

Address to George Macleod, Esq.

A WELL-DERIVED address was presented this morning to George Macleod, Esquire, by His Worship the Mayor on behalf of the citizens. The presentation took place in the Legislative Library, in the presence of the Lieut.-Governor and a numerous company of ladies and gentlemen. We publish the address and reply. The compliment paid Mr. Macleod is one which he has fairly earned. The Union Bank of this Province owed its safety to his assiduous ability; and his strict business habits had much to do with steadying the trading and commercial interests of the Province at times of inflation and depression, when a firm, cool hand was much needed. In his larger sphere of usefulness, in Halifax, we wish him the fullest measure of success, assured that his promotion though, to our loss, will be a gain to the business interests of his new home.

CHARLOTTETOWN, Prince Edward Island.

To GEORGE MACLEOD, Esq., Manager Bank of Nova Scotia, Charlottetown.

Sir,—Your many friends in Charlottetown cannot afford you to leave this Island without expressing their sincere regret at your departure.

During your residence of thirteen years in this city you have gained the warm esteem of its citizens, not only because of your unwavering integrity and business capacity, but also by reason of your many social qualities. As the Manager of one of the largest Banking institutions in the Province you have had an onerous position to fill, and we bear willing testimony to your diligent and efficient discharge of its manifold duties, believing that at all times, while carefully guarding the interests of your principles, you strove to assist and advance every legitimate commercial enterprise.

We beg to wish you and Mrs. Macleod much prosperity and many warm friends in your new home.

- A A Macdonald, Lieut. Governor, Edward Palmer, Chief Justice, W W Sullivan, Attorney-General, T H Haviland, Mayor of Charlottetown, John Ings, D Montgomery, Supt Education, D Farquharson, MPP, Weeks & Beer, Neil McLeod, MPP, P Blake, MPP, Alex McKinnon, T A McLean, A B Warburton, Fenton T Newbery, James Paton & Co, Richard Heartz, F L Hazard & Co, A L Brown, W E Dawson, J R Unsworth, Supt P E I B, James DesBrisay, Charles Palmer, Q C, Thos W Dodd, M L C, L C Owen, Benjamin Rogers,

Mr. Macleod replied as follows:—

MR. MAYOR, LADIES AND GENTLEMEN,—I thank you most heartily for your kind expressions of regard. When I consider that over thirteen years ago I arrived in Charlottetown an entire stranger among you, I cannot but feel that it was my good fortune to cast my lot among a people whose generous treatment ever since has made it impossible for me now to leave without feelings of sincere regret.

While in the prosecution of my duties I have ever endeavored to bear in mind the old maxim "that favor and benevolence are not the attributes of good banking, but the strict justice and the rigid performance of contracts are its proper foundation"; and while not unmindful that during my stay here there have been periods of more than usual financial disturbance and disaster, I feel that it is a matter of more than ordinary gratification and pride to bear away with me the esteem and good wishes of so many of your leading citizens.

While I feel bound to you by many pleasant years of business relations, and by many close friendships formed, I cannot forget that it was among you that I found my own better half, and that your Island was the birthplace of my little ones, and I can truly say that the memory of the years passed with you will be among the most cherished recollections of my life.

It is pleasing, however, to know that my removal is not to a great distance, and I look forward to not infrequently renewing our friendly relations in visits to and fro.

Permit me again, Mr. Mayor, to thank you most cordially on behalf of Mrs. Macleod and myself for this kindly expression of your good wishes, and to assure you that we shall ever continue to take a lively interest in everything that concerns the welfare of your city and Province.

The Weber Concert.

It was pleasing to see such a large audience in the Y. M. C. A. Hall last night to hear the Weber Quartette Company's Concert, and pleasing to know that they can and do appreciate good music. The different items on the programme were enthusiastically received and applauded to the echo. The Quartette in "Lead, kindly Light," sang beautifully, the blending and harmony of their voices being wonderful. Indeed all the pieces rendered by them were remarkable in this respect. In "Old King Cole" they fairly convulsed the audience, and were twice encored. Mr. Daggett and Mr. Payne both sang well, the latter's voice being much admired. Mr. Walker's song also was very well sung. Of Miss Hunt's singing we can only say that it was perfect. Criticise if we cannot. The audience was delighted with her. It is a pity to have to announce that instead of being able to help the Public Library, for which purpose the concert was given, the managers will be unable to do anything, owing to the poor attendance on Saturday. However, the company have kindly consented to sing again to-morrow evening, when they are to be assisted by local talent. Many people were again disappointed last night in not hearing a song by the bass singer. Perhaps we shall have that pleasure to-morrow. Let there be a crowded house then, for irrespective of the object in view, the concert is something which no lover of music should miss.

