

AN RCAF cameraman caught the German freighter Waldeck with her decks awash 50 miles south of Halifax after she nearly capsized Saturday. She reached Halifax safely under her own power with two Canadian navy frigates as escorts. She was listing 32 degrees to starboard.

Captain Saved His Freighter, Now Wants To Quit The Sea

HALIFAX (CP) — An ocean-going captain who saved his German freighter from sinking in a wild Atlantic storm Saturday said Wednesday he has asked to be relieved of his command.

Capt. Walter Harm said he accepted command of the 3,000-ton Waldeck for six weeks. That was five months ago. Now, the 79-year-old master wants to retire to his home in Hamburg.

"I'm not so anxious to be at sea again," Capt. Harm said.

"When the storm first hit early Saturday morning we were tossed about by the waves and the wind and the ship was listing first to port and then to starboard."

The Waldeck leaned over 30 degrees to starboard when a cargo of railway ties shifted in her holds. She wouldn't straighten up and Capt. Harm messaged for help.

Two Canadian navy frigates, Outremont and Swansea, were ordered from here to help the freighter. They met her about 45 miles offshore Saturday afternoon.

"If it was not for the help of the navy I would not be here to tell the story now," Capt. Harm said.

Second Workshop Of Year Well Attended At Tignish

TIGNISH — A large number of teachers from Tignish local, which is a branch of the P. E. I. Teacher's Federation, gathered in the Dalton School, for their second workshop of the season recently. The president, Aubin J. Gallant acted as chairman. A report of the meeting of the Board of Governors held in Charlottetown was given by the secretary, Mrs. Izabre DesRoches, who is a member of the board. A short discussion followed.

Mother St. Mary Arnold gave a report on the provincial educational conference held in Charlottetown. Discussion of this report was left for a future workshop.

A lengthy discussion on the teaching of grammar then followed.

Each teacher mentioned some difficulty encountered while other teachers tried to solve it.

The main difficulties dealt with were; parsing detailed analysis clausal analysis and the teaching of the copula verb.

Arrangements were made for another workshop to be held at the end of January where the provincial conference will be studied at length.

If however, roads prove unfavorable because of the uncertainty of the weather during the winter months teachers have been asked to meet in small groups for winter workshops and bring a report of same to a general workshop in the spring.

Blood Donors Hit New High At S' Side R.C.A.F. Station

SUMMERSIDE — Yesterday's blood donor clinics at the RCAF Station, Summerside, were the most successful ever held in the past few years when 187 donors registered.

F/O C. E. N. Runley co-ordinator of the blood donor committee had over 250 signed up for the clinic but many of these were unable to be present because they were engaged in snow removal after Tuesday's storm.

RCAF personnel aided the Red Cross blood donor team from Halifax. The clinics were also helped by members of the high school Red Cross and the Summerside Red Cross.

RESTORE BRIDGES

About 350 bridges have been rebuilt in Finnmark, Norway's most northern province, since the Second World War.

Short Course Is Called Off At Tignish

ALBERTON — A department of agriculture short course, scheduled to be held in Tignish yesterday afternoon and evening, was cancelled owing to poor road conditions.

A number of lectures featuring pastures and livestock are now planned for some time in January.

Included among the speakers who travelled to Tignish yesterday were Allan Palmer, agricultural representative for Prince County; Dr. George Fisher, director of veterinary services; George MacNeill, poultry fieldman, David Rogers, agronomist and Dave Wood, provincial economist.

S' side Firm Awarded Water, Sewer Contract

SUMMERSIDE — The town of Summerside last night in a special meeting awarded to the M.P. Schurman Co. Ltd., a contract for the installation of water and sewerage at the Hillcrest Park housing area.

No price was stated in the resolution, but it was understood that a contract submitted to the town by the Schurman Company contains the price of the job, and this has been found satisfactory by the council.

Schurman's also have been appointed purchasing agents representing the town on this particular project.

Councillors MacCausland, Newson and Clark voted for the awarding of the contract for Schurman's while Councillor Arsenault, and Wood, voted against with Councillor Dewar refraining from voting.

There was no comment on the part of the council on the resolution.

BLOOD DONORS Are Good Citizens

FACE EXPULSION
MONTREAL (CP) — About 100 McGill University students who failed to report for free medical examinations are to be fined \$25 each and face the threat of expulsion if they fail to show up for the examinations. C. M. McDougall, secretary of the university senate, made the announcement Wednesday after the university health service notified him about the absent students.

Mails were carried on horse back between Kingston and Toronto as late as 1834.

PRINCE COUNTY HOSPITAL

announces the winners of **ESSAY CONTEST**

1st Prize \$40.00—Kenneth Carr, Grade XI, Miscouche High School

2nd prize \$25.00—Keith Cameron, Grade IXB, Summerside High School.

3rd prize \$15.00—Marilyn Carruthers, Grade IX, Hamilton School

4th prize \$10.00—Sharon Mullin, Grade X, St. Mary's Academy, Summerside

5th prize \$10.00—Leona Gallant, Grade VII, Egmont Bay School.

Reports of Contest judges:—

In the recent Hospital Essay Contest "Why Should I Support the Prince County Hospital?" the material submitted came from all the various sections of Prince County. And although the sponsors had looked forward to a much fuller participation by the students there was a satisfactory and varied representation.

The three judges went over the essays very carefully—and it was not an easy job to pick five winners.

The judges felt that a recital of facts was not alone sufficient. These facts should be presented in such a way as to arouse the interest and feeling of the reader and thus make a lasting impression. Original and creative writing has this quality. Although several winners qualified in every respect, it was by stressing content and originality rather than English and neatness that they, the judges, were able to concur unanimously in the final results.

Judges: Miss Wanda Wyatt, Regent, Abegweit Chapter, I.O.D.E., Summerside; Sister Mary Pauline, Sisters of Saint Martha, Kinkora, and Miss Elaine Harrison, M.A., Lecturer in English, Summerside High School.

THE MOST BEAUTIFUL WEDDING OF THE YEAR

New Ford Galaxie '59 Thunderbird

Dear Ford Owner
Just look what happened—
Since you last said "I do!"

Drive Safely
SAFE DRIVING WEEK
Dec. 1-7

Announcing **THE NEW FORD Galaxie**

Just Married in Style to the Thunderbird!

It's the newest and most exciting of all the 59 Fords—the elegant new Galaxie. A bright new personality in cars—and more. The Galaxie is a full "fine car" 6-passenger expression of Thunderbird grace, spirit, style and luxury in an altogether new line of Fords. The Galaxie, as you'll quickly see, is as wonderfully all-the-way Thunderbird as a low-price Ford can be.

Reception now—you are invited. The Galaxie Series—a sedan, two hardtops and two convertibles including the world's only hardtop convertible—brings a new measure of elegance to the low-price field. True, Ford owners are accustomed to luxury—and at the low Ford price. But never in any Ford, nor in cars costing far more, have you seen anything as sweet, smart and glamorous as this. The Galaxie reception's being held at your Ford Dealer's now. Bring the whole family.

It's Thunderbird in looks! The smart, straight-line Galaxie roof and dramatic see-it-all rear window say Thunderbird unmistakably. So does the classic simplicity of its clean, low-swept body lines. Here is the most perfect match yet of the Thunderbird's own silhouette.

It's Thunderbird in luxury! New Galaxie appointments—like the plush, deep-pile carpets—are so very Thunderbird in taste. There's Thunderbird V-8 power and performance, too. A surpassing luxury that tells you how superbly these Ford newweds "GO" together.

You'll want to honeymoon again in a **59 FORD**
