

S'SIDE POLICE GET NEW PATROL CAR

Chief of Police Peter White is pointed on this vehicle. The Mercury panel truck was purchased by tender from the firm of F. Earle MacDonald Ltd. It replaces a patrol car which was demolished in a highway accident at Fredericton, which resulted in the death of the driver, special constable Leo Wedge and another town employee Lloyd Small, several weeks ago.

Tax-Due Date Extended By Summerside Town Council

SUMMERSIDE BUREAU OF THE GUARDIAN
The date of payment of personal and real estate taxes in Summerside which were due on September 30, was extended to October 31 by the Summerside Town Council at their regular meeting last evening.

Councillor W. E. MacCausland, chairman of the finance committee, reported that 63 percent of real and personal property taxes, and 26 percent of poll tax assessment has been paid.

He said he believed that the higher percentage of property tax collections was due to most business houses having paid their tax to benefit by the cash discount which had been allowed for prompt payment.

He said that 140 appeals were before the Tax Appeal Board, and that from six to eight of these were being processed at each sitting of the board which meets nightly Monday through Thursday.

In extending the tax-due-date, Councillor MacCausland said that this was due to the tax bills being quite late in being issued because of the reassessment which had been done this year.

BOUGHT MOST POWER
Councillor Hillard Clark, chairman of the electric light committee revealed that 74 percent of the electrical energy requirements had been purchased from Maritime Electric Company during the month of August, and he noted that the cost of fuel oil for the town for generating the remaining 25.4 percent had amounted to 1.16 cents per kWh, which he pointed out was higher than the price some thought the plant should be selling power.

His report stated that 11 new connections had been made in rural areas during the month while 12 new service connections had been completed in the town.

The purchase of new police uniforms at a cost of \$58.50 each was approved by the council following a resolution introduced by Councillor Elmer Newson, chairman of the police committee.

Councillor Clark suggested that new uniforms which were issued to the police officers each year, should be given to them earlier in the season so that the police could present their best appearance during the summer season when a great many tourists and visitors are in town.

Councillor Leo Wood, chairman of the streets committee, reported on the work of installing cement curbing which is being done on Harvard Street prior to paving a section of this street from the present pavement to the railway crossing.

He said that shale would soon be placed on a street extension on Argyle Street, and that gravel was needed on four or five other streets.

Requests to the council for paving on Victoria Road West, and on Upper Duke Street, were referred to Councillor Wood and his committee for consideration.

Approval was given to a resolution by Councillor Wood for the purchase of a blade attachment at a cost of \$600 for the Street Department truck which will replace the present blade attachment which is not suitable for snow plowing.

The council also approved the purchase of a 1958 Volkswagen express truck to replace a 1951 truck owned by the Water and Sewage department.

The price of the new truck is \$2,095, a \$300 trade-in allowance on the old truck will bring the price down to \$1,795 for the new vehicle, which is expected to be operated at greater fuel economy.

The resolution for the purchase of the new truck was made by Councillor Robert Devar, chairman of the Water and Sewage Department, who reported that 50 new services had been installed since the first of the year by his department, and that two new hydrants had recently been installed, one of which was at the corner of First and Summer Streets in front of Rogers and Arnett Ltd., giving greater fire protection to this area.

Councillor Fred Arsenault, chairman of Parks and Buildings, reported that more painting and work had been done in his department this year than previously, and this had resulted in expense being a little over the estimate. He noted that the water front railing also needed painting, but might have to wait until next year because

Expect 600 For Potato Harvest Work
SUMMERSIDE — The Unemployment Insurance Commission here said Monday that about 600 workers, mostly from Nova Scotia, are expected to arrive soon to help Islanders pick the potato crop.

Earl G. Cannon, manager of the local office, said the number of outside workers is expected to be about 100 below last year's total because of an increase in help available locally.

A small number of laborers has already arrived to help on the grain harvest, Mr. Cannon said

Two Arrested In Connection With Theft Of Safe At Store

RICHMOND — Two men have been arrested in connection with the theft of a safe and money from the cash register of the John P. Gaudet store in this Prince County community.

It is presumed the pair will appear in court today. The men do not reside here but were said to be from the near-by Wellington area.

