Cardinals Defeat Giants 4-2 While Dodgers Are Defeating Chicago 6-5

SCHMELING TO MEET CHAMPION

(A. P. By Guardian's Special Wire) NEW YORK, July 23—Dodgers survived a four-run Chicago rally in the eighth at Brooklyn and defeated the Cubs 6-5 today by pushing the winning tally across in the last of the ninth.
By the defeat, the Cubs' National League lead was cut to two games, since the second-place St. Louis Cardinals won in New York.
Cards Beat Giants 4-2
Johnny Mize's big bat and a pair of opposition errors gave St. Louis Cardinals a 4-2 victory here over the Giants, sending the New Yorkers back to the National League fourth place.
The victory, with Dizzy Dean doing an effective relief pitching job to help Roy Parmelee chalk up his ninth win of the season, enabled the Cardinals to pull up to two games back of the League-leading Chicago Cubs, who lost to Brooklyn.
Veteran Huris Five-hitter
At Boston, Bob Smith, the 38-year-old pitcher-coach, returned to active duty and beat Cincinnati Reds to five hits as Bees pounded out a 4-0 victory.
Tony Cucinello started the Bees off with a home run in the second inning off young Roy (Peaches) Davis.
Smith did not permit a single Red to get as far as third base. He fanned two and passed two.
Pirates Scuttle Phillies
Cy Blanton of the Pirates turned on a six-hit pitching performance at Philadelphia as his mates slugged two Philadelphia pitchers, Passeur and Jorgens, for 13 hits and a 10-1 victory in the third game of the series.
Pittsburgh scored twice in the first inning after two outs, on hits by Paul Waner, Suhr, Vaughan and a double steal. In the sixth Brubaker hit a home run, but Suhr and Vaughan on base. Jensen's double and Paul Waner's single added another in the seventh. And in the ninth hits by Jensen, Paul Waner and Padden with bases on balls to Suhr and Brubaker sent in four more off Jorgens.
These junior games are certainly run off in fast style and keep the spectators interested all the time. It is fine to see each team run off on the field and it puts pep into the game.
The large crowd were well pleased with the game and looking forward with interest to the next encounter down here.
George Francis was the umpire and he handled the game in his usual efficient manner.

Holy Redeemer Juniors Blank Summerside 6-0

Holy Redeemer junior baseball nine blanked Summerside Juniors, 6-0, in an exhibition match Wednesday at the Holy Redeemer diamond.
Ty Connors, Holy Redeemer twirler, kept the westerners hitless for six innings, and was only touched for three hits in the entire game.
The game was a fast and spectacular one and the fans were treated to a good brand of ball. The Holy Redeemer boys did some splendid batting and shut out the Summerside boys 6-0. But the score does not indicate the nature of the play as the Summerside boys put up a great battle all the way, but the good work of the Holy Redeemer boys in the infield and outfield spoiled many a run for the visitors.

Glacé Bay Beaten By Hawks

(By Guardian's Special Wire) DOMINION, N. S., July 23—Dominion Hawks, with Roy Maxwell on the mound, lengthened their lead in the Colliery Baseball League today by defeating Glacé Bay 5-4.
Playing at home, Reserve Miner boys pulled out of the cellar with a 3-2 victory over the second-place Sydney Mines Ramblers.

