New Propane Gas Plant At New Annan Is Opened

With the construction and opening of the new propane cylinder filling plant by Island Propane Gas Limited at New Annan yesterday, another stone has been turned in the territorial pace of expansion in the propane gas industry, where today the annual consumption of propane gas is in excess of five million gallons in Canada and the United States, by many millions of consumers.

The rapidly increasing demand for propane gas on Prince Edward Island has made the formation of this, the third company established by the Sumner Propane Gas Ltd. of Moncton with retail stores at Summerside and Charlottetown, a very practical undertaking. To further improve the service and because of the constantly increasing volume this Island company have now enlarged their facilities to include a cylinder filling plant at New Annan under the management of Jack Scribner of Charlottetown. Francis MacQuarrie the Summerside sales and service manager.

In 1949 Martin P. Fraser, who is president of this company and Hamilton L. Hill, who is vice president organized the first propane gas company in the maritimes known as Sumner Propane Gas Ltd. at Moncton, N.B. The popularity of propane gas because of its efficiency, economy and utility soon necessitated the establishment of a dealer organization throughout the Maritimes. With the closing of the gas system in Halifax, a cylinder filling plant very quickly became necessary and another new company know as Halifax Propane Gas Ltd. was formed by the two principals mentioned above.

The army, air force and navy very quickly appreciated the great convenience and practicality of propane gas and are today using millions of gallons. One of the biggest contracts at the time the pioneering work was done with the services was a contract to supply 255 homes at R.C.A.F. Station, Summerside, which was originally given to the Moncton company and later handled by Island Propane Gas Limited.

The three cylinder filling plants have been constructed under the supervision of Wm. B. Firner, the company's propane engineer. Jack Taylor assists in the direction of the Halifax and Island companies in addition to his management duties in Moncton.

Martin P. Fraser, president of the company is also president of the Sumner Company Ltd. In Moncton N.B. Hamilton L. Hill who directs the activities of the three propane companies is also president of Dominion Food Products Limited a new company recently organized, which will have a plant at New Annan for the processing of cod, frozen foods.

Among those present at the opening from out of town, were Keir Clark, Kensington; Ralph Dawson; Merville Fletcher, Fredericton N.B. Alan Holman, Ch'town; E. W. S. Fisher, of the Enterprise Foundry Co., Sackville; Arley Copp, manager of Blu-Flame Gas Limited, Sydney, N.S.; Mr. Marshall, of Imperial Oil, Halifax; John Ellis, Supt. Bank of Montreal, Halifax; Alfred Gosling, C.A., Moncton; Mayor David D. Stewart, Charlottetown; B. Graham Rogers, Charlottetown; and John Waugh and son, New Annan, from whom the property for the site was purchased.

After a luncheon at Howard's Sea Food Restaurant, the new plant and retail store were visited by the guests and company officials.

Let's Talk It Over

by "d"

It is natural, perhaps, that statesmen and ordinary citizens, too, should be sceptical about the Russian Bear suddenly appearing to the world in sheep's clothing. Some people, remembering the Japanese peace mission just before Pearl Harbour are even apprehensive that the Russian "hi, neighbour!" routine might be a prelude to some sort of sneak attack. Others figure that the pressure of economic difficulties has caused the Russians to put on the mask of friendship. For what it's worth, we discount these theories and venture to predict that the Soviet Union this time is honest in its friendly advances.

* * *

A unique belief to hold about a nation of which misrepresentation has long been its chief diplomatic weapon. We reason it thus: The Russians may be knaves, but they are not fools. And in this momentous era they, and all the other nations for that matter, have a choice of two things: (1) An atomic age of peace in which the atom will bring unbelievable prosperity and blessings to the whole human race; there will be enough miracles to go round, and there will be no "have-nots" to trade their butter for bazookas and vow vengeance on the "haves". (2) An atomic age of war in which the atomic will bring unbelievable horror and misery, with no possible hope of victory for anyone. The leaders of all major countries, including Russia, are fully acquainted with the terrible alternative in this pair of choices. Only a blood-madened maniac could make the wrong choice as between "atoms for peace" and "atoms for war."

FIREMEN INJURED

VANCOUVER (CP) — A three-alarm fire which swept through the millwork and stockroom section of the New Dominion Construction Co. plant Thursday night caused an estimated $100,000 damage. Two firemen were injured battling the blaze.

