ICE FOLLIES — Friday, March 14, reserve date for this event.

MUSICAL FESTIVAL Entries close March 1st.

"LUBBER Boot specials: Men's \$4.29 to \$4.85; Boys' \$3.49 to \$3.95; Misses and children's \$2.89, \$2.50. Agnew-Surpass, 122 Kent.

MONTHLY meeting of Cerebral Palsy Association Tuesday, Feb. 28 8:00 sharp at 67 Hillsboro St. Important business to be discussed.

UNITED BAPTIST Church North River, Sunday Feb. 26th: Fairview, 11 a.m.; Long Creek, 3 p.m.; North River, 7:30 p.m. Rev. Owen Cochran, Minister.

WINSLOE Pastoral Charge The United Church of Canada, Services Sunday are as follows Highfield 11 a.m.; Winslow North 3 p.m.; Winslow South 7:30 p.m. Heber H. Hardy, Minister.

TRAFFIC ACCIDENT — A car stopped for the lights at the intersection of Longworth Avenue and Weymouth Street was hit in the rear by a truck, resulting in damage to the trunk and rear fender of the car.

FEDERAL M.P. — One of the interested spectators in the Legislative Assembly room yesterday was Mr. Nell A. Matheson, M.P., who made the announcement of the proposed causeway in the House of Commons recently. He leaves today for Ottawa.

MILTON RUSTICO Praish, Rev. A.E. Piercey, Service for Sunday, Feb. 26th, are St. John's, Milton: 11:00 Morning Prayer and Sermon; 7:30 Evening Prayer and Sermon. St. Marks' Rustico: 2:30 Evening Prayer and Sermon. "Come and bring the whole family."

BARN DESTROYED — Fire Thursday evening destroyed a large barn owned by Robert Connolly, Bedford Corner. The barn was built in the summer of 1954 to replace one razed by fire the previous year. A tractor and hay press were also lost in the blaze. All cattle were saved.

CARD PARTY WINNERS — Winners at the card party on Thursday evening in the Community Centre were ladies: 1. Mrs. E. Farnell; 2. Mrs. C. Wyn; 3. Mrs. Gaudet; 4. Mrs. C. Wyn; 5. Mrs. C. Wyn; 6. Mrs. C. Wyn; 7. Mrs. C. Wyn; 8. Mrs. C. Wyn; 9. Mrs. C. Wyn; 10. Mrs. C. Wyn.

COMPOSES SONG — On February 25, Mrs. P.J. MacLure, Murray River, P.E.I. will know the thrill of having her own composition played over CFCY. It will be heard on Don Messer's Studio Party at 8 p.m. on Saturday. "Dear Mother" is a touching tribute to all mothers and is Mrs. MacLure's first song.

POLICE COURT — Three accused were dealt with by Magistrate Martin yesterday morning. One drunk and incapable was given a ten day suspended sentence and a similar charge was dismissed. A young man charged with criminal negligence whilst operating a motor vehicle in connection with an accident which resulted in injury to two Charlottetown ladies, was further remanded until March second.

CORRECTION — On a question of privilege yesterday Mr. R.R. Bell called the attention of the Speaker to a statement in this paper in which he was criticising the Government for lending \$80,000 for the building of a motel near Charlottetown while other smaller operators went lacking. He said he was making reference to a loan of \$70,000 - \$80,000 to two motels, one at Charlottetown and one at Summerside. On a second matter, Mr. Bell said he had been quoted as saying that the service at Tormont was not good. His statement, he said was that the service at Tormont was good, but that there was a bottle-neck at Wood Islands.

Holstein Honors For Bunbury

In the recent annual Canadian honor list for Holsteins, a Prince Edward Island cow Abegweit Brilliant (VG) owned by the Bunbury Farms, Charlottetown, is listed as second for butterfat and fourth for milk production among the senior three years olds.

Her record was 19,591 pounds of milk with 753 pounds butterfat in 365 days.

It may be recalled that in last year's honor list, Bunbury Farms topped all Canada, with the record of Abegweit Stardust. The farms have been consistently in the Canadian honor list with high production for several years.

Of local interest is the recent sale of Abegweit Lone Star, year old of Stardust, to the Meadow-end Farms in Pennsylvania.

The death occurred yesterday morning as the result of injuries received while working in the woods near his home, of Raymond Larkin, 41, of Selkirk.

Mr. Larkin, who is the proprietor of Larkin's Mill, fell from a tree on to a sharp stump, piercing his rectum, bladder, and abdomen.

Despite his injuries he managed to reach his horses and sleigh and made his way to his home. He was admitted to the Charlottetown Hospital about seven o'clock Thursday evening.