Olympic Divers Have Own Pool

(By The Associated Press) BERLIN, July 23—Germany points with pride to the Olympic swimming stadium, recently completed. The two grand stands on the long sides of the basin have seats for 20,000 spectators and will be filled to capacity during the chief aquatic contests. The German Olympic committee has announced tickets for all swimming competitions.
Like the Olympic skating stadium at Garmisch-Partenkirchen, the new swimming stadium will be independent of weather. No matter how cold the air may be, a special heating outfit will always keep the temperature of the water at 70 degrees Fahrenheit.
This is a standard temperature suggested by the International Swimming Federation. Summer will be at its peak in Germany during the Games but the Germans are taking no chances on temperature. The basins are always filled with fresh water which is cleared continually by a subterranean filter equipment. Unlike at Los Angeles, at Berlin there are two basins. One is a swimming basin and the other a separate pool for springboard competitions.
The swimming basin is 150 by 90 feet and will be divided by cork lines into eight courses. A spillway around the pool keeps the surface comparatively quiet even when the crowd splashes across it. To facilitate the work of the judges of the water polo tournament a gangway has been constructed on a long side, three feet deep to assure the closest possible observation.
For the water polo competition the basin can easily be transferred into the field of 84 by 84 feet with all necessary marks. The diving pool measures 60 by 60 feet and is 18 feet deep.
The steel-constructed tower is equipped with two jumping boards at a height of three feet, two others at nine feet, and a platform at 30 feet for high diving. Inside the grandstands, which rise 35 feet into the air, there are plenty of dressing rooms, shower baths, massage rooms, a post office and a restaurant.
The swimming stadium is connected with the bowl of the Olympic track and field stadium by a tunnel.

Birthday Greetings

(By The Canadian Press) To Billie Hughes, veteran Winnipeg coach and trainer and one-time bantam and featherweight boxing champion of Canada, born in Sault Ste. Marie, Ont. He celebrates his 48th birthday tomorrow. Hughes retired from active competition in 1924 and was official trainer of Canada's track and field and boxing teams at the 1924 Olympics. He has also coached more than 80 champions in boxing and water polo.

GERMAN SPRINTERS DISSATISFIED

(By Guenther Benkert, Associated Press Staff Writer) BERLIN, July 23—(AP)—After working out today for the first time on the Olympic track, Germany's dashmen wagged their heads disapprovingly when they shook its dust off their spikes. They said the track was too hard and brittle.
Work on the rebuilt track has just been completed under the supervision of experts. Uncertainty, however, enshrouds the real quality of the cinder path on which the track and field stars of the world will struggle for Olympic glory August 2-9.
It is said to have long waves noticeable to the runners, although hardly perceptible to spectators.
German officials announced that 30,000 carrier pigeons will be released to scatter "messages of peace" to European nations when the tolling of the Olympic bell chimes in with the gun salute inaugurating the 11th Olympic Games Aug. 1.

ALLISON TO RETIRE

NEW YORK, July 23—(AP)—William Allison, United States singles tennis champion, returned from an unsuccessful invasion of England and announced he will retire from competition at the end of the year.
"I am 31 now," he said, "and I have been in competition for 10 years. I think that is long enough to spend chasing balls around a court."

Fine Track And Field Meet Held At Murray River

More than a thousand people saw a group of King's County athletes compete at Murray Harbor Wednesday, a program of revived track and field sports.
The meet marked Prince Edward Island's return to track and field competition it had abandoned almost two decades ago. It was the eastern county's second track and field tournament in as many days, Souris having staged a like meet on Tuesday.
Following so closely after the meet at Souris, some of the athletes found it a rather large task to jump back into competition so quickly, but this feature did not detract in any way from the success of the day's undertaking, nor from the enjoyable entertainment of the large number of spectators.
Ed. Macdonald, the boy who cleaned up in the Souris meet on the previous day, captured the 100 yards and the 440 yard dashes, and placed second in the mile run. Souris captured the mile relay from Murray River.
Cups for the run, the 100 yards and the 220 yards, were donated by the Halifax Herald, Premier Campbell and Mayor Turner, respectively.

