British Recognize Pender So Title Fight Called Off

LONDON (AP)—British boxing officials Wednesday night refused to withdraw recognition of Paul Pender as world middleweight champion and so a proposed title fight between Gene Fullmer of Utah and Terry Downes of London was called off.

Promoter Harry Levene wanted to stage the fight at London's Earls Court Stadium June 26. Fullmer, already recognized as world champion by the American National Boxing Association, said through manager Marv Jenson that he was willing.

But the British Boxing Board of Control said no.

Teddy Waltham, secretary of the board, announced:

"We recognized Downes as world champion until he lost the title to Paul Pender of Brookline, Mass. Now we recognize Pender. Obviously, the one logical match to clear up the world middleweight situation is Fullmer vs Pender."

A Fullmer - Pender fight had been set for Bozeman, Mont., June 9. Each of the boxers was to get $113,750 according to the deal arranged by co-promoters Norm' Rothschild of Syracuse, N.Y., and Sam Silverman of Boston.

FIGHT UNCERTAIN

The fight, however, has become uncertain because of the inability of the promoters to get a television sponsor.

Levene said he would now try and arrange a bout between Downes and Sugar Ray Robinson, the former middleweight champion from New York.

Downes had to come from behind Tuesday night to outpoint Don Fullmer, Gene's younger brother, in a rousing 10 - round bout.

Kenson and Don left by plane for New York before the BBBC had announced its decision.

Warriors Move To San Francisco

NEW YORK (AP) — Philadelphia Warriors, starring Wilt Chamberlain, finally moved to San Francisco Wednesday.

After a month-long series of meetings the National Basketball Association's board of governors approved the sale of the franchise for $850,000 and the shift to San Francisco although the Boston and New York clubowners voted against it.

SPORT ECHOES

By Norman Macdonald
Summerside Bureau of The Guardian

May Dominate Meet Again

Summerside High School track and field athletes, under the capable direction of Charles Ballem and Mrs. Mark Ferguson, are showing signs that they may dominate the provincial interscholastic track and field meet as they did last year. No less than seven SHS records went by the boards at Tuesday's annual meet. At least one of those records probably broke the interscholastic mark, although we don't have any positive proof of this handy.

Mike Dagg's broad jump of 20 feet 7½ inches looks as if it might be an all time school mark for Prince Edward Island.

Could Achieve New Mark

Mullin hasn't learned to roll over the bar as yet. He still kicks himself over as all high jumpers did at the dawn of the century. With more training this boy should achieve a new high school mark in the high jump. Paul also plays hockey and baseball, being a member of the Maritime championship teams in both these games.

Sheila McInnis, a modest little miss in grade XI, topped all the athletes on the distaff side with 13 points, and her broad jump of 13 ft. 7½ inches set up a new Sum-Hi mark for other high school femmes who would like to get up in the world to shoot at. Sheila also shines at softball. We've seen her make some spectacular plays in the infield.

Ron Duggan's 21 points topped the male athletes, and Ron also smashed one of the records by tossing the javelin 146 feet, 10 in. Ron is one of Summerside High's ace basketball players, and also spikes a mean shot in volleyball.

Dagg, who lopes long with a smooth, effortless-looking motion, dominated the shorter track events, winning the 100 yd. 220 yd., and 440 yd. His time of 23.7 sec. for the 220 yards broke the old Sum-Hi mark.

Another up-and-coming athlete, and the word "up" is significant here, is Paul Mullin who won the most points for boys in junior division. Paul got over the high jump bar at 5 feet, 1 in., and that's exceptionally good for a grade IX student. Dave Bernard, the best high jumper to come out of SHS, chalked up 5 ft. 7 in. last year, but he was in grade XII at the time.

Glad Of Invitation

We were glad to receive in today's mail an invitation to attend the RCAF annual sports banquet and dance, which is being held for the first time this year. Our friend Neil Houle, recreation officer at the local RCAF is the prime organizer of this event, and under his guiding hand we believe the affair will be a decided success.

Canadian Horse May Go In Epsom Derby Classic

By ALAN HARVEY

LONDON (CP)—It looks as though there may be a Canadian horse in the English Derby again this year.

If everything goes well, Canadian colors will be carried in the big June 6 race by the French-bred Prince d'Amour, now racing for Mrs. Suzy Volterra of Paris.

Bloodstock officials said Wednesday the stretch-running colt has been sold by Mrs. Volterra to Alberta Ranches, owned by Calgary sportsmen Max Bell and Frank McMahon.

The sale depends on the result of a veterinary's examination. If Prince d'Amour passes, he'll be a certain starter in the Derby, perhaps with outstanding Australia jockey Scobie Breasley in the saddle.

RACE WIDE OPEN

This year it's a wide-open, anything - can - happen Derby, characterized so far by the swift fall from grace of most of the leading contenders. Prince d'Amour didn't run in 1961, his freshman season, but as a sophomore he won a race in France over 1½ miles, which automatically makes him a threat is such a moderate year.