He is survived by two children Elaine, 12, and Joseph, 9, his wife predeceased him three years ago. Also surviving are his parents Mr. and Mrs. John Larkin Five Houses, three brothers Philip in Ontario, Hubert, Five Houses, and Eugene Morell and by one sister Mrs. Frank MacPhee Selkirk.

His remains were transferred to the Hennessey Funeral Home yesterday morning and later in the evening they were transferred to the home of his brother-in-law Joseph A. MacDonald, Monticello. Funeral arrangements will not be known until later today.

At the close of the business session a social hour was enjoyed by the members and their guests. Lunch was served by the members. Meeting closed with Missp Benediction.

Tenders Opened For T-C Highway

The five tenders which were submitted for the subgrading of the section of the Trans-Canada Highway from Waterside to the Forty-eight Road, a distance of three miles, were opened at noon yesterday by Premier A.W. Matheson in the presence of representatives of the companies concerned, the Federal representative for the Trans-Canada Highway and representatives of the Provincial Department of Highways.

The lowest tender was submitted by Matheson and MacMillan for \$112,225, the next in order were Poole and Beer \$114,975, County Construction Company \$118,000, Morrison and MacRae Limited \$119,192, Curran and Briggs \$126,230.

The final acceptance and awarding of the contract now rests with the Dominion Government's concurrence with the recommendations of the Provincial Government.

The annual report of the R. C. M. P. for 1955 which was submitted to the Legislature on Monday, Feb. 24, 1956, shows that offences relating to drunken and impaired driving were reduced from the all time high of 179 in 1954 to 130 in 1955.

There was also a decline in the number of cases of reckless driving now in the section of the Criminal Code dealing with criminal negligence in the operation of a motor vehicle, their being fifteen cases in 1955 as compared to 38 in 1954. This reduction is believed to be closely related with the increased vigilance and activities of the road patrols. Also, possibly, the motoring public are becoming more aware of the dangers of driving while intoxicated and are exercising more care.

The improved picture of the foregoing was slightly marred by the steady increase of the offence of failing to stop at the scene of an accident (hit and run) which increased to 105 in 1955 from 83 in 1954. These investigations successfully identified 35 and four are still under investigation.

Eleven highway traffic accidents were responsible for the fifteen fatalities during the year. Six were the result of non-collision accidents and the remaining five involved collisions with other vehicles. All but one of the vehicles were of P. E. I. registry, the other being a U. S. A. registered car.

The operations of the traffic squad comprising seven men with three cars and three motor cycles will vary little from the present traffic and enforcement program which is producing satisfactory results.

During the year the total number of investigations made under the Federal Statutes, Provincial Statutes and Municipal Statutes amounted to 5,379. Under Federal Statutes the number of investigations made was 508, this represents a drop of some ten per cent over the previous year; the main cause of this reduction being fewer cases under the Customs Act, Indian Act and Fisheries Act.

It is noted that there was an increase in the number of investigations under the Excise Act and at present nine prosecutions are pending.

Public Works Report Tabled

The annual report of the Department of Public Works and Highways of Prince Edward Island, for the year ending March 31, 1955, indicates that a total of 43 miles of highways in the Province were paved, 242 miles of roads were widened and 75 miles cleared in preparation for the next year's work. In the bridge programme a total of 54 bridges were rebuilt and the successful completion of the North River causeway.

The report indicated that the Trans-Canada Highway project was progressing satisfactorily with the subgrading of the Borden-Charlottetown section being substantially completed and ready for completion during the following year.

In addition to the above the Maintenance Department surface treated by chip seal a total of 48.4 miles of highways and laid 3.3 miles of light pavement.

Reference was made to a question asked in the Senate by the late Senator MacArthur when it was revealed that a bridge would cost \$77,000; a tunnel lying on the bottom, \$38,000; a tunnel without ventilation, \$100,000 and a tunnel with ventilation, \$116,000 and a causeway, \$45,000,000.

As an indication how the automobile traffic had increased at Borden during the past 15 years, the Premier showed that from 25,000 cars in 1941 it had grown to 103,000 in 1953; 104,000 in 1954 and 123,000 in 1955. "With this trend, it would follow that in 1962 we would expect a traffic of 180,000. Or if we could expect the 30 per cent increase in traffic experienced by the Canso Causeway, we would be handling 240,000 cars a year."

He thanked most of you members know that when the present boat was built it carried all of the traffic alone but today it is not handling the traffic as it should and in the summertime with the two boats going we have long lineups on the piers," said the Premier, "if this continues there is no reason why we would not require another boat."

At last it was decided to build a bridge at a cost of \$100,000,000. "What are we going to do here? build a bridge—a tunnel—or a causeway?" He said that the average depth of Northumberland Strait was 80 feet and the deepest point 85 feet.

"It would seem from preliminary surveys that the causeway is the cheapest to build and the cheapest to maintain," the Premier said.

ESTIMATED COST In an estimate of the cost, the Premier made the following breakdown: rock fill, \$40,000,000; navigational lock, \$5,500,000; lock gates, \$1,500,000; administration building, \$60,000; railroad, \$1,000,000 along with other incidentals bringing the cost to around \$50,000,000.

Mr. Matheson said that the man who did the survey work and prepared the estimate was Mr. MacCullough, the engineer who estimated the cost of the Canso Causeway. "In the Canso job he estimated the cost as \$22,000,000 and it has been built for about \$20,000,000," he said.

Island Ayrshires Are Tops In Milk Production

In the February issue of "The Canadian Ayrshire Review", just published, it is interesting to note that Island Ayrshires stand well to the top of the various classes.

For example, in the Mature Class, 305 day division, Charlottetown Sir Roderick Dorothy, owned by the Experimental farm, was second in a class of 18, with 11,751 lbs. milk, 515 fat, this being 134 and 145 percent of the breed average for milk and butterfat production respectively.

In the Senior Four-Year Old Class, Fairvue Melody, owned by A. MacRae and Son, was first in a class of ten, with a production of 13,268 lbs. milk, 589 lbs. fat, this being 156 and 168 percent of the breed average for milk and butterfat respectively.

In the Junior Three-Year Old Class, Charlottetown Fair Flora, owned by the Experimental Farm, was second among a group of 12, producing 10,182 lbs. milk and 500 lbs. fat.

In the Junior Two-Year Old Class Charlottetown Dimple Gladys, owned by Burton Duellist, the imported bull, and owned by the Experimental Farm, stood fourth in her class, while Fairvue Bonita, owned by Andrew B. and Fred T. MacRae, was third in the Senior Three-Year Old class, producing 10,622 lbs. milk and 449 lbs. fat.

It is interesting to note that the three cows owned by the Experimental Farm were all artificially bred cows.

At the close of the business session a social hour was enjoyed by the members and their guests. Lunch was served by the members. Meeting closed with Missp Benediction.

The annual meeting of the Souris Home and School Association was held Friday evening in the boys' school. The president, Rev. Mr. Sharpe presided. Minutes of the last meeting and the secretary's annual report were given by the retiring secretary, Miss Helen F. MacIsaac.

The financial report was given by the retiring treasurer Mrs. Andrew MacIntosh.

The president thanked the executive and the members for their cooperation and support during the year; he also spoke about February being Founders' month and explained some of the aims and purposes of the organization.

Baptist Mission Circle Meeting

The regular monthly meeting of the Dr. Zella Clark Mission Circle was held in the Ladies Parlor on Thursday evening with a good attendance of members and visitors.

The president Mrs. Robert MacCallum presided.

Mrs. Trevor Hanson, on behalf of the group, welcomed the visitors. Meeting opened with the devotional led by Mrs. Ralph Rupert. Plans for the evening were Mrs. Hannah Bailem, singing hymn was "Jesus Calls Us," Scripture reading Matthew 5: 1-22. The theme for the meditation was entitled "Ye Are The Salt of The Earth," after which the group was led in prayer. Closing hymn was "The Light of The World is Jesus."

The business session was opened with the roll call answers by "Name of Missionary and where stationed". Minutes of last meeting were read and approved. Offering was received for Missions. Correspondence was read and discussed. Mrs. Robert Brown read the biography of "Dr. Sarah Cook", Baptist Missionary in India. Mrs. Harold Milten conducted a map study and told of the work done by Dr. Zella Clark in India.

At the close of the business session a social hour was enjoyed by the members and their guests. Lunch was served by the members. Meeting closed with Missp Benediction.

The annual meeting of the Souris Home and School Association was held Friday evening in the boys' school. The president, Rev. Mr. Sharpe presided. Minutes of the last meeting and the secretary's annual report were given by the retiring secretary, Miss Helen F. MacIsaac.

The financial report was given by the retiring treasurer Mrs. Andrew MacIntosh.

The president thanked the executive and the members for their cooperation and support during the year; he also spoke about February being Founders' month and explained some of the aims and purposes of the organization.

A discussion was led on safety patrol program to safeguard the young children leaving the school.

A committee to deal with safety patrol was appointed, namely Rev. Mr. Sharpe, Monsignor Murphy and Mr. Francis White.

RCMP Report Shows Decline In Most Offences

The annual report of the R. C. M. P. for 1955 which was submitted to the Legislature on Monday, Feb. 24, 1956, shows that offences relating to drunken and impaired driving were reduced from the all time high of 179 in 1954 to 130 in 1955.