A RARE TREAT.—As expected, everyone attending the concert last night in the Y. M. C. A. Hall was delighted. Let no one miss the opportunity of hearing this famous male Quartet and Miss Clara Hunt. It is a rare treat and you cannot afford to miss it.

ANOTHER lot of the perfect kid polish for ladies' boots, just received. Remember there is a silver-plated spoon in every bottle.—R. K. Jost.

Our Civic Rulers.

A special meeting of the City Council was held last evening, His Worship the Mayor presiding. All the Councillors were present.

Councillor Crabbe introduced a by-law to amend the by-law relating to drunkenness, which was passed, and ordered to be published in THE EXAMINER and Patriot. The by-law increases the fine and term of imprisonment, and makes the latter with or without hard labor.

Councillor McLean introduced a by-law relating to pigs and slaughter houses, which was also passed and ordered to be published. This by-law provides that no pigs shall be kept within the limits of the city (for the present year) from the 1st June to the 1st October, and every succeeding year from the 1st May to the 1st October. For every offence against this by-law a fine of \$5 will be imposed. In reference to slaughter houses, from and after the 1st January, 1889, no slaughter houses shall be permitted to be used within the limits of the city for the slaughtering of animals, provided that the Board of Health may see fit to grant a license to slaughter cattle within the city limits between the 1st December and the 1st April of each year. The penalty for each infraction is \$30 for every day the nuisance is allowed to continue.

The vote on the latter by-law was as follows:

Yeas—McLean, Small, Crabbe, Horne, Davison, McRae.

Nays—Morris, Byrne, Douse and McCarron.

The Government Pond and the drain leading from the jail were then discussed. The Health Officer, who was present, took part in the discussion, reiterating the statements made in his report as to the unhealthy condition of both, and thought it advisable that the Pond should be either properly drained or kept filled with water. In reference to the sewer the clerk was ordered to write the Commissioner of Public Works, asking him to have the matter attended to at once.

Councillor Byrne moved, seconded by Councillor Horne, that \$100 be granted to Queen Square gardens the present year. Carried unanimously.

Councillor Douse presented the specifications for the letting of the Market tolls, which were read and adopted.

The Bolger drain, which had been referred to the Health Officer to report upon was next taken up. The Health Officer, who was present, reported verbally, stating that he had inspected Mr. Bolger's premises, that in the cellar he found several feet of water, of a greenish hue, and that the house was unfit for habitation, owing to the stagnant water in the cellar. In his opinion the nuisance arose from low land adjoining the sewer, which land was a receptacle for sewage from the neighboring premises. In reference to the proposed drain to the river he did not think it would be any benefit to Mr. Bolger, as the tide would flow through it into his cellar, as well as into the other cellars in the neighborhood. He thought that the only way to remedy the evil was to build up the low land adjoining Mr. Bolger's dwelling.

Councillor Byrne thought an investigation should have been held into the origin of the late disastrous fire.

Mayor Haviland and several members of the Board expressed similar opinions. Councillor McRae, seconded by Councillor Davison, moved that the sum of \$1,000 be paid to any person giving such information as would lead to the arrest and conviction of the party or parties who willfully set fire to the Excelsior Rink on the night of the 14th May, inst. Carried unanimously.

The Mayor informed the Council that he had issued instructions to the City Surveyor to order the owners of property on the burnt district, and also the owners of the vacant land in the rear of the Revere House, to have the same fenced in according to law. Carried unanimously.

'OWL THIS DO?—An unusual visitor in the shape of a full-grown owl perched this morning on the eave of Mr. James Paton's residence, Upper Prince Street. One of our local sportsmen being close by, decided to bag the game, and with his revolver brought his owlship to the ground.

EXCURSION.—Parties going to Pictou on the Queen's birthday excursion by the St. Lawrence will have an opportunity of spending one hour at Westville and about forty-five minutes at Stellarton. The trains cross over the new Railway and Horne's Brook Bridge, which are well worth seeing.

Mr. J. Hunter Duvar, Inspector of Fisheries, is at the Davies.

Dr. J. S. Bagnall returned from the United States last evening.

Mr. M. M. Bruce, formerly of Charlottetown, has been elected one of the Marshalls of the Campbellton Polymorphian Club. The club is, we understand, making extensive preparations for the 24th.

FRIGHTFUL ACCIDENT IN A MILL.—A frightful accident happened in Charles I. Keith's mill at Butternt Ridge, in the parish of Salisbury, on Saturday. Mr. Jas. Floyd, who belongs to Penobscotus, was engaged filing a circular saw when the tightening belt fell and the machinery in motion. The saw caught Mr. Floyd and inflicted frightful injuries, severing one leg and cutting into the fleshy part of the body just below the groin. Mr. Floyd was lying some hours, after the accident occurred, but his death has probably taken place before this, as his injuries were considered necessarily fatal.—Moncton Times.
