On the Move! We believe in keeping things on the move. Whenever a line of goods is nearly sold out give it an extra push and start in on another line.

For instance, we have been selling a beautiful Lady's Uter for \$5.50. It was stylish, warm, serviceable, becoming and very cheap.

Of course there could only be one result, viz., they are all sold out. But \$5.50 is a price we must have in Utter-stones if ladies want them.

What did we do? Simply put the knife into the price of a more expensive line—a line our customers have not even seen as yet. Call early to see them. They would be good value at \$5.00.
