Grand Diet of Worms

DISSOLVED BY

WATSON'S SCHOLEDION.

WHICH is offered to the public as a perfectly safe, pleasant and efficacious EXPELLER OF WORMS from the human System. As this preparation contains no mineral ingredient, the administration of it to young children is not followed by the dangerous, and in many cases, fatal consequences resulting from the use of many of the Vermifuges at present before the public.

A compliance with the directions accompanying it will prove it deserves the characters claimed for it above, while the promptness and painless character of its action render it the cheapest and safest remedy for worms hitherto discovered

Is a sure proof of their superiority. We were satisfied that they would be appreciated here as elsewhere and that the reality of the advantages offered to wearers of our beautiful lenses, viz; the ease and comfort, the assured and readily ascertained improvement of the sight, and the brilliant assistance they give in all cases, were in themselves so apparent on trial, that the result could not be otherwise than it has, in the almost general adoption of our CELEBRATED PERFECTED SPECTACLES by the residents of this locality.

With a full knowledge of the value of the assertion, we claim that they are the most perfect optical aids ever manufactured. To those needing Spectacles, we afford at all times an opportunity of procuring the best and most desirable.

THE ROAD TO HEALTH AND LONG LIFE

SECURED BY

HOLLOWAY'S PILLS

Impurities of the Blood.

In selecting the most appropriate medicine for a particular ailment, there may be some difficulty unless one can be found to purify, regulate, and improve the quality of the blood. These Pills possess and exert these three qualifications in an extraordinary degree. They enable the stomach to digest any ordinary food, Increase the secretory powers of the liver, cleanse and purify the blood, expel all morbid matter, and throw into the circulation the purest elements for sustaining and repairing the frame.

Weakness and Debility.

How many persons suffer from debility without knowing the causess why they are feeble! In man cases the stomach is the aggressor. Holloway's Pills have long been famed for regulating a disordered stomach, and restoring its healthy digestion; they are, therefore, confidently recommended as a never-failing remedy in all cases where the constitution, from any cause, has become impaired or weakened.

Disease of the Head and Heart.

These formidable diseases are, unfortunately, frequent occurrence; for the most part they creep on gradually, but may be prevented by proper precautions. Holloway's Pills are the surest preservatives against all derangements of the brain, and are the speediest correctors of irregular circulation. It may be taken without delay, when tingling in the limbs, drowsiness, or giddiness comes on, the effect will be marvellous.

Females of all Ages and Classes.

The fame of these Pills is partly based upon the beneficial effects they have upon the constitution of females. From the domestic servant to the peeress universal favor is accorded to them for their invigorating and purifying properties, which render them as safe and invaluable in all disorders peculiar to the sex. Obstructions of every kind, either in young persons entering into womanhood or approaching the turn of life—the most critical period—may be radically removed by recourse to these Pills.