The safe apparently was removed through a back door. Heavy rain washed away any sign of vehicle tracks.

Apparently there was little money in the safe. Summerside detachment R. C. M. P. are investigating.

Meeting Is Given Data On High School At O'Leary

O'LEARY — Representatives from most of the thirty school districts in the area between Ellerslie and Elmsdale attended a meeting in the public hall here last night to learn the organizational and financial arrangements necessary for the establishing of a regional high school.

Deputy minister and director of education, Malcolm MacKenzie of Charlottetown and school inspector Merritt Callaghan of Alberton were in attendance.

Mr. MacKenzie stated the purpose of the meeting and presented estimated operational and construction costs for a regional high school in an area similar to the O'Leary district.

The average property owner with a valuation of \$3,000.00 would pay approximately \$13.00 to \$14.00 additional tax, plus \$3.00 or \$4.00 for transportation costs after government assistance. Government grants of \$5,000.00 per room, transportation assistance etc. were outlined by the deputy minister.

At least ten individual districts having a total of at least twenty classrooms must agree to unite as one district for the purpose of operating a regional or central high school.

A definite requirement is that there must be uniform valuation of property in all cooperating districts. Those districts that have not already done so must be valued by the Land Valuation Board. Besides the grants per room, the Government will contribute 40 percent of the operating costs and 60 percent of the transportation costs in an approved vehicle up to \$100.00 per pupil per year.

Mr. MacKenzie asked those present to study the problem and meet again as they must fully understand the set up in order to vote intelligently.

Mr. MacKenzie asked those present to study the problem and meet again as they must fully understand the set up in order to vote intelligently.

Dr. L. G. Dewar suggested that the chairman of each school district be added to the present committee for the purpose of holding future meetings.

Members of the present committee are: Mrs. Helen Kennedy, Dr. L. G. Dewar, Rv. Ross Howard, Alton Raynor and Bernard Shea.

Rev. Ross Howard extended a vote of thanks to Mr. MacKenzie and Mr. Callaghan for attending the meeting.

Kensington Tightens Up On Responding To Fire Alarms

KENSINGTON — At the Kensington Town Council meeting last night it was decided that the Kensington fire equipment will not be allowed to go beyond the town limits or sound the alarm except in cases where the property owners have subscribed to the fire systems fund.

This rule in one or more instances has been broken, but will be strictly enforced in future.

A great deal of time was taken up by council in discussing the various phases of the work being done in connection with the sewage system presently under construction.

Mayor Everett Champion presided, and five of the six councillors were present.

60 Teachers Are Attending Fall Convention At O'Leary

Teachers should exercise a profound influence on the communities in which they work, and should at all times be guided by a sense of responsibility and obligation.

Mr. Robert Grindlay, president of the local teachers group told the delegates to the opening fall conference which met at O'Leary yesterday.

Sixty teachers from the Village and surrounding districts attended.

Mr. Grindlay welcomed the teachers and urged all to participate in the discussions if they wished the conference to be a success. The president referred to the great contributions to the advancement of education in the Province made by the former Deputy Minister, Dr. L.W. Shaw, whose retirement was announced recently.

Mr. Grindlay also extended best wishes to Mr. Shaw's successor in office, Mr. Malcolm Mackenzie.

A summary of the past year's work was given the O'Leary meeting by Miss Estelle Bonness, general secretary of the P.E.I. Teacher's Federation. Teacher's salaries, qualifications, and other pertinent matters were all discussed in Miss Bonness' report.

Other speakers heard during the opening sessions of the two-day conference included Mr. Merritt Callaghan, Supervisor of Schools for Prince County, and Mr. MacKenzie, provincial Director of Education.

Union on Wednesday evening, while at Bedeque, that union is sponsoring the film "Martin Luther" on Wednesday and Thursday evenings.

FUNERAL NOTICE

Brethren of Mount Zion Lodge No. 12 A.F. & A.M., Kensington, are requested to meet at lodge room on Tuesday, Sept. 9 at 1:15 p.m. for the purpose of attending the funeral of our late brother David L. Clark.

By order of Worshipful Master, FRANKLIN MacEWEN.

Featuring all classes of Livestock, Poultry, Field Crops, Fancy Work and Domestic Science.

