Not Guilty Pleas Entered

John Henry Reid, Charlottetown, and Frederic Bernard Dooley, Charlottetown, pleaded not guilty to the charge of having in their possession illegally manufactured spirits, and were remanded to Feb. 27 by Magistrate A.J. Haslam in city police court yesterday.

ments to the Charlottetown Act of Incorporation have been made recently, one that is expected to receive firm support will be to grant expropriation powers to the city so it can solve parking and traffic problems which are so acute they are beginning to plague the whole island motoring public.

Not Guilty Pleas Entered

With these powers it is believed the city will plan to obtain several areas, including some mentioned in the housing report as 'blight' areas, for the purpose of creating municipal parking lots. It is felt that these would be an eventual end to on-street parking thus affording much needed relief to problems of traffic movement.