DeMaggio Hits 2 Homers As Yanks Snap Losing Streak With 15-3 Victory

(A. P. by Guardian's Special Wire) NEW YORK, July 23—Yankees snapped their longest losing streak of the season at three games by walloping the Browns 15-3 today at St. Louis to increase their American League lead to eight games again.
Joe DeMaggio paced the 18-hit attack with a pair of homers and George Selkirk had one round tripper—his third in as many days—as Monte Pearson chalked up his 13th victory of the season with a six-hit performance.
Three of the hits Pearson gave up were homers, accounting for all the St. Louis runs. Jule Solters and Roy Bell smashed out four-baggers in the fourth, and Sam West followed with one in the sixth.
Six Sox Beat Tribe
At Cleveland, Boston Red Sox scored seven runs in the fourth inning and took the last game of their series with Cleveland 9-8. Both sides used four pitchers.
Hildebrand was chased in the fourth. Lee held the Red Sox well in hand after their uprising until the seventh inning when he was replaced by Blackholder. Brown was the fourth Cleveland pitcher. Boston used Ostermuller, Wilson, Russell and Grove.
Tigers Win Again
Detroit made it three out of four at home against Philadelphia Athletics, when Schoolboy Rowe allowed but six scattered hits and scored a 2-0 victory for his ninth win of the season. Harry Kelly for the Athletics yielded only seven hits but two of them were doubles that produced runs in the third and sixth innings.
The first Tiger run came on a pass to Rowe, a wild pitch, and Burn's double. In the sixth Rogell doubled, went to third on Gehring's out and scored on Goslin's single over first base.
Senators Beaten by Chicago
After spotting the Senators two early leads, one of four runs, the walloping White Sox pounded out a 7-6 victory over Washington at Chicago to take the series, two games to one, and extending their victory spurge to 17 out of 21.
Three solid hits off Buck Newsum scored the tying and winning Chicago runs in the eighth. Trailing 5-6, Manager Jimmy Dykes singled to start the rally and scored the tying run as Luke Sewell lined a double to right.
Vern Kennedy then lifted a Texas league double to score Sewell and win his own game.

COACH DOES NOT WANT ANY HELP

(C.P. By Guardian's Special Wire) ON THE WAY TO THE OLYMPICS ABOARD THE S. S. DUCHESS OF BEDFORD, July 23—strapping Torchy Peden of Vancouver, one of Canada's greatest professional six-day bicycle riders, who is accompanying the Canadian Olympic team to Berlin, was told today by team manager-coach Bill Deacon of Toronto, that his coaching help was not wanted, Peden is paying his own expenses to the game.
"The trouble goes back to the six-day races at Toronto and Montreal last spring when I criticized referee Deacon for not making the riders pick up properly," Torchy said.
Deacon is chairman of the Canadian Wheelmen's Association and C. W. A. representative at professional races.
Torchy's intention was to help coach the cyclists at the Games. His cousin, Claude "Rusty" Peden of Toronto, is one of Canada's six-man team. Torchy's brother, Doug, one of Western Canada's best amateur bikemen, is a member of the Canadian Olympic basketball team and is also aboard.
Doug tried unsuccessfully for a place on the Olympic bike team at the trials in Toronto last month. Torchy is reported as having signed contracts to ride in Europe next season and it is believed Doug will turn professional and ride with him.
A spectator at the Toronto trials, Torchy said he considered the present squad the strongest bike team to ever represent the Dominion in Olympic competition.
There was little other excitement on board as the athletes bedded down for a good night's rest after a masquerade party last night. Everyone felt fine and the ocean resembled a mill pond.
All the athletes expressed themselves as eager to land at Le Havre, France, on Saturday. They look forward to a day in Paris before proceeding to Berlin.

Penniston To Coach In England

(C. P. by Guardian's Special Wire) MONTREAL, July 23—Don Penniston, coach of Royals hockey team, champions of Montreal Senior Group, will leave shortly to become coach of an English sextette at Brighton, England. The Montreal coach will make his final appearance with the local team at Lake Placid, N. Y., this weekend.
Overseas, Penniston said, he will pilot the Brighton Tigers. He said he had received instructions to take nine Canadian hockey players with him to England and that he would leave next week on a scouting trip through eastern Ontario.

Baseball's "Big Six"

(By The Associated Press) Paul Waner of the Pirates closed up some of the gap between himself and the National League batting lead yesterday by getting three hits in five times at bat to boost his mark to 359, while Ducky Medwick of the Cardinals, in first place, dropped to 369. The injured Baxter Jordan of the Bees returned to third place as Johnny Moore of the Phillies sank to fifth by failing to hit in four chances. In the American League trio of baseball's "big six" Luke Appling and Rip Radcliff of the White Sox tightened their hold on the one-two positions by getting two and one hit, respectively, in four times up.
The standings (three leading hitters in each league):

