PERRY'S HUNGARIAN BALM. For Restoring, Preserving & Beautifying THE HAIR. THIS elegant preparation is an effectual remedy for Baldness or Falling off of the hair. It prevents and completely eradicates Scuff and Dandruff, strengthens the Roots of the hair causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance, and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of scuff, dandruff, and other impurities, which so frequently cause premature decay, and loss of the hair. The Hungarian Balm is especially adapted to ladies use and those who have tried the various oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it once and you will be convinced of its superiority over all other compounds for the hair. Much more might be said in favor of this inestimable compound, but it is deemed unnecessary, as the proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore, If you have lost your hair and wish to restore it. If you are losing your hair and wish to preserve it. If you are troubled with Dandruff and wish to remove it. If you have any humour of the Scalp and wish to cure it. If you are troubled with Nervous Headache and wish to cure it. If you have hair eaters at the roots of the hair and wish to destroy them. If you have harsh, dry and wiry hair, and wish it to become soft, pliable and beautiful as Silk; and if you wish to preserve rich, graceful and luxuriant tresses to the latest period of life use PERRY'S HUNGARIAN BALM. Price 25 and 50 cents, in large bottles. W. R. WATSON, Charlottetown, Agent for P. E. Island.

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME. A Cure for Consumption, Scrofula, Coughs, Colds, Asthma, Bronchitis, Spitting of Blood, and all complaints of the Lungs. PURE Cod Liver Oil has long been acknowledged to be the most efficacious article for the cure of Consumption and kindred diseases yet discovered, while the chemical properties of the PHOSPHATE OF LIME are also well known in medicine as being peculiarly healing. In cases where ulceration has taken place on the lungs, this article has been found by the most careful tests to supply the very ingredients necessary for the formation of cells, and the complete healing of this delicate part of the human system. This preparation of the pure Cod Liver Oil and Lime robs the oil of its very nauseating taste, which renders it so repulsive particularly to invalids. The thorough incorporation of the Phosphate of Lime with the Oil has been only accomplished by the adoption of the most perfect rules of chemistry, and a medicine has thereby been produced which is of inestimable value in a climate like ours. A long array of certificates might be given here to prove the efficacious character of this medicine, but it is not deemed necessary. The fact that from the very first introduction of the Cod Liver Oil and Lime before the public, it has been gradually adopted by the medical faculty, is sufficient proof of its unquestioned excellence. For sale wholesale and retail, by Alex. B. Wilbor, Chemist 156 Court Street, Boston. W. R. WATSON, Agent for P. E. Island. November 6, 1854.

Dr. A. JOHNSON'S American Anodyne Liniment, FOR the cure of Coughs, Colds, Influenza, Bronchitis, Asthma Pain in the Sides or Breast, Rheumatism, Cramp in the Stomach, Spitting of Blood and all Lung Complaints.—Manufactured by I. S. JOHNSON, Bangor, Maine. Dr. Johnson's AMERICAN ANODYNE LINIMENT, an entirely vegetable preparation, prepared and intended for Internal and External application.

The inventor of this article was in the constant practice of medicine for 20 years, and by a long course of experiments upon the various diseases for which this Liniment is recommended, he became perfectly satisfied of its efficacy, and offer it with full confidence to the afflicted, as the result of his long experience, and best efforts. This has long been a standard medicine, and enjoys the singular privilege of being known and patronized by a large portion of the medical Faculty, wherever it has been introduced. With the firm conviction that it is the best remedy of the present age for all diseases for which it is recommended, the proprietor offers his Liniment to the Public; not doubting that it will sustain the high reputation it has already acquired. We do not affirm that this article is a cure for the ten thousand ills humanity is heir to, but let those who are afflicted with the following diseases, try it, and we can assure them they will find relief. Inflammation of the Bronchia or Bronchitis, Rose Cold, Catarrh, Hard Dry Cough, Whooping Cough, Hoarseness and common cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise, Asthma and Influenza, for Sore Throat and Weak Lungs, for Chronic Diarrhoea caused by Rheumatism in the bowels, for Cramp in the Stomach, for Stranguary, Gravel and Stone, Blind Piles, &c.

Externally it will be the most happy efficacy, in all cases where any other Liniment would be used, especially for Rheumatic Affections, Chilblains, Chapped Hands and sore Lips; it is a sovereign remedy for the bites of flies, and other insects. There is nothing of equal efficacy to this for Horses and Oxen, where they are coked, cut, bruised, strained or chafed by the harness, and it possesses more than double the power of any other Liniment. Inflammation of the Bronchia or Bronchitis, for the cure of this disease it has been wonderfully successful. Those who had cases of long continuance have found permanent relief. S. D. Ward, Esq. (No. 10 Court Street Boston) who had a case of three years standing, has kindly permitted us to refer to him in proof of the efficacy of this valuable medicine; also in the case of a Rose Cold. This cold comes on when the flowers bloom in the Spring, and continues till the leaves fall in Autumn—if this disease is not attended to in season it ends in consumption. Take of the Liniment according to directions and a cure will result. Catarrh, and noise of confusion in the head may be cured by a faithful trial of this Liniment, drop one or two drops in each ear at night before going to bed, and take it internally according to directions. In all Coughs, the Anodyne Liniment is a well-known remedy, particularly for Whooping Cough. The first symptoms should be checked, and not the least difficulty will occur in the cure of this complaint. For children half a teaspoon full of Liniment night and morning.

This Anodyne Liniment for sore throat and weak lungs, that complaint so common in our climate, especially in this climate stands unrivalled; and in every case, a complete trial will be marked by the most complete success. The Blind Piles. The Anodyne Liniment has in a great number of instances of this distressing disease, made permanent cures. In connection with taking the Liniment internally external application should be made. The sale of this invaluable medicine is rapidly increasing, and the Proprietor can say with confidence that he has been the favored instrument of giving relief to thousands of the afflicted and suffering. The following certificates are genuine and he earnestly solicits all who may be afflicted, to give this Anodyne Liniment a fair trial, satisfied that if taken with a full determination to test its ability they will find relief.