St. Luke AYP A Meet In O'Leary

O'LEARY—The young people of St. Luke's Church, O'Leary, met for their regular A.Y.P.A. meeting in the church hall on Friday evening.

The president, Mr. Keith Webb, occupied the chair. Roll call was answered by a Biblical verse containing the word "Celene". Prayer was offered by the president, followed with scripture by Jean Webb.

The president urged as many members as possible to attend Labour Day weekend Conference at the church centre in Crapaud.

It was decided to have a Corn Boil at the shore Friday evening, September 12. Each member is asked to supply one item for the programme.

Meeting closed with prayer, after which an evening of games supplied by Mr. Heber Bryan, were greatly enjoyed. A delicious lunch was served by Julia MacNaught, Heber Bryan and John Wedlock.

be taught by the use of common everyday expression.

Mr. Lloyd Gaudet, Mr. Earl Jelly, and Mr. Grindlay, were elected to represent the Prince County group on the Board of Governors of the provincial Federation.

At the opening session the following committees were appointed: (resolutions) - Myrtle Doyle, Mary O. Mathews, and Geraldine MacGregor; (nominations) - Jean MacArthur, Bertha Gallant and Helen McNeill; (press) - Reta MacDonald, Blanche Crockett, and Helen Stewart; (question box) - Eileen Saunders, and Betty MacKinnon.

Miss Crockett acted as secretary.

TRANSPLANT FISH
LONDON (Reuters)—Russia is the first country to start large-scale transportation of valuable fish from one ocean to another, the Soviet news agency Tass reports. It said that 16,000,000 impregnated larvae of Gorbusha (humpbacked far eastern salmon) have been flown to the Murmansk region in the last two years from Sakhalin Island in the Pacific.

Excavation Begins On New High School For Tignish

TIGNISH — Excavation began yesterday on the basement for a new modern high school here.

The proposed school will be two stories high, 138.6 feet long and 56 feet wide and will contain six classrooms, an auditorium, a library, home economics department, science laboratory, lunch room and a principal's office.

The site is on the main highway as one enters the village from the north. The four acre property provides ample space for outdoor athletics and sports.

Hubert Gaudet is the builder and the architect is Keith Pickard 390 ENROLLED

There are 390 pupils enrolled in the Tignish Junior, Elementary and high school classes in the Convent and Dalton School, from the 20 school districts represented in the 12 grades.

They are enrolled as follows, grade 1 - 33; grade 2 - 45; grade 3 - 38; grade 4 - 53; grade 5 - 36; grade 6 - 25; and grade 7 - 26. Total number of pupils in the

Reveal 1 Mile Of Pavement Will Be Laid In Alberton

ALBERTON—The street committee of the Town Council here reported last night at the regular monthly meeting that approximately one mile of pavement is to be laid in the town. In addition gravel to the value of \$700 is to be used on unpaved streets.

Mayor Herbert Mathews presided. Councillors Profit, Campbell, Hardy, Jeffrey and Travers were present.

Bills amounting to \$149.34 were ordered paid.

The police committee reported eight arrests and six convictions.

Following discussion concerning revision of the town by-laws, it was decided to have a special meeting of the council next Tuesday to deal with this matter.

89 ALGERIANS KILLED
ALGIERS (AP)—French troops mounting an operation south of Constantine, reported Monday they had killed 89 Algerian Nationalists and captured 11. French losses were not reported.

EXCHANGE SHOTS
SEOUL, South Korea (Reuters) South Korean and Communist patrols exchanged shots early Monday in the demilitarized zone near Chorwon, Central Korea, military sources said. At least one South Korean soldier was killed.

Repainting? THIS TIME REPAINT TO LAST WITH ENDURANCE

Outside House Paint We guarantee it will last longer and stay brighter

Painting with Glidden Endurance Outside House Paint means long-run economy because it not only covers better but also eliminates frequent costly repaintings! The job's well done and it will last! Whether you're painting your home yourself, or having it done professionally, you're sure of the best and most economical results when you choose Endurance for the job. Endurance goes on more easily, stays good-looking for years to come. Choose Glidden Endurance now, and rest on your laurels when others less fortunate are repainting again. It is available in a wide range of colors and ultra white.