Eleanor Holm Jarrett Dropped From United States Olympic Team

(By Alan Gould, Associated Press Sports Editor) HAMBURG, Germany, July 23—(AP)—A bombshell dropped into the midst of the United States focus as the Olympic ship Manhattan reached Hamburg tonight when Mrs. Eleanor Holm Jarrett, holder of the Olympic women's backstroke swimming title, was dropped from the team for violation of training rules.
After a meeting of the Olympic executive committee at the Manhattan steamed up the Elbe River Avery Brundage, Olympic committee chairman, gave out a brief statement announcing her suspension.
"Mrs. Eleanor Holm Jarrett has been dropped from the Olympic team and her entry has been withdrawn on account of violations of training rules," Brundage's terse announcement said.
The chairman added the backstroke champion had been requested to turn in her uniform and equipment and will be provided return transportation to the United States via the Bremen, sailing Saturday.
It was the first case of the suspension of an Olympic athlete in 12 years and the first time any champion ever had been disbanded.
Mrs. Jarrett was not called to the meeting and Brundage said, "She was sound asleep." The climax of Mrs. Jarrett's tempestuous trip was reached tonight shortly before the ship docked at Hamburg at midnight.
She participated in a stateroom party this afternoon and came on deck early this evening, attracting the attention of the athletes and team officials.

Sets New Mark For 3-heat Race

(A. P. by Guardian's Special Wire) GOSHEN, N. Y., July 23—Calumet Dillworthy, a chestnut gelding transferred to trainer Vic Fleming's stable by purchase just before the race, established a new world's trotting record for a three-heat race over a half-mile track in winning the 2:13 trotting stake here today.
Setting a fast pace, Calumet Dillworthy easily won the first two heats in 2:04. In the final mile, the favorite, Calumet Epton set the pace and went on to win in 2:05 1-4.
The previous record for three heats in a race was made by Dewey McKinney in 1926 over the Middleton, N. Y., track in 2:06 1-4, 2:04 1-4 and 2:04 1-4. The new champion is owned by Mr. M. E. W. Nix of Sherburne, N. Y.
The village farm stake for three-year-old pacers was won in straight heats by the favorite Little Pat, owned by Biery Farm of Butler, Pa.

RUMOR SAYS PERRY NOT IN FORM

WIMBLEDON, Eng., July 23.—Great Britain ruled a 3-1 favorite today to retain the Davis Cup against Australia's challenge despite reports that the home team's great Fred Perry is suffering from "tennis fog."
Experts declared that in recent practice Perry had shown the same listlessness he displayed last week when he lost to Don Budge of California in four sets in a practice series at Eastbourne.
But it was not forgotten that Perry reaches his greatest heights when he is needed by his country. He served better the star, who seldom raises his game in practice, would be back in unbeatable form by the time the singles open on Saturday.
Rain today washed out the next to the last practice session. Despite the loss of Adrian Quast, champion of Australia, reducing the challenging forces to a two-man attack—grey-haired Jack Crawford and curly-haired Vivian McGrath, the Australian camp teemed with confidence. Victories over the United States and Germany raised Anzac hopes they could end Britain's three year grip on the historic cup.
Perry's teammate, H. W. "Bunny" Austin, singles star, and Charlie Tuckey and Pat Hughes, the doubles choices, appear in top form.

Maples And Rovers Advance In Midget League

With competition gradually becoming keener each game, Holy Redeemer Parish's Midget Softball League is nearing completion of its first season.
Last evening the Rovers won a close game from Maples 6-4. On Wednesday evening the powerful Hawks went down to defeat at the hands of the Maples. The score was 10-7.
Standing in the league to date is as follows: Hawks, 8; Maples, 6; Rovers, 6.
Two games for each team remain in the first section. Sectional winners will be exceptionally hard to pick.
Mr. John Turner, Sr., umpired both games very efficiently. Mr. Turner has been chosen as official umpire for both the midget and senior leagues.

Battery & Shamrocks Tonight

8th Battery and Shamrocks meet in a City Softball League encounter tonight at the Park diamond at 6:15. Shamrocks, although well down in the league standing have provided opponents with stern opposition in every game they played and in their only other meeting with the Battery sent the Artillery team down to defeat.
Nels Whitlock will handle the game.
