Air Waves

(The Latest CIMN News)

By Rory O'Connor

Hello, UPEI. This is the first article of the year bearing the name of our old column. We have a few CIMN T-shirts available for only \$10. There are a few time slots available, too, so come on down to the Barn and volunteer at your station.

For those who spend time in the 'Pit', CIMN may be heard through those nifty speakers. A volume control may be found under the main speaker next to the student union desk by the ramp. If you're in the pit, craving a few tunes, and there is no music, feel free to turn the volume up. The volume dial is there for you to use, so turn it down when the place is quiet and turn it up when you can't hear our daily programming. For a busy student, there are things finer than a break in the pit listening to CIMN. Hey, you can even win things, which brings me to my next point.

CIMN is offering free CD's at various times during on-air contests. This week YOU could win CD's such as REM, Beastie Boys, Natural Born Killers, and Green Day to name a few. There are over 20 CD's to be won each week. 'Impossible', I would say. Au contraire mon frere; it is quite possible. Listen to CIMN at 104.5 FM Cable, 700 AM on campus and you could win. Call our request line 72-CIMN-- (0417) when a contest is announced and be prepared to win.

Check out CIMN's weekly chart, compiled with love by our most caring Music Director, Darren (Kick me Again) MacPherson.

Theatre

Theatre Prince Edward Island, in partnership with Henderson & Cudmore Ltd., will present CLOTHES AND COMEDY, a special fundraising evening of fashions and theatrical entertainment. The event will be held on Wednesday, October 19th at 8 pm in the Georgian Room, Charlottetown Hotel.

The evening's hosts are David Moses and Bob MacDonald, a wacky duo well-known to Islanders from stage and television. A large number of actors and production staff are donating their time to contribute to the evening. The actors will model fashions from Henderson and Cudmore's stores: Charlotte's, The Haberdashery, Dave's and Christopher's Beach Club. The evening will also feature special theatrical entertainment, comic surprises, and attractive door prizes. Refreshments will be served, and a cash bar will be available.

This special evening will also provide the

occasion for the official launch of Theatre P.E.I.'s newly published commemorative booklet which recounts the organization's history and work since its inception in 1980. The booklet will be used especially for fundraising, and souvenir copies will be on sale.

Theatre P.E.I. serves the Island community, bringing many stage productions to school and public audiences. It also provides theatre resource and development services to individuals and groups across the province.

Tickets for CLOTHES AND COMEDY are \$25 for adults, \$20 for seniors and students. A charitable tax receipt will be issued for 80% of the ticket price. Tickets are on sale in advance only, from all Henderson and Cudmore stores in Charlottetown and Summerside, or call the Theatre P.E.I. office at 566-0321.

The UPEI

Chemistry Society Newsletter

Welcome to the first-ever X-Press article by the UPEI Chemistry Society! Our society may be small, but there are plenty of membership benefits. Here are the top ten reasons for being a member of the UPEI Chemistry Society:

10. Our society has no membership fee, unlike many of the other clubs and societies on campus.
9. We have the cheapest pop machine on campus - 90 cents per bottle.
8. Cass building has the only unisex bathroom on campus.
7. Our secretary is excellent!
6. The lounge supplies include Tonka Toys for Big Boys.
5. Free tattoo removal service is available on Tuesday evenings from 12-2 a.m. Chem 332 students really know how to wield a laser!
4. We have great parties with free BEVERages.
3. We don't smell like 25-year-old preserved corpses.
2. Our building has an unlimited supply of large latex "love gloves"
1. In two years, we will have the most modern chemistry facility in Atlantic, if not all of Canada, and the nicest student lounge on campus!

Grand Prize: Texas Mickey or cash equivalent
Draw Date: November 10, 1994

Ticket Cost: \$1 each or a book of 6 for \$5

You can buy your tickets anytime at the Cass Chemistry building, or from your local, neighbourhood chemistry student.

National Chemistry Week

(In conjunction with National Science and Technology Week)—October 14-23, 1994. Come and take in our colourful, unique displays on October 22, from 1-5 p.m. at the Charlottetown Mall.

— See nylon being made in a beaker
— See liquid constantly changing colour for no apparent reason

— Experience life at -200C with liquid nitrogen
— Have a chance to experience the chemist's world, hands-on!

— Win t-shirts and grab collectibles like balloons, buttons, stickers and periodic tables.

Don't miss your chance to be amazed by the great displays of Chemistry at work!!!!

Do you need help in Freshman or Organic Chemistry?

The society is considering setting up a drop-in centre for first and second year students. This will not be a tutoring service, but we will be available to answer any questions you may have. If there is sufficient interest, the centre will operate Tuesday and Wednesday evenings from 7-9 p.m. in the Chemistry Society Lounge. To indicate that you are interested, send an e-mail message to one of the three executive members of the Chemistry society:

Kelli Miller, Treasurer, @kmliller

Steve Ellis, Vice-Pres., @sellis

Scott Murphy, President, @srmurphy

UPCOMING EVENTS

The Fourth Annual UPEI Chemistry Society "Texas Mickey" Draw

Wouldya buy a beer for a buck?

Wouldya buy a "point" for a buck?

Why not a "40-pounder" for a buck?

Imagine a "Texas Mickey" (that's 120 fluid ounces of drink) for just one dollar!

The UPEI Chemistry Society can make it happen for you. We are proud to present the FOURTH ANNUAL TEXAS MICKEY DRAW.

Special Thanks

The 1994 UPEI Frosh Committee would like to thank the following organizations and businesses for the support they provided for the Frosh Week 1994:
