Royals Even City League Finals With 5-2 Victory

The Charlottetown Royals knotted the best of seven series for the City League Championship at one game apiece at the Forum last night as they dumped a short-handed crew of Parkdale Flyers 5-2 in a fast encounter.

The Royals lost the services of their stand-out goal-tender Frank Roper early in the game when he was clipped on the forehead by a swinging stick and required five stitches to close the resulting cut over the left eye. Forward Dave MacLeod donned the pads temporarily for the Royals and allowed only one goal. He was replaced by Bob Dillon at the start of the second. Dillon played a smart game for the Royals and was especially keen-sighted as he picked off two close-in drives by Flyer-ace, Albie Carver.

Merle Longaphie dropped a 40-foot drive behind MacLeod near the end of the opening period to start things off. The Royals played better hockey during most of the period but couldn't dent the Simmonds' armour. They continued to dominate play in the second and soon bounced ahead 2-1 on goals by Bradley and Burke. Merlin MacKenzie made it 3-1 at 4:17 of the final on a hand-out from Burke, and MacLeod advanced the count to 4-1 minutes later on a play with Charlie MacDonal. Keith Carmichael made it 5-1 at 12:06 and the scoring was ended by Warren Gregory's second Flyer marker at 13:02. Ralph Josey handed out the hardest check of the game in the third as he thumped Demse Gregory at the Royals blue-line.

Referees Steve Brklacich and Orin Carver called only four penalties during the encounter.

Montreal, Detroit Take 2-0 Lead In N.H.L. Semi-Finals

MONTREAL (CP)—Montreal Canadiens made it two straight over the Boston Bruins in their Stanley Cup semi-final, winning 3-1 Thursday night in a hard-fighting game that opened up more in play than the first meeting Tuesday.

All goals came in the second period, Montreal counting all three before the Bruins counted their first of the series.

Floyd Curry, Calum MacKay and Jean Beliveau scored for Canadiens and Real Chevrefils for the Bruins.

Coch Dick Irvin of Montreal again used his two-goalie platoon system, Jacques Plante and Charlie Hodge shutting in and out of the game.

Boston's single goal came late in the middle period three seconds after Plante had taken over from Hodge in one of the goalie exchanges.

Hodge was in the net for 32 minutes and 58 seconds and Plante for 27:02, changing several times each period.

Threatening fights several times in the game finally broke out just after the final siren when Butch Bouchard, Montreal captain, and Fern Flaman of the Bruins waded into each other with solid punches. Bouchard finally caught Flaman in a jolting right uppercut and the Boston defenceman went to the ice.

No penalties were announced for either Bouchard or Flaman. Beliveau suffered an injured right knee in the first period and retired for a few minutes for medical attention. The knee was frozen and he took his regular turn for the rest of the game.

President Clarence Campbell of the National Hockey League was again in his usual seat. There was only a mild outburst of booing when he appeared two minutes before the game started.

Maurice "Rocky" Richard, whose suspension by Campbell enraged fans last week, sat in a seat over the aisle runway almost directly back of the Boston bench. The rocket reappeared from a brief trip in the United States, where he went to get away from all the commotion. He is said to have been in New York City.

The next two games of the best-of-seven series will be played in Boston Sunday and Tuesday.

First period: Scoring: None. Penalties: Chevrefils :15; Harvey 10:43.
Second period: 1. Montreal, Curry (MacKay, Mosdell) 1:31; 2. Montreal, MacKay (Mosdell, Curry) 11:08; 3. Montreal, Beliveau (Geoffrion, Olmstead) 13:43; 4. Boston, Chevrefils (Quackenbush, Labine) 16:43. Penalties: None.
Third period: Scoring: None. Penalty: Beliveau 11:46.

DETROIT (CP)—Detroit Red Wings scored two first-period goals while Toronto was two men short to defeat the Maple Leafs 2-1 Thursday night and take a commanding 2-0 lead in their best-of-seven semi-final Stanley Cup series.

Gordie Howe and Alex Delvecchio scored for Detroit in a 46-second burst as Toronto's Hugh Bolton and Eric Nesterenko looked helplessly from the penalty box.

The penalties cost the Maple Leafs a 1-0 lead on Sid Smith's goal in the first 17 seconds of play.

Bolton was caught for holding at 7:04 and Nesterenko followed him to the penalty box at 7:54 for tripping.

Howe tied the score 1-1 at 8:09 when he picked up a double rebound and powered the puck past goalie Harry Lumley. Just 45 seconds later, at 8:54, Alex Delvecchio put Detroit ahead with a sharply-executed 15-footer which had Lumley beaten all the way.

PULL LUMLEY
The victory gave the Wings a stranglehold on the best-of-seven series. The next two games will be played in Toronto next Saturday and Tuesday.

The Leafs started with a rush with Smith surprising the crowd of 13,439 with his quick goal. He took Kennedy's passout from behind the cage and drilled the puck past Terry Sawchuk.

Smith's goal was not a record. The fastest Stanley Cup goal on record was made by Howe last year against Toronto in the cup semi-finals. Howe netted after only nine seconds of play.

With a minute to go the Leafs yanked Lumley and used six attackers in an effort to tie the score. They forced four face-offs in the final 20 seconds in Detroit's zone but couldn't break through for a goal.

Pepper Put On Bruins' Towels

MONTREAL (CP)—Just as there'll be no further pepper episode, all bench towels used by Boston Bruins will be taken into the dressing room after each period, coach Milt Schmidt said Thursday.

Somebody sprinkled pepper on the towels between the first and second periods of Tuesday's Stanley Cup game between Montreal Canadiens and the Bruins.

Custom is to spread the towels over the railing behind the bench. When Bruins began mopping their faces in the second period Tuesday they got a snootful and began sneezing and rubbing eyes.

Game Saturday At Moncton

MONCTON (CP)—The fourth game of the eastern Canada Allan Cup hockey semi-final between Moncton Hawks and Ottawa RCAF Flyers will be played here at Moncton Saturday night.

The place and date were left up in the air Wednesday following a protest by the Ottawa District Hockey Association over the decision to play the entire series here.

Both Hawks manager Jim McDonald and Ft.-Lt. Ray Boucher, manager of the Flyers, said the fourth game would go ahead as scheduled at Moncton, presumably on orders of the Canadian Amateur Hockey Association.

Moncton leads the best-of-seven series 3-0.

Hampshire Wins Hockey Trophy

Hampshire defeated North River 5-2 last night and won the R. R. Bell trophy, emblematic of the championship of the North River Second Hockey League. The game was played at North River rink. Hampshire won the three game series in two straight.

Scoring for Hampshire last night were G. Watts and W. Tremere, each with a pair, and F. MacLean with one. For North River, D. Murray and E. Smith each scored one.

Daley and the potent slugger slugged away at each other for ninety savage rounds. The outcome was a draw. At the end of the nightmarish event, they were sopping blood and both the hands of each man were broken. For all their slaughter, the combatants shared \$137 and they were fined \$50 apiece for shame because the bout had not ended in a knockout.