Canadian owners are thinly represented in the history of Britain's top classic race. "In recent years, however, Alberta Ranches has done something to redress the balance.

In the last decade the stable, or occasionally Bell acting individually, has had promising Derby runners in Indian Hemp, Blue Sail, Alberta Blue and Alberta Pride. But none has finished closer than sixth in the famous race at Epsom that British statesman Disraeli called the "blue riband of the turf."

The current choice at 6 to 1 is Maj. Lionel Holliday's Hethersett, an easy five-length winner in his only 1962 start. Prince d'Amour was 25 to 1 in the last list of prices, but odds will contract if Breasley takes the mount.

Bowling Tourney Underway Today

The Canadian National Railways Maritime Todd Memorial Bowling tournament gets underway today at the Rollaway bowling alleys with a total of ten teams competing for a trophy donated by the late Fredd Todd in 1929.

The trophy is made from German shell from the First World War and all work on the trophy was done by the late Mr. Todd. It is one of the oldest bowling challenge trophies in the Maritimes, and possibly Canada today, and has been bowled for every year with interruption since it was donated.

The tournament will be completed Saturday. Following are the teams which will be competing in the tourney:—Truro, Saint John, Halifax, Campbellton, Moncton No. 1, Moncton Apprentices, Moncton Freight, Sidney No 1, Sydney No. 2, and Charlottetown.

Members of the Charlottetown team are:—Cleaver MacLean, Bud McAleer, Clarence Duncan, Harold Lloyd, Harry Craswell, Gus Gallant and Brent Partridge.

Stirling Moss Making Progress

LONDON (AP)—Stirling Moss is continuing to make satisfactory progress, a hospital spokesman said Wednesday.

Similar reports of the auto racing driver's recovery have been given each day for the last week. He suffered injuries to the head, left arm and left leg in a crash at Goodwood April 23.

Qualifying Shoot Staged Saturday

With weather conditions almost perfect, some 30 of the top Island marksmen converged on the Squaw Point ranges, Saturday afternoon, for the first Inter-Maritime qualifying shoot, conducted by the Prince Edward Island Rifle Association.

F-Sgt Mike Susick of RCAF Station, Summerside, competing in class one, finished up as top man for the day, with a score of 100 out of a possible 105. This gave Mike a three point edge over Tpr Bob Barwise and Lt. Mary MacLennan Lea, who each had 97.

Mary was the only sharpshooter to register a possible 35 at any one range, and she racked it up at the 200 yard firing point. Other ranges fired were 500 and 600 years, with Sussick and Kevie Dowling coming up as the best marksmen at the longest range both had 33 out of 35.

In class two Ronnie Clark and Mike Jelks held down the two top spots, each with 92, with Clark taking top honors by having 30 at the 600 against Jelks' 29.

Following are the leaders in each group:

CLASS ONE

F-S M.P. Susick	100
Tpr R.R. Barwise	97
Lt. Mary MacLennan Lea	97
Sgt. P.J. Landrigan	96
Tpr H.T. Vessey	96
Lt. G.J. Rogers	94
Lt. A.K. Mutch	94
Sgt. R.A. Vessey	94

CLASS TWO

Tpr. R.L. Clark	92
Tpr. M. Jelks	92
Tpr. K. Dowling	91
Tpr. E.W. MacLean	90
Edna Kelly	90
Tpr. A. Court	88
Tpr. W. Smith	88
Tpr. Ken Jay	88

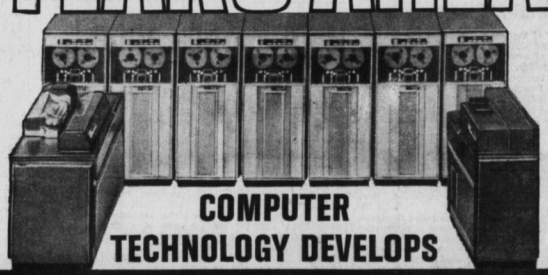
15 YEARS AHEAD!



COMPUTER TECHNOLOGY DEVELOPS
NEW SKY CHIEF GASOLINE

The project: to develop a completely new and radically better gasoline formula for Texaco.

The ingredients: over a million miles of actual driving experience—decades of weather records—performance data on all the latest additives and developments that might be used to design a perfect gasoline.

Computers were used to leap-frog the future—and to devise a new formula for gasoline that would give Canadian motorists every possible benefit—at present prices!

The answer was found in days (instead of years). The computer formula has been translated into a remarkable new gasoline. It has been tested, delivered, and is waiting for you at your nearest Texaco service station.

Test-drive a tankful today! Your car will enjoy the difference.

GET THE BIGGEST BOXSCORE OF BENEFITS IN GASOLINE HISTORY

Better Mileage	No Rust or Corrosion
More Usable Power	Longer Engine Life
Faster Starts	Less Stalling
Quicker Warm-Ups	Longer Ring Life
Faster Acceleration	Longer Spark-Plug Life

Wherever you go...trust
