SHIFTING INTEREST

The chemise or shift line is a natural background for fine accessories. Jewelry, especially, provides an ideal accent to break the straight line. Color offers spice for spring sartorial creations with costume pieces with sleek precise lines and colorful detail to enhance the shift or any other silhouette. Here, chunky Veneitian stones mottled with gold are linked into a handsome necklace to fill in the stark neckline of a simple shift. Earrings and bracelets complete the pretty picture.

I was a sleepless wreck

My nerves grated from lack of sleep. Indigestion bothered me. I felt jittery, depressed, drained of all ambition and energy.

Some people suffer unpleasantness because their systems are aggravated by elements in everyday beverages. This is particularly true of those with "nervous" temperaments.

While some people can drink tea, coffee, cocoa and some soft drinks without harm, others cannot.

Postum does not contain stimulants such as caffein, theophylline or theobromine which can rob you of sleep, irritate your nerves, speed up pulse with subsequent depressing let-down. Postum does not contain tannin to give you indigestion, nor any other ingredient to cause you harm.

Switch to Instant Postum, the beverage of comfort! Postum tastes and acts like no other beverage. Postum has its own distinctive flavor. Make Postum instantly, right in your cup. Just add freshly boiling water, or hot milk, stir and enjoy.

Try Postum for 30 days. When nerves are soothed, you sleep better, feel better, look better. Get Instant Postum at your grocer's. Costs less than 1¢ a cup. A product of General Foods, Limited.
