Marine Institute

Go Further with a MI Advanced Diploma

Take your career to the next level with a one-year Advanced Diploma from the Marine Institute. Specialize in one of these areas:

Sustainable Aquaculture

Join the field of aquaculture environmental managers, technicians and researchers in the fastest growing food production sector in the world. Learn about aquaculture operations and undertake applied research and on-site work placements.

Coastal Zone Management

Learn how to manage our aquatic resources and gain an international perspective of the issues affecting coastal environments.

Water Quality

Become a water quality specialist with the only post-graduate program of its kind in Atlantic Canada. Learn about the ecological issues impacting our water supplies and gain the knowledge to treat, maintain and use our aquatic resources safely and efficiently.

Food Safety

Learn how to inspect, analyze and monitor the quality and safety of food products to start a career as a food inspector or quality control manager.

Applications are now being accepted for programs starting September 2005.

For more information and to apply, please contact:
