NEW YORK

NEW YORK (AP)—The stock market continued to flounder unevenly Friday with more stocks down than up, but nevertheless reached a 1958 high average.

This was due primarily to a leap of 5⅜ by Kroger Co. and an advance of 3¾ by Eastman Kodak.

Continued rumors of a stock split and boosted dividend accompanied the rise of Kroger. Strong institutional buying was given as the reason for Kodak's advance.

The Associated Press 60-stock average edged upward 20 cents to $186.90 with industrials up 60 cents, rails down 50 cents and utilities unchanged.

Among Canadian issues, McIntyre Porcupine was up 1 and Dome Mines ¼. International Nickel was off ⅜, Walker Gooderham ¼ and Hudson Bay Mining ⅛.

Preston East Dome gained ⅛ in the Canadian section on the American exchange. Canadian Marconi lost 1⅛ and Brazilian Traction ⅛.

TORONTO

TORONTO (CP)—After three sessions of gains the stock market was hit by profit-taking Friday and fell off in all sections amid active trading.

An interest in a handful of speculative issues accounted for a big jump in volume during the afternoon. New Mylamaque fell just short of the 1,000,000 share mark. It traded 992,150 shares and after sliding down throughout the day bounced back for a 10-cent gain to close at 65 cents.

Nealon traded 368,000 shares and was unchanged at 6 cents after gaining two cents. New Hosco gained five cents at $1.68 on rumors of an underwriting. It traded 187,350 shares.

On index base metals were the big losers and they were down less than one-half point. Golds and western oils lost less than one-quarter.

Changes among base metals and golds were fractional with losses and gains about balancing. In western oils Calgary and Edmonton gained c at 30⅛ but Pacific Pete was off ½, Home Oil B, ⅜ and Royalite ⅛.

Index losses: golds .22 to 84.28; base metals .47 to 164.97; western oils .26 to 137.55.
