when plows will make a new start on main highways.
Last evening plows were sent from Summerside to clear the way for two bus loads of people stuck in snow in the vicinity of Ross Corner. One of these was the 4 o'clock bus out of Charlottetown, and the other had left Summerside at 6 o'clock for Charlottetown via Bonshaw.
Motorists in distress in the Travellers Rest-New Annan area were also rescued from snow drifts by Summerside snow plows. This morning 12 plows will be at work in the county.—S.

Expect Roads To Be Blocked

A steady drift of light snow which fell all day Sunday was expected to block all roads in West Prince by nightfall. Strong gusty wind in the afternoon and evening whirled the snow in all directions making travelling on foot very unpleasant and quickly filled in high cuttings made by the snow plows in clearing roads after last Tuesday's severe storm.
A number of drivers who were forced to leave their autos in banks of snow on the road between Alberton and O'Leary reported the vehicles were quickly drifted over and expressed fears that they would be damaged by snow plows. As far as could be learned no plows were out yesterday and were not expected to start clearing the highways until the wind subsided.

IN MEMORIAM

MRS. CAMERON ROBERTSON
There passed peacefully away at her home at Birch Hill on Dec. 26, Mrs. Cameron Robertson, formerly Elizabeth MacDougall of Bangor, in her 75th year. Although in failing health for some time her passing came as a shock to her family and friends. She was a member of the Church of Scotland to which she was loyally devoted, and during her illness was frequently visited by her pastor Rev. J. H. Bishop. Her sterling qualities and cheery disposition was a source of joy and inspiration to those who knew her. She leaves to cherish the memory of a kind and loving mother six daughters and three sons: Winnifred (Mrs. Roy Hermann) Pownall; Islay (Mrs. Albert Bruce) Pownall; Marion (Mrs. Arnold Bruce) Mc Mellick; Lillian (Mrs. Winston Jenkins) Cross Roads; Evelyn (Mrs. Charlie MacKinnon) Toronto; Edna at home, who tenderly cared for her mother during her illness; Edmund, Birch Hill; Elliott, Charlottetown; Harold, Millville; also six sisters and four brothers, Mrs. Margaret MacDonald, Mrs. Herbert Panton, Mrs. Victor Boyce, Mrs. Caleb Nicholson, all of Cambridge, Mass.; Mrs. James MacQuarrie, Conn.; Mrs. Edlison Smith, Pownall; William and Charles of Falmouth, Mass.; Campbell, Bristol, Conn., Charlottetown; one sister and three brothers predeceased her. Fourteen grandchildren are left to mourn the loss of a kind and loving grandmother.
Within their lives she filled so great a place,
It does not seem that they can now go on—
Without her tender love, her smile's warm grace,
Her courage rising to each busy morn.
She was devoted to her loved ones every hour,
And never spared herself through task filled days;
Unselfishness was her most generous dowry;
As she walked down life's well worn service ways.
Her many sons and daughters knew her worth,
And mourn her passing with a grief profound;
Remembering her devotion since their birth,
As "queen of mothers" they would have her crowned.
A mother so loved never really dies,
Her spirit blesses them from heavenly skies.

The funeral services at the home and grave were conducted by Rev. E. S. Hales of Wood Islands, assisted by Rev. George Tilley. Burial took place at Birch Hill cemetery beside her husband who predeceased her 12 years ago.