Camp Keir Boys Camp Concludes

After ten hectic and glorious days at Camp Keir, French River all is quiet and bunks are empty. The days were glorious for the 23 boys who enjoyed excellent weather for sports, swimming, and out door Bible classes. A bit hectic were the days (and nights) so far as the leaders were concerned.

The Rev. Donald Nicholson of Clyde River was the director of the boys camp which ran from August 2nd - 11th. Assisting Mr. Nicholson was the Rev. L.M.MacNaughton of Marshfield. Much enjoyed by the boys and the entire staff, was the presence at camp of Mr. and Mrs. Stephen Moti Lall of Jhansi, India where the Presbyteria Church has a mission establishment. Mr. and Mrs. Moti Lall are in Canada and the U.S.A. for advanced study that they might give leadership to the Christian community in Jhansi.

The camp was transported as a unit to St. John's Clifton for worship on Sunday evening in a truck by Mr. Brown, French River. The campers journeyed again to Clifton on Monday to view the sound film "Heart of India" shown by Mr. Moti Lall.

The following were campers at the boys camp. William Dawson and Winston Cameron of Albany. Earl Johnston and Ronald Butler of Peter's Road. Reggie Nicholson, Fredericton. Tom Offer and Paul Offer, Summerside. Paul Stetson, Marshfield. David Sims, George Sims, French River. Winston Cousins, William Cousins, Park Corner. Earl Foster, Parkdale Garth MacGougan, Malpeque Donald Matheson, Oyster Bed Bridge. Grant Rockram, Wheatly River. Blair Wilkie, Garth Wilkie, Wesley Inman, Alberton. Robert Cousins and Kenneth Cousins, Rose Valley. Wade Hall and John Hall, Fort Louden, Penn.

The final camp session of the year will be the Young People's Camp Labor Day week-end. This camp commences Friday evening September 2nd through Monday September 5th. This camp will be under the directorship of the Rev. L.E. Blaikie, Brookfield.

Locke Road

An evening of dancing and singing was spent by Mrs. Sadie Connors, New Jersey, and Mr. and Mrs. Sylvany DesRoches of Truro, N. S., at the home of Mr. and Mrs. Arthur DesRoches, Forest View, recently.

Mr. and Mrs. Angus McBaine of the Locke Road were in O'Leary on Friday, August 5.

Trueman Harris of the Locke Road was in O'Leary on Saturday morning, August 6.

Mr. and Mrs. Joseph T. Gallant of Forest View was in O'Leary on Saturday, August 6.

Freeland

Sympathy is extended to the family of the late Clarence E. Phillips of Summerside in their sad bereavement. Mr. Phillips was a life long resident of Arlington, Lot 14, having moved to Summerside a few years ago.

Mrs. W. J. MacKay, who has been spending the summer at the home of her son, Harry MacKay, suffered a stroke on Monday morning and was taken to the Tyne Valley Health Centre. Mrs. MacKay has been in good health and at the time she was stricken was weeding in the garden. She was noticed by her grandson, Kenneth MacKay, who immediately got help. It is pleasing to report that she is resting and much improved.

Mr. and Mrs. Roland Stockton and family of Carryville, Mass., have returned home after spending a pleasant vacation at the home of Mrs. Stockton's brother, Wesley Palmer.

Mrs. Ross Findlay and family of Yeo, Ont., arrived recently to visit at the home of her sister, Mrs. Roy Oatway.

Mr. and Mrs. Elzie Smith, Cambridge, Mass., spent a two weeks holiday with relatives in Freeland and have returned to U. S. A. Accompanying them was Mrs. David Smith, who will visit in Cambridge with her son and daughter-in-law for a few weeks.

Mr. and Mrs. James Banks have purchased the home of Mr. and Mrs. Marshall Murphy and have taken up residence there, while Mr. and Mrs. Murphy have purchased and moved into a home in Melville P. E. I. We wish them every success in their new environment.

Welcome is extended to Mr. and Mrs. Banks, who are again in the community after a brief absence.

Sympathy is extended to the family of the late Swabey Birch, Port Hill, in their sad bereavement. Mr. Birch's funeral was largely attended and the remains laid to rest in the St. James Anglican Cemetery on Sunday afternoon, August 7th.

The Women's Institute held their August meeting at the home of Mrs. Edgar Oatway on Tuesday evening, August 2. Plans were made to hold a picnic on the school grounds on August 31.

