# Panther Of The Week

Avelino Gomez is this week's "Player of the week". Gomez played exceptional despite the Panther's loss to the U. de Moncton Blue Eagles this past Sunday. He is a sophomore in the School of Business Administration.

**FAN VAN**

For those interested in a FanVan to go to Halifax on January 22,23 to watch hockey Panther play S.M.U. Huskies. All interested people drop down to the Student Union.

Pictured here are Scott Neil and Jean Francois Painchaud of the UPEI Soccer team. Both players were tied for "Athletes of the Month" for Sept. and Oct. Trevor Crawford is also seen here accepting "Athlete of the Month" award for Nov. and Dec. Glen Hynes presented the awards which are sponsored by the Student Union.

# Panthers Have Poor Weekend

The U.P.E.I. hockey Panthers lost a 2-1 lead after nearly 55 minutes of solid hockey Sunday afternoon at the Forum. Doug Currie and Albert Roche scored the Panther goals in the 1st and 2nd period and the Blue Eagle tied the game late in the third period. The end result was to be determined in the ten minute overtime period when Moncton's Pierre Giard scored in the first two minutes. Moncton then went on to score two more goals before the overtime period ended.

This was a bitter way to lose the game since the Panthers had it all over the Blue Eagles throughout the game. This goes to show what student as well as fan participation will do for a team. The Forum was packed to the rafters and there was never a dull moment on or off the ice.

Avelino Gomez was brilliant in nets for the Panthers and it can be said that this talent alone kept the Panther ahead most of the game. While

Gomez played perhaps his best game of the year, it is also true that the Panthers as a team always play well against the Moncton Blue Eagles and this week's game was no exception.

The Panther's luck seems to change from good to bad. After last week-end's 2 wins, news was circulated that the Panthers had to forfeit one game due to the ineligibility of Garth Arsenault. Many people find it hard to believe that the coach and players did not know about the rule. Since the Panther's record is now 6-8-1, and not 14-1 they can ill afford to lose a game let alone get one taken away from them because of inefficiency.

The Panthers perhaps have one of their best teams ever, at least on paper and many people expect much more of them. Playoff hopes should not be quenched, so don't give up hope, it is never too late.
