Prince St. Home And School Ass'n

A well attended and enthusiastic meeting of the Prince Street Home and School Association was held in the auditorium last evening at 8 o'clock.

The secretary read a letter from Dr. E. J. O'Meara, Director, Division of Dental Public Health, with reference to a series of talks to be given over CFCY on Saturday mornings, during the month of February.

The president, Dr. MacVicar, read extracts from the minutes of the committee meeting which had been appointed to consider procedure for the organization of a Provincial Home and School Association. Each Home and School Association was requested to suggest a list of officers for this proposed organization. After this was dealt with delegates were appointed from Prince Street to attend the Provincial Association meeting which is to be held January 29th.

The large audience travelled in imagination with Miss Gerda Hansen as she related, by means of coloured slides, her trip to Sweden, Denmark, Germany and Paris, France. This was a very exceptional talk and the photography was dramatic.

Delicious refreshments served by the catering committee brought another successful meeting to a close.