Mr. William MacKay, Charlottetown and Mr. Kenneth MacKay of Fredericton, N. B., are vacationing at the home of their parents, Mr. and Mrs. Harry MacKay.

Borden

Mr. and Mrs. Lemuel MacKay, Borden, left on August 10 to spend their holidays touring in Cape Breton.

Mr. and Mrs. Neil Darrach of Charlottetown and Mrs. Ethel Edwards of Summerside visited friends and relatives in Borden on August 7.

All are glad to see Mr. Everett McKenna out again after being confined to his home for the past week. L.

Newfoundland Bond Issue For New Labrador Railway

ST. JOHN'S, Nfld.—(CP)—Premier Joseph Smallwood says work will begin before winter on a Labrador rail link opening what he describes as perhaps the world's greatest known iron ore deposit.

He announced Thursday that the Newfoundland government will guarantee a $16,500,000 bond issue for a 45-mile railway which will connect with the line already carrying ore from Knob Lake in Labrador to Sept Iles, Que., near the mouth of the St. Lawrence.

The railway will give birth to a new boom town at Wabush lake on the site of what Mr. Smallwood's press release calls "perhaps the greatest single body of iron ore known in the whole world."

The new development would provide permanent work for from 500 to 700 men, mostly Newfoundlanders, and will net the Newfoundland government $1,360,- a year as 90 per cent owner of the Newfoundland Labrador Corporation.

Wabush Lake is south west of Knob Lake where intensive mineral developments are now under way.

Mr. Smallwood said the legislation would be called together to secure "the necessary ratification" for the guarantee of the bond issue.

W. Indies Police Sgt. Studies With R.C.M.P.

OTTAWA (CP)—A British island colony in the West Indies has sent a Negro police sergeant more than 2,500 miles to Ottawa to learn crime detection and horsemanship from the Royal Canadian Mounted Police.

Sgt. Fitzherbert Bancroft, senior non-commissioned officer for the mounted branch of the Barbados police force, is taking a six-month training course at the RCMP'S Rockcliffe barracks. He says he was sent to Canada because training methods used by the RCMP are rated as tops throughout the Commonwealth.

Main part of Sgt. Bancroft's training will be horsemanship, a specialty of Canada's federal police force. He hopes to help improve the horsemanship of members of his country's mounted police.

During his period of training here Sgt. Bancroft will take the equitation course received by all members of the RCMP who participate in the force's famed musical ride. He also will study the methods used by Canadian Mounties to train horses.

Sgt. Bancroft says the Barbados mounted force maintains 23 mounted men on duty at all times. This unit forms part of the 512-man Barbados police force, the sole law enforcement agency on the island.

"All in all," he says, "we work in much the same way as the Mounties do here."

The force uses horses the most to patrol the huge sugar plantations on the island. They operate from 17 stations, many of them in out-of-the-way areas.

R.C.A.F. Little Leaguers Win From Y's Kids

The R.C.A.F. Little Leaguers defeated the Y's Kids in an abbreviated game of four innings at Queen Elizabeth Park, Summerside, last evening, the score being 9-3. George Taylor pitched for Slemon Park, giving up only three hits and striking out nine. Alan Hubley pitched two frames for Y's Men, and Bobby Gallant pitched the final two innings.

The fielding gem was a neat pick-up of a grounder that bounced close up to Keith Cameron, Y's Men third sacker. Cameron forced a runner at second.

Court Cases At Summerside

A party from Kensington charged with selling seed grain, inferior to grade three, the lowest grade legally salable, was fined $5.00 and costs in County Magistrate's Court at Summerside yesterday, Magistrate R. S. Hinton, Q.C., presiding.

The charge resulted from a shipment of 548 bags of oats to Moncton Co-Op Services Ltd. The grain had been inspected and labelled as grade one, but later was found to contain noxious weeds. Magistrate Hinton stated he was imposing a small fine as the accused was obviously unaware of the inferior quality and suffered the heavy cost of the large quantity of grain.

A party from R.C.A.F. Station Summerside was fined $25.00 and costs for failing to stop at the scene of an accident in which his car was involved at St. Eleanors. Damage was slight to both vehicles.

Several parties from Lennox Island were charged under the Indian Act with being intoxicated and two received jail terms of 10 days while the two others were fined $10.00 and costs.
