## Action Pleases Crowd

**JUST** about everybody was in agreement about Tuesday's ISHL game at The Sports Arena. The verdict was that it was one of the best seen here in regular league play for along time.

It was expected that Sandy's Parkdale Royals would cop the verdict and this they did. However, after roaring into that 3-0 lead in the opening session, the Royals had to fight for their very lives as the Prince County Combines came roaring back to life.

It was the type of a battle that real hockeys fans enjoy. There was some really hard skating, good clean body checking and a minimum of dirty play. Both teams decided to stick to hockey throughout the evening and a result folks saw a battle royal from start to finish.

**ALTHOUGH** the Prince County boys didn't quite measure up to the occasion, they won a lot of friends by their determined stand. They tried their mightiest and was only the great work of Lyman MacInnis in the Royals' cage that kept them from going west that night with the decision. The former Penguin netminder gave a great performance as he broke the hearts of the westerners time after time.

Many in the Combines' cage was also in top form and the diminutive goalie saved the visitors on many occasions.

All in all, it was a pleasing performance and more of the same will surely bring more folks into the rinks. As it was Tuesday, things weren't too bad at all. About 700 paid customers watched the action and there'd be no kicking if that number could be held during the regular season. Of course, when play-offs arrive, promoters and rink managers will be looking for packed houses.

## Royals Losing Mulligans

**ROYALS**, we understand, are losing the services of Billy and Vince Mulligan.

These two most capable hockeyists are students at St. Dunstan's High School and have been declared eligible to perform with Jack Kane's Varsity outfit. Usually high school students are not allowed by the Maritime Intercollegiate Athletic Union to perform on Varsity squads. However, the local Saints are in dire need of help this season and the MIAU allowed the Red and Whiters to go into their high school ranks. It is believed that Jimmy Cullen will also turn out with the Kanemen in an effort to bolster the SDU club. Jimmy is also a high school student at the Maheque Road school.

Cullen's decision will be a loss to the Penguins, the junior entry in the Island Senior Hockey League.

Saints open their intercollegiate schedule this weekend in Halifax where they engage St. Mary's University. The Saintmarians bowed 8-6 to Nova Scotia Tech in the league opener last Saturday in the Nova Scotia capital. George Trainor of Charlottetown and former star defenceman of Saints and Penguins, is a rearguard with the Tech outfit.

**SAINTS** are not expected to burn up the intercollegiate league this season but the addition of high school players will certainly make them a great deal more potent than they otherwise would have been. Coach Jack Kane isn't expecting any miracles in his freshman year as coach but he knows that this could be the start of a real hockey movement at St. Dunstan's. The football started very modestly but this season, the first in AFC competition, Saints were able to finish ahead of three other Maritime universities.

We'll have more to say about the complete SDU lineup before they take off or Halifax and their game with St. Mary's.

## Watch Those Combines

**THE** Prince County Combines were minus Vance Harris, Grant Grady, Ulric Gallant and Dale MacWilliams when they performed here Tuesday. That's a lot of talent and despite their absence, Combines did everything but win the hockey game. When the Combines ice a full team, you can surely expect them to be mighty dangerous.

**Right now, these boys from Prince look like the team to beat. Sandy and his boys undoubtedly think they can still retain their ISHL crown but the Combines definitely should be a great stumbling block all through the piece.**

Civic Stadium should be packed when Royals visit there on Friday November 30.

## Eagles Look Good

We saw the RCAF Eagles in their second game of the season against the Junior Penguins and we'd say if they could maintain the pace they set in brief flashes throughout the game, they'd wallop other teams in the league pretty decisively. Three or four of their goals were the result of whirlwind attacks around the Old Spain net that had the Penguins defence bewitched, bothered and bewildered. During those short sessions, the Eagles were red hot, but they lapsed into pale mediocrity for much longer periods.

**They played to perfect on the role of the little girl with the curl right in the middle of her forehead. Maybe it's a matter of condition. Steve Phillips scored his fourth, fifth, and sixth goals, all in impressive fashion, and Bill Smith, not yet in top shape, fed the snipers well garnering four assissts.**

## And So Did Baby Birds

The Junior Penguins were much more consistent, and were it not for the brilliant stopping of Irv Walsh in the Eagle cage, would have chalked up their first win. Walsh stopped 33 snots, 18 of them in the final period when Frizzel was turning aside only 4. Dave Martin looked good. He has a deceptive shift, and like the Whitlock of old, neatly pokes the puck between his check's skates, and goes round him.

Dave Lawlor and Stan Peardon were sharp on passing manoeuvres in enemy territory Lloyd "Toy Toy" Gallant came pretty well up to expectations, trading body-slams with some of the heftier Eagles, such as Bob Main, but Louis Smith and John Davis, lesser lights as far as reputation is concerned, held their own with Gallant for rearguard effectiveness.

The Prince County Intermediate League is attracting considerable attention. Jack Fox's Hillcrest Strikes—try that tongue-twister for size—look to be the best of the lot right now, but they haven't played O'Leary or Tyne Valley yet, and those two Western teams may give them some trouble.

Harold Martin, pitcher and home run belter for the Martime champs, the MacKenzie softball team, looks to be a valuable addition to the Hillcrest team, which is really last year's Beavers under an assumed name. Martin has six goals, and we can't help think he would have helped the Eagles in the ISHL. Depends, of course, on how much difference there is between ISHL and Prince County League. Bo Steele is right behind Martin with five counters.

## Albany Surprises

The Albany St. Pats surprised fans by tying O'Leary, last Year's Island champs. The St. Pats are a better balanced team than O'Leary who depend a lot on their big gun Glen Rogerson. Albany seems to have the trickiest stick handlers in the league, and if they can get their passing a little smoother, they will be troublesome to all comers.

Our "Last Week's Bouquet" got badly crumpled in transit and looked like blank verse. Perhaps blankety-blank verse would be a better description. Believe it or not, this immortal ode did have four lines, each of four iambic feet, first and third, and second and fourth lines rhyming but you'd never guess it when it appeared.

Let's make a contest of it. A box of chocolates to the first reader who can send it in to us as it should have appeared. That is, of course, if you haven't used Monday's "Sport Echoes" to kindle a fire or wrap fish.

# Baby Birds Host Royals Tonight

Two Charlottetown area teams, Sandy's Royals and Old Spain Penguins, clash tonight at The Sports Arena in Island Senior Hockey League action.

Royals are undefeated in two starts. They took both their wins out of the Arena, downing Airmen 13-5 and Prince County Combines 8-3. The Baby Birds dropped a 4-2 decision to the Combines at Civic Stadium and held the Eagles to a 7-7 draw at the air base.

Royals will be heavy favorites to topple the Old Spainers tonight but these junior lads may present more trouble than most folks anticipate. They gave the Combines a hard battle in their opener last Friday at Summerside.

This is the first home contest for the lads coached by Wes "Bucko" Trainor and it should mean a big turnout of fans to see these old rivals collide.

Action starts promptly at 8.15 tonight.

# Rangers Trounce Hapless Bruins

NEW YORK (AP) — New York's No. 1 line of Earl Ingarfield, Andy Hebenton and Andy Bathgate erupted for three goals in the second period Wednesday night and the Rangers went on to beat helpless Boston 4-2 in a National Hockey League game.

The burst built a 4-1 lead for New York but the Rangers had to work hard to hold it against a surprisingly aggressive band of Bruins.

The loss extended Boston's winless string to 14 games and spoiled the debut of coach Milt Schmidt. Schmidt was named to replace Phil Watson early this week.

The Bruins, who haven't won since their opener, went all out for Schmidt in this one. They skated well and checked crisply and forced Ranger goalie Gump Worsley to make 23 saves.

They just couldn't overcome New York's second period burst when Ingarfield, Hebenton and Bathgate each scored once.

It was particularly pleasing for Hebenton, who also assisted and was credited with the winning goal. He was honored in a pre-game ceremony for tying a club record of 508 consecutive games.

The Rangers' Camille Henry and Boston's Tom Williams matched first period goals, and Don McKenney completed the Bruins scoring with a rebound in the third period.

It was New York's third victory in the last four games and the first time this season they had put two together.

## 2 Players Suspended

Joey Arsenault, Sandy's Royals, and Bob Main, RCAF Eagles, have been suspended for one game by Island Senior Hockey League president, Dr. Hillard Clark.

Arsenault and Main drew majors for fighting in the league opener at The Sports Arena last week and were tossed out with game misconducts when they decided to continue their brawl after being halted by the referees.

Both Arsenault and Main will miss Sunday afternoon's action at the RCAF rink when Eagles entertain Royals.

## Flanagan Scores Pair

WINDSOR, N.S., — (CP) — Moncton Beavers whipped Windsor Maple Leafs 8-4 in a dull Nova Scotia Senior Hockey League game here Wednesday night before 750 fans.

Beavers, paced by two-goal performances by Jules Gagnon and Alf Flanagan, built up an early lead and never looked back as Windsor lost its fourth game in six starts.

Beavers' victory, their fourth in seven starts, moved them into first-place with nine points, one ahead of New Glasgow Rangers who lost Wednesday to Halifax Tartans.

Moncton built up a 3-0 lead in the first period on goals by Oscar and Cam Gaudet and Flanagan. In the second playing coach Doug McPhee and Flanagan scored for the winners while Dave McLeod and Simon Nolet counted for Windsor.

Gagnon's two goals came in the third after Flanagan had scored.

Jimmy Beckman and the veteran Chook Smith scored for Windsor

## Bucs, Braves Make Trade

PITTSBURGH (AP) — Pittsburgh Pirates traded first baseman Dick Stuart and pitcher Jack Lamabe to the Boston Red Sox Wednesday for pitcher Don Schwall and catcher Jim Pagliaroni.

