

Fact and opinion

By Ryan Miller

FACT: Michael Jordan makes more money from Nike in a year than all of the Nike factory workers in Malaysia combined.

OPINION: Someone needs to teach those kids to play ball.

FACT: The average person falls asleep in seven minutes.

OPINION: I'm going to assume it takes the average person six minutes to masturbate.

FACT: There are more telephones than people in Washington, DC.

OPINION: Free speech works easy when there's no one to listen.

FACT: Alexander Graham Bell, inventor of the telephone, never called his mother or wife as they were both deaf.

OPINION: Only a true genius could invent a machine that would make it impossible for his own mother to call.

FACT: If the entire population of China were to walk by you in a straight line, the line would never end due to the rate of reproduction.

OPINION: It might never end, but it sure would be fun to watch.

FACT: "Billie Jean" by Michael Jackson was the first video to air on MTV by a black artist.

OPINION: Not anymore.

FACT: 85 per cent of men who die of heart attacks during intercourse are found to have been cheating on their wives.

OPINION: Don't get married if you're going to cheat.

FACT: It is physically impossible to lick your elbow.

OPINION: You are an idiot for trying to lick your elbow. I just told you it was impossible.

FACT: 23 per cent of photocopier breakdowns are caused by people trying to photocopy images of their buttocks or genitals.

OPINION: What a nightmare it must be to work in the photocopy department at Staples.

FACT: Studies show that people who smoke at the time of conception have a better chance at giving birth to a girl than those who don't.

OPINION: If you really want a girl, you can smoke when you conceive, but don't plan on kissing during sex.

FACT: OJ Simpson was originally considered to play the Terminator in the first film, but producers instead chose Arnold Schwarzenegger as they thought the former Pro-Bowler wouldn't be

taken seriously.

OPINION: They'd cast him now. Murder suspects are generally taken more seriously than football players.

FACT: The king of hearts is the only king in a deck of cards without a moustache.

OPINION: Can't grow facial hair? King of hearts? Draw your own conclusion.

Wrong Answer?

Wow midterms suck. I mean how much can you actually learn in a month. Especially if you just got your books because that book money was spent not in but next to the bookstore. Anyways, if you are heading to the academic probation club here's a quiz you can't fail, and if you get to the APC before me save me a seat.

1. It took so long to print the first "Cadre" because...
 - a. AA meetings have been tougher and longer than expected
