THE City Council meets for the transaction of general business this evening at 7.30 o'clock.

A LENGTHY REPORT of the political meeting at Tignish, on Saturday, will appear in our next.

THE case of John E. Haszard and another vs. Robert N. Cox, an action a book account, occupied the whole time of the Supreme Court to-day.

OWING to the Supreme Court being in session, the Court for the revision of the Voters' List has been adjourned until Tuesday, the 16th inst.

DON'T FORGET the Land Sale and Picnic at Cardigan, on Wednesday, the 10th inst. Special train leaves Charlottetown at 8 1/2 a. m., returning about 6 p. m.

A QUARTERLY SESSION of the Grand Division S. of T. will be held in the School-house, Graham's Road, on Thursday, the 25th inst., commencing at 9 o'clock, a. m., sharp.

ON Wednesday next, July 10th, a special train will leave Charlottetown Station with excursionists for the great land sale and Tea at Cardigan Bridge on that day, returning same evening. Return tickets at half fare.

A MEETING of the Licensing Board was held on Friday evening at half-past seven o'clock. The only applications before the Board were that of John McQuellan for store license, and Thomas Campbell for tavern license, both of which were granted.

WE see, by this morning's Patriot, that Hon. Daniel Gordon spoke enthusiastically in favor of the Opposition candidates, and paid a worthy eulogy to Sir John McDonald. When will the balance of our Liberal-Conservatives in the local "combination" follow Mr. Gordon's example.

AN influential meeting of Liberal-Conservatives was held at Saw Mill Bridge on Saturday evening last. Thomas McGrath and Abraham Gill, Esqs., were appointed delegates to the Convention to be held on the 19th of July, and instructed to cast the vote for Lot 24 in favor of Pope and Brecken.

TOO THIN.—Col. McGill's sugar-coated pill, in the shape of a huge cake for the Crapaud tea, which created such merriment as it was borne past our office this morning, on its way to the steamer, will, we think, be scarcely swallowed by the intelligent yeomanry of Crapaud. The Colonel's head may be plum, yet we think he will be told that the district requires something more tangible than a sweetcake. We give this as a *curant* item.

THE Patriot, having exhausted his spleen towards the Hon. J. C. Pope, has commenced abusing Hon. S. L. Tilley—a gentleman universally respected and beloved. We also see that the Halifax papers have commenced their calumny towards the Lieutenant Governor of New Brunswick. The organs of the "Organized Hypocrisy" forcibly remind us of the "viper gnawing the file."

JAMES MURPHY was the only prisoner at the bar of the Stipendiary Magistrate's Court this forenoon. He was arrested on complaint of Mr. John McEachern. On Saturday evening he entered Mr. McEachern's store (Italian Warehouse), in a disorderly state of intoxication, snatched a sum of money which was lying on the counter, and was leaving the store when caught. He was sentenced to three months' imprisonment, with hard labor, for vagrancy. This penalty will not be enforced if he leaves the City within twenty-four hours.

ON Saturday evening a number of juveniles broke into a forge owned by Mr. Alexander Russel, on Duncan's Wharf. After breaking in, they carried a large quantity of brass pipe, etc., from the place. They also continued to carry a lot of copper material during Sunday. The matter was reported to the police this forenoon. Officers McKinnon and Pollard examined the premises and succeeded in arresting one of the party—a boy named Edward O'Neill—and recovering a part of the stolen property. Four others implicated are still at large.

ON Saturday night last about 11 o'clock, a crowd of roughs assembled at the corner of Water and Great George Streets and engaged in a most determined fight, holding undisputed sway for nearly an hour. One of our city newspaper reporters was present, but no note as yet has been made in the columns of that paper. As usual, the police were conspicuous for their absence, although if the officer on this beat had been attending to his duty, he would have passed the corner at least three times during the drunken row. We cannot, it seems, place much confidence in our brave force. At this same place, on Sunday evening, a crowd of youths assembled, and in loud tones indulged in the most obscene language.

DROWNING ACCIDENTS.—Frederick Reid, son of Mr. Gideon Reid, of Mill Village, Cornwallis, was drowned in Killam's Pond on Saturday while bathing. He was 16 years of age.—On Monday, Arthur Herbert, aged 14, son of Rev. O. C. Herbert, of Lawrencetown, Annapolis Co., was drowned in the Annapolis River, while bathing.—On Sunday, Judson Day, a young man of twenty summers, was drowned in a mill pond at McDonald's Point, Queens Co., N. B., while bathing. His clothes were found on the bank of the pond, and shortly after his lifeless body was brought up from the bottom.—J. S. Bedlow, Superintendent of the Western Union Telegraph Company at Portland, Me., was drowned on Tuesday morning while attempting to rescue his child, who was bathing at Old Orchard Beach.

NEWS BY TELEGRAPH.

(Special Despatch to Examiner.)

LONDON, July 6. Accounts differ as to the extent of the rectification of the Greek frontier suggested by the Congress.

It is understood that the line includes Larissa.

BERLIN, July 7. The National Gazette says it is informed that the Austrian police have discovered circumstances leading to the belief that Dr. Nobeling's attempt on the Emperor's life was connected with intrigues of Russian socialists.

BELGRADE, July 7. Prince Milan, at the opening session of Skuptzhevena, at Kragujevatz, declared that he was satisfied with the decision of the Berlin Congress in relation to Servia.

LONDON, July 7. It is declared in Russian circles that the prospect of Count Schouvaloff succeeding Prince Gortschakoff, depends upon the Count's ability to inaugurate a policy aiming at an English alliance.

VIENNA, July 5. The occupation of Bosnia and Herzegovina has been finally postponed until August, in order to give time for the restoration of the railways, and the organization of the future administration of these Provinces.

OTTAWA, July 5. The new counterfeit one dollar Dominion note is clever, but the work on the back is blurred. The letter "i" in Harrington's signature is not dotted. The figures in the numbers are smaller, and the bills are a little larger. The Government offer a reward for the conviction of the counterfeiters.

MONTREAL, July 5. Nearly one hundred magistrates met to-day to confer on the peace of the city. A stormy and disgraceful meeting it was. Nothing practical was done. There will now be a requisition to the military authorities, and it is freely stated that the 97th will be ordered from Halifax. That regiment alone would ensure peace on the 12th.

The Hon. Mr. Blake was here to-day, en route for Europe.

ANTIGONISH, July 5. A fire broke out this morning in the barn of John F. Cunningham, Clerk of Licenses, and it was totally destroyed. A horse, carriage, sleigh, etc., were burnt. Loss five hundred dollars. The building was insured in the Queens for two hundred dollars. The fire is believed to be the work of an incendiary.

NEW YORK, July 5. During a tornado and thunder storm, eighteen miles above Pittsburg, Pa., yesterday afternoon, the lightning caused the igniting of the Vesta Oil Works, destroying 80,000 barrels of oil, and causing a loss of \$100,000.

AN Astonishing Fact.

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 19 cents to try. Three doses will relieve the worst case. Positively sold by all druggists on the Western Continent.