It was the second major trade engineered by General Manager Joe L. Brown of the Pirates in three days.

Monday, the Pirates traded shortstop Dick Groat and pitcher Diomedes Olivo to St. Louis for shortstop Julio Gotay and pitcher Don Schwall.

Schwall, 24, a righthander, was the American League's rookie of the year in 1961. In 33 games last year, he posted a 9-15 record with an earned-run average of 4.95.

Stuart, a controversial slugger, hit 228 last season with 16 home runs and 66 runs batted in. In 1961, Stuart slugged 35 homers and had 117 RBIs with a .302 average.

# Prince To Officially Open 7th British Empire Games

By JACK SULLIVAN
Canadian Press Sports Editor

PERTH (CP)—Prince Philip arrived Wednesday to open the seventh British Empire Games in this western Australia seaport today, and the weather provided a perfect setting for the anticipated assault on world records by some of the fastest runners and best swimmers of modern times.

Philip will formally declare the games open at 4:15 p.m. Perth time (4:15 a.m. AST), in the glistening new 50,000 - seat Perry Lakes Stadium. The main competition begins Friday.

The last athlete to check in was sprinter Tom Robinson of the Bahamas, the defending 220-yard champion. His arrival brought the total number of competitors to 1,029 from 35 countries.

After several days of chilling rain and blustery winds, the weather broke beautifully Wednesday with blue skies and temperatures in the 80s. More of the same was predicted for today.

Canadian officials met Wednesday at the games village and the commandant of the 72-member Canadian team, Jack Davies of Montreal, was cautious in his appraisal of Canada's chances to win some championships.

**DAVIES CAUTIOUS**

In an interview, Davies cautioned the Canadians not to start counting their gold medals. The oarsmen are plainly worried about their chances of duplicating their gold - medal performances in the eights in the 1954 and 1958 Empire Games.

"We have two world record-holders on the team but you never know what could happen," Davies said. "The only thing I am optimistic about is that if wind conditions are right we could see world records smashed in track and field and it's a certainty world marks will go by the boards in swimming."

Harry Jerome of Vancouver heads the formidable field of sprinters. Jerome, who is the first man in history to share both the world 100-yard and 100-metre records, is shooting for three gold medals—in the 100 220 and the relay.

He shares the 100-yard dash with Frank Budd of the United States (9.2) and the 100-metre dash with Armin Hary of East Germany (10 seconds flat).

**STEWART TO TRY**

Canada's other world record-holder, swimmer Mary Stewart of Vancouver, will try for gold medals in the 100-yard freestyle, 110-yard freestyle, 110-yard butterfly, 440 freestyle relay and 440 medley relay.

The 16-year-old Canadian holds the world record of 1:07.5 for the 110-yard butterfly.

Australia, the host country with a brilliant field of swimmers and a strong track and field squad, is favored to win the unofficial team championship in stiff competition with Britain and New Zealand. The Aussies have the biggest team, 247 athletes.

Main interest centres on the three-mile race in which Murray Halberg of New Zealand, the world titlist with a clocking of 13:10, tests his speed and endurance against Bruce Tulloh, England's 5,000 - metre champion; Albie Thomas of Australia, former world two-mile and three-mile king, and Bruce Kidd, the 19-year-old Canadian star.

Halberg, 29, a schoolmaster with a withered left arm, is favored to win the event in possible world record times. The three-mile run is scheduled Monday.

Kidd's timetable calls for him to run six miles Saturday—which Halberg and Tulloh are passing—as well as the three miles.

Told that observers figure he won't win either race, Kidd grinned widely and said: "That is good. That's the way I like it."

In the women's competition England and Australia should fight it out for sprint honors while New Zealand should be strong in field events with Valerie Young favored in the shot and discus.

Dawn Fraser and Murray Rose head the brilliant record-shattering Aussie team, which is almost certain to dominate the water events.

**CANADA LOW**

One of the nine sports in the games, lawn - bowling, has been going on since Monday among 11 countries in the fours. Wales, with five wins and a tie, is the only unbeaten country in the round-robin with 11 points. Canada is tied for last place with one win and six losses.

The major competition gets under way Friday with swimming in the $1,500,000 aquatic centre with its underwater observation room and artificial ripple maker.

## O'Leary Club Takes Title

SUMMERSIDE — The O'Leary High School girls defeated Kensington girls in a soccer game at Queen Elizabeth Park yesterday afternoon by the score of 2-0, thus winning the provincial interscholastic senior "B" title.

Alma Stewart kicked the field goal which was worth two points.

The game was refereed by Barry Champion. Kensington girls had previously defeated Miscouche.

This afternoon at Queen Elizabeth Park in Summerside Miscouche boys will play the Stella Maris team of Rustico a sudden-death game for the interscholastic senior "B" title in the boys' division.
