

WOMEN'S COUNCIL.

The regular monthly meeting of the Women's Council was held in the Prince of Wales College Saturday afternoon, May 24th. Mrs. Bayfield presided, and the minutes for the month were read and approved. The resolutions for the agents for the annual meeting, as approved by the executive committee of the National Council, were read and approved.

Resolved, on motion, that the names of Mrs. Benj. Rogers, Miss Anderson and Mrs. Rogers be sent to the National Council as delegates to the Women's Congress held in Paris.

Reports were received from several of the Presidents of the affiliated societies.

The Treasurer was requested to forward the amount collected for the library of the Blind School at Halifax.

A letter was received from the publishers of the "Canadian Home Journal," and it was resolved that the letter be published as the best means of bringing the offer to the notice of the members of the affiliated societies.

Reports were given by a number of the Presidents regarding the proposed Old Ladies' Home.

The employment bureau was reported a non-success, financially, owing to the applicants neglecting to pay their fees.

The Treasurer submitted the following report:

What is Dr. Chase's Nerve Food?

In appearance Dr. Chase's Nerve Food is an oval, chocolate coated pill. In the condensed form it contains all of nature's most strengthening and invigorating tonic and restoratives and for this reason it is unapproached as a blood builder and nerve restorative. It cures all diseases caused by thin blood and exhausted nerves and makes pale, weak nervous men, women and children strong and healthy. 30 cents a box.

PERSONAL

Dr. Shaw returned from Summerside this morning.

Mr. W. S. Stewart, Q. C., returned from Moncton on Saturday evening. While in Moncton Mr. Stewart delivered an able address before the Tupper Club.

It is pleasing to hear that Mr. E. A. Earle, son of Prof. Earle, who has been for the past two years accountant in the Merchants Bank of Halifax at Victoria, B. C., has been promoted to be manager of that bank at Westminister Avenue Branch, Vancouver, B. C. Heartly congratulations.

When It Hurts to Cough.

The cough that hurts, the cough that gets tight in the chest, is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption. Such coughs yield only to the wonderful efficiency of Dr. Chase's Syrup of Limes and Turpentine which loosens the tightness and cures cough and cold together. 25 cents a bottle. Family size 50 cents, sold everywhere.
