

Your father did say he expected some performance out of you this term, didn't he?

You've always depended on Long Distance to put you in touch with those not-so-near but dear to you. Now, calling Long Distance could put you in touch with a new 1986 Fiero Sport Coupe in Telecom Canada's national "Student Long Distance Contest." Two students, Lise Bossé of Laval University and Garth Sam of University of Toronto, have already won Fieros. And two more students will talk themselves into a brand new, mid-

engine Pontiac Fiero Sport Coupe this spring. Here's how. Make 3 Long Distance calls, record the numbers you called on one of our entry forms, send it along and you're in business. Each additional set of three calls makes you eligible to enter again. But hurry, the last draw will be held on March 12, 1986. It may not be the kind of performance Dad had in mind, but then he didn't really specify did he?

TALK YOURSELF INTO A FIERO.

Final draw date: March 12, 1986.

Please enter me in the Student Long Distance Contest.

Make 3 Long Distance calls, enter the numbers you called on this entry form, send it along and you could be one of two fortunate students to win a fiery Pontiac Fiero.

Each additional set of 3 calls makes you eligible to enter again. So go ahead, talk yourself into a fiery Fiero.
