Lots and lots of thanks

Dear Editor,

As Co-Chairpersons of Winter Carnival, we would like to take this opportunity to thank all those people who helped make Flake Out '81 the great success it was. A lot of hard work and time was spent in making Carnival a good time for everyone. We would like to say a special thanks to the following people, without your help Flake Out '81 couldn't have been possible:

Peter Wilson, Patti Bradley, President Meincke, Suzanne DeJong, all the people who participated in Campus Cabaret, Debbie Dinelle, Chris MacKinnon, Ron Collins, the people from Audio Visual who helped with the Dating Game, CIMN, the girls who worked the doors for all the events. By the way, the medical insurance does not cover frost bite), Greg Sonier and his co-host for running the midnite movie Joanne Baglolle, Ivan MacArthur, the engineers for their snow sculpture, Patrick Kelly, Gary Fisher, Anne Knox, all the girls

who helped with Kloset Queen and the beauties who strutted their stuff at the Kloset Queen Contest, Catherine Wilson, Mickey Place, Sandra MacKinnon, Valerie MacKinnon, Judy Wolfe, Sandra Warren, Mary Driscoll, Sharon MacDonald, Anne MacEwen, David Brown, Ron St. Onge, Joanne Peters, Jim Revell, Phyllis Norring, Sue Bulger, Jackie Doran, Vicki Johnson, Frank Ledwell, Marion Basha, Vince Mulligan, Bruce Hickey (and his car) bartenders, Campus Police Force, Sun Staff, Clean-Up crew and The Pink Panther.

If we missed anyone, we're very sorry. You're help was greatly appreciated.

We would also like to send a special thanks out to Philip, Sue, John and Neil. Your help and cooperation was appreciated.

Finally, we'd like to thank everyone who participated in Flake Out '81. It was you that got involved and showed that apathy is dead here at UPEI. So here's to Flake Out '81, and the good times. May they be long remembered.

Contest Uses of Scrip Money

Dear Editor,

Why is it not possible to use only normal money for food at the cafeteria, and then also for films, pubs, ski trips, etc.?

If scrip money is legal tender at UPEI then give us students a decent break and allow us to use it for various other activities.

As it now stands we all have fifty dollars worth or more of unused scrip money, so why can't we get all our money's worth of it throughout the year?

Make a choice, either one or the other, pro scrip or con scrip, because we students are being side-winded and undermined, no matter which way we turn. Either we can't

see a film or go to a dance because they expect good money and then we can't do various other activities because they're taking scrip money for real money. We students have got to take a stand for your lives because the manager of the administration for finances is confused, and might just as well see some of us screwed. One fellow happens to have lost his life to this God forsaken institution! Speak out now or forever hold your peace because the worst is yet to come. You'll only have yourself to blame! I'm just sorry my hands ever touched that stuff. Here's a petition! Sign those in favour of good clean money!

Brown's New Deal

To the Editor:

This is an open invitation to the so-deemed "King" of campus, otherwise known as "King Kluk" of the Egg Marketing Board.

Last year, students were presented with the illustrious Mr. Brown's New Deal. This New Deal is not to be compared with FDR's, but could vaguely be correlated with WACy Bennett's relief (not spelled R-O-L-A-I-D-S) from Bennett buggies, and other illustrious economic woes.

The New Deal was a cute idea, but what of it? Where is it? Who has done anything

about it? And most urgently, who gives a damn? (Fill in any expletives desired - that's cuss words for all you non artsie craftsies.)

Well, Mr. Brown, what are you going to do about it? Please grace us with your profound excuses or alibis. We would truly be humbled by some (if any) response.

Truly yours,
An adamant admirer
