

## Michigan State And UCLA To Play Rose Bowl Classic

By WILL GRIMSLEY  
NEW YORK (AP) — Michigan State and UCLA, third and fifth respectively in the National Football League rankings, have another Rose Bowl rendezvous scheduled Jan. 2 at Pasadena, Calif.

Michigan State, which won a wild battle from UCLA there two years ago 28-20, was formally named as the Big Ten representative Sunday. UCLA's selection was a matter of routine.

The UCLA Bruins, beaten only by Maryland this year, clinched their third straight Pacific Coast Conference championship and the Bowl spot by humbling Southern California 17-7 Saturday.

Michigan State took the side door, gaining the Big Ten bid when Ohio State, repeating as conference titleholder and ineligible for the Pasadena trip, cut down Michigan in the game which ended in a near brawl 17-0.

### COTTON WANTS NAVY

Texas Christian was chosen for the Cotton Bowl at Dallas after its 35-0 rout of Rice, leaving the Sugar Bowl at New Orleans as the only post-season fixture with a cup-board bare.

Here is how the Bowl picture stacks up:

Rose Bowl—Michigan State (8-1) vs UCLA (9-1).

Orange Bowl—Oklahoma (9-0) vs Maryland (9-0), the two top-ranking teams in the country.

Cotton Bowl—TCU (8-1) vs team to be selected. The Cotton Bowl wants Navy if the latter can beat Army next Saturday. Otherwise, the nod will go to one of the southeastern teams or possibly Pittsburgh.

Sugar Bowl—Mississippi, Georgia Tech and Auburn leading candidates with Vanderbilt, winner of its last six, a dark horse.

OKLAHOMA'S 28TH STRAIGHT  
In addition to the Big Ten, two other major conference titles were decided Saturday. Oklahoma scored its expected victory over Nebraska 41-0 for its 28th straight and 33rd Big Seven engagement without defeat. Going into the fray.

BUENOS AIRES (AP) — The federal judge investigating treason charges against Juan D. Peron said Monday he is going to ask that the deposed Argentine president be extradited from Panama. Don doesn't know it yet, but he's going to walk out with the job.

Employers sizing up a youthful applicant are quick to spot signs of initiative and self-reliance. One test is whether he has his own bank account. Don has. He's earned pocket-money ever since he was a kid, and saved a fair part of it, too... facts that won't be lost on the man who's going to interview him.

Is there someone in your family — a ten-year-old, a teen-ager — ready to open a bank account of his own? He'll be more than welcome, any time, at any Royal Bank branch.
