

PRESENTATION LAST EVENING

Rev. M. D. Dunbar (left) and Mrs. Dunbar were presented last night with a gift from the congregation at Central Christian Church. The presentation, made by Mr. Edward Sellick, one of the elders, marked termination of 13 years as pastor of the congregation. It followed Mr. Dunbar's farewell sermon, preached to a large congregation. Wednesday Mr. Dunbar and family expect to leave for Tacoma, Washington, where he has accepted a charge.

President Of The St. Thomas Aquinas Society Re-Elected

Mrs. Henry Doiron was re-elected president of the Charlotetown Branch of the St. Thomas Aquinas Society at the annual meeting held in the B. I. S. on June 22.

Other officers include vice-president, Mrs. Amby Doyle; secretary, Mrs. Adolphe Doiron; treasurer, Mrs. J. H. Blanchard; executive members, F. E. Doiron, Mrs. Gilbert Richard and Mrs. Jerome Gallant.

After the singing of O'Canada, Mrs. J. E. Arsenault read the minutes of the preceding annual meeting. The report of the Treasurer, Mrs. J. H. Blanchard, followed. This showed that the receipts during the past year amounted to \$1186.00. The amount of \$1,000 would be forwarded to the general treasurer of the society. These two reports were adopted unanimously by the meeting.

The report of the auditor, Jerome Gallant was adopted unanimously.

To attend the general annual meeting of the Society at Rustico on July 20, the following delegates were appointed: Mesdames Frank Doyle, Vernon MacEachern, Jerome Gallant, John Walsh and Miss Josephine Blanchard. Substitutes: Mesdames Andrew Arsenault, Cyriac Gal-

lant, Edward Arsenault, Stanley Doiron, and J.E. Pitre.

The following members of the society had complimentary remarks for the ladies of the society who were responsible for the success of the branch during the past year: F.E. Doiron, J.E. Arsenault, Francis C. Blanchard, J.L. Melanson, Connie LeClair, Irene Gallant, J. Wilmer Blanchard, J. E. Gallant, and Mrs. J.L. Melanson. Father Adrien Arsenault, professor at St. Dunstan's University, recounted some of the highlights of his stay in France during the year 1956-57.

An interesting program of music and song followed the meeting. Taking part were Messrs. Connie LeClair, J. Wilmer Blanchard, J.L. Melanson, Mrs. John Walsh, and Henry Doiron. Accompanists were Albert Blanchard and Mrs. Amby Doyle. A lunch was served.

The secretary was instructed to forward a vote of thanks to the members of the B.I.S. for the use of their hall.

During the past year the St. Thomas Aquinas Society helped in the education of 52 boys and girls who are pursuing their studies in various institutions beyond the Grade 10 level. Since 1937, the society has given financial aid to more than 300 students.

It is far better for us not to say anything at all.

We must love our neighbor and wish him well if we ever hope to love God. We must forgive him if we wish God to forgive us. If we do not forgive him, then our prayer itself will condemn us when we say: "Forgive us our trespasses as we forgive those who trespass against us."

SHOW URANIUM FILM

TORONTO (CP)—A color motion picture made by the Ontario mines department on the five-year development of Northern Ontario's Elliot Lake uranium mining area will be shown when the second United Nations conference on peaceful uses of atomic energy meets at Geneva in July.

Good Average Year For Employment Anticipated

Back in February and March of this year, the National Employment Office in Charlottetown, was paying benefits to slightly over 4,200 people in Kings and Queens Counties. The Summer-side Office which provides an employment service for Prince County, was paying benefits to a very large number of people also.

The Secretary.

THOUGHTS FOR OUR TIME
BY HIS EMINENCE CARDINAL McGUIGAN

BUT THE GREATEST OF THESE IS CHARITY

One of the most important teachings of Christ during His life on earth was that of loving our neighbor. This is the second great commandment and it is well for us to think about it often and to examine ourselves on just how well we are faithful to it because Christ has told us: "If any man says he loves God and hates his neighbor whom he sees, how can he love God whom he cannot see?" (1 John, 4:20)

In His sermon on the Mount, Christ said: "If, therefore, thou art offering thy gift at the altar and there thou rememberest thy brother hath anything against thee, leave there thy gift at the altar and go first to be reconciled to thy brother; and then coming thou shalt offer thy gift." (Matt. 5)

These words are most emphatic. Christ does not merely exhort us to forgive our neighbor and become reconciled with him when the opportunity presents itself, but rather, we should do it immediately even though it entails some great sacrifice on our part. Fraternal charity is so important that Christ would have us interrupt a sacrifice, the highest act of religious worship, in order to foster it among us.

His command becomes more significant and forceful for us when we realize that among the Jews and Gentiles of Christ's time it was unheard of to break off a sacrifice once it had been begun, for fear of the great guilt that would be incurred by such an action.

CHARITY STRESSED

Throughout Sacred Scriptures we are told time and time again of the importance of love of our