There was also a decline in the number of cases of reckless driving now in the section of the Criminal Code dealing with criminal negligence in the operation of a motor vehicle, their being fifteen cases in 1955 as compared to 38 in 1954. This reduction is believed to be closely related with the increased vigilance and activities of the road patrols. Also, possibly, the motoring public are becoming more aware of the dangers of driving while intoxicated and are exercising more care.

The improved picture of the foregoing was slightly marred by the steady increase of the offence of failing to stop at the scene of an accident (hit and run) which increased to 105 in 1955 from 83 in 1954. These investigations successfully identified 35 and four are still under investigation.

Eleven highway traffic accidents were responsible for the fifteen fatalities during the year. Six were the result of non-collision accidents and the remaining five involved collisions with other vehicles. All but one of the vehicles were of P. E. I. registry, the other being a U. S. A. registered car.

The operations of the traffic squad comprising seven men with three cars and three motor cycles will vary little from the present traffic and enforcement program which is producing satisfactory results.

During the year the total number of investigations made under the Federal Statutes, Provincial Statutes and Municipal Statutes amounted to 5,379. Under Federal Statutes the number of investigations made was 508, this represents a drop of some ten per cent over the previous year; the main cause of this reduction being fewer cases under the Customs Act, Indian Act and Fisheries Act.

It is noted that there was an increase in the number of investigations under the Excise Act and at present nine prosecutions are pending.

Of the 61 investigations under the Criminal Code, 383 prosecutions were entered with 320 convictions being obtained. Of the remainder 74 are still under investigation, 43 were handed over to the department concerned and 171 were terminated under such headings as complaint unfounded or complainant declines to prosecute, etc.

During the year there were 190 crimes against the property consisting mainly of offences classed as other thefts (thefts of a petty nature involving small amounts of cash, merchandise and equipment from cars). There were also 68 cases of break, entry and theft, four of theft of cattle, two each of safebreaking and arson.

In addition members of the force again in a voluntary capacity gave several talks to groups of children on safety measures covering walking, cycling and driving etc. Assistance was also given to a number of youth organizations.

Jersey Breeders Annual Meeting

J. Albert Boswell of Dunstunage was elected President of the P.E. Island Jersey Breeders Association at a well attended and enthusiastic meeting held in the agricultural room of Provincial Department of Agriculture building last night.

A special committee was appointed to deal with a new scheme of housing to assist new breeders and also to start Club Cows. Another committee will undertake to plan an extensive advertising campaign in the interest of the Association and the development of the Jersey breed.

General satisfaction was expressed at the success of several breeders, notably Clark Brothers, North Wiltshire, who led the class for all Canada in senior two year old win ning silver and gold records and also James Nickerson-owner of a cow winning a gold medal for record. In addition several "Ton of Gold" cows were recorded.

Other officers of the Association elected were: Vice President, George MacMillan, Cornwall; Dr. J.P. Lantz, Secretary, and the following Directors; Edson Mutch, North River, Douglas Matheson, St. Peter's, Edwin Lord, Bedeque, Henry Barker, North Wiltshire, and Fred Kitson, Hampshire.

The regular monthly meeting of the F. E. I. Nurses Alumnae was held at the Cundall Home Friday evening with a good attendance.

The meeting opened with repeating the Lord's Prayer. Mrs. Lois MacDonald presided and minutes of last meeting were read by Miss Florence MacLean.

The treasurer Mrs. Mary Fullerton gave a satisfactory report, other committee reports were given; letters of correspondence were read and a short business discussion was held.

The special feature of the evening was slides both beautiful and interesting shown by Mrs. Jim Montgomery of her trip to Europe, followed by delicious lunch served by hostesses Miss Florence Dunbar, Miss Kay Dalziel, Mrs. Laura Clapp, Miss Nan Cole.

The monthly meeting of the Hazelbrook BYPU was held Friday evening at the Parsonage. Devotional leaders were Rena and Helen Wood.

Rev. C. E. Armstrong conducted the study period. Following the business a lively hour of recreation was enjoyed under the direction of Dorothy Wood and Beatrice Farquharson.

Personals

Mrs. Giles Cantwell has been admitted to the Charlottetown Hospital.

Mrs. Mark Horton has entered the P.E. Island Hospital for treatment.

Hostesses at the Charlottetown curling club this Saturday evening will be Misses Mary MacLennan, Joyce Coffin, Florence MacLean, and Noreen Auld.

Births, Marriages, Deaths 50c Per Insertion

MACAUSLAND — At the P. E. Island Hospital Feb. 23, 1956, to Mr. and Mrs. Harry MacAusland, East Royalty, a son
